Emily Smith

**The Nick Kroll Handbook - Everything You Need to Know about Nick Kroll** Emily Smith, 2013-02 Nick Kroll (born June 5, 1978) is an American actor and comedian best known for his role as Ruxin on The League. He previously co-starred in comedy programs such as Best Week Ever, Cavemen, Sit Down, Shut Up, and The Life & Times of Tim. This book is your ultimate resource for Nick Kroll. Here you will find the most up-to-date information, photos, and much more. In easy to read chapters, with extensive references and links to get you to know all there is to know about Nick Kroll's Early life, Career and Personal life right away. A quick look inside: Contents, Nick Kroll, A Good Old Fashioned Orgy, Adventures of Power, Ari Gold (filmmaker), Cavemen (TV series), Childrens Hospital, Foosball and Nocturnal Vigilantism, Jules B. Kroll, Media Blitz, Parks and Recreation, Rye Country Day School, The Benson Interruption, The Fight (Parks and Recreation), The League 74...and more pages Contains selected content from the highest rated entries, typeset, printed and shipped, combining the advantages of up-to-date and in-depth knowledge with the convenience of printed books. A portion of the proceeds of each book will be donated to the Wikimedia Foundation to support their mission.

Reborn in the USA Roger Bennett, 2021-06-29 The #1 New York Times Bestseller One-half of the celebrated Men in Blazers duo, longtime culture and soccer commentator Roger Bennett traces the origins of his love affair with America, and how he went from a depraved, pimply faced Jewish boy in 1980's Liverpool to become the quintessential Englishman in New York. A memoir for fans of Jon Ronson and Chuck Klosterman, but with Roger Bennett's signature pop culture flair and humor. Being a teenager isn't easy, no matter where in the world you live or how much it does or doesn't rain in your hometown. As an outsider—a private-schooled Jewish kid in working-class, heavily Catholic Liverpool—Roger Bennett wasn't winning any popularity contests. But there was one idea, or ideal, that burned bright in Roger's heart. That was America—with its sunny skies, beautiful women, and cool kids with flipped collars who ate at McDonald's. When he embraced American popular culture, the dull gray world he lived in turned to neon teal—a color which had not even been invented in England yet. Introduced first through the gateway drug of The Love Boat, then to Rolling Stone, the NFL, John Hughes movies, Run-DMC, and Tracy Chapman, Roger embraced everything that would capture the imagination of a teenager growing up Stateside. When he made a real, in-the-flesh American friend who invited him over for the summer, he got to visit the promised land. A month in Chicago, and a life-changing night spent in the company of the Chicago Bears, was the first hit of freedom, of independence, of the Roger Bennett he knew he could be. (Re)Born in the USA captures the universality of growing pains, growing up, and growing out of where you come from. Drenched in the culture of the late '80s and '90s from the UK and the USA, and the heartfelt, hilarious sense of humor that has made Roger Bennett so beloved by his listeners, here is both a truly unique coming-of-age story and the love letter to America that the country needs right now.

*You'll Grow Out of It* Jessi Klein, 2016-07-12 From Emmy award-winning comedy writer Jessi Klein, *You'll Grow Out of It* hilariously and candidly explores the journey of the 21st-century woman. As both a tomboy and a late

bloomer, comedian Jessi Klein grew up feeling more like an outsider than a participant in the rites of modern femininity. In *You'll Grow Out of It*, Klein offers - through an incisive collection of real-life stories - a relentlessly funny yet poignant take on a variety of topics she has experienced along her strange journey to womanhood and beyond. These include her transformation from Pippi Longstocking-esque tomboy to are-you-a-lesbian-or-what tom man, attempting to find watchable porn, and identifying the difference between being called ma'am and miss (miss sounds like you weigh 99 pounds). Raw, relatable, and consistently hilarious, *You'll Grow Out of It* is a one-of-a-kind book by a singular and irresistible comic voice.

**Men in Blazers Present Encyclopedia Blazertannica** Roger Bennett, Michael Davies, 2018-05-15 The essential guide to world soccer—the history, the players, the fan culture—from the phenomenally popular duo from NBC Sports. The Men in Blazers are two English-born, soccer-obsessed broadcasters who have savored the dizzying growth of the game along with millions of Americans. Now they immerse fans and novices alike in the history and culture of the world's game with *Encyclopedia Blazertannica*. Examining fan culture, from the famous stadium chants to the tactical variations of scarf tying, exploring the complex physics and ethics of both celebratory knee slides and fights between players, reliving the careers of legendary players, classic matches, and colorful World Cup history, and sharing a deep appreciation for the athletic brilliance and ill-judged neck tattoos that dominate the sport, this indispensable tome gives readers a front-row seat to all the action of football madness. A New York Times Bestseller!

Failure Is an Option H. Jon Benjamin, 2019-05-07 "Writing this funny requires immense talent." —AV Club H. Jon Benjamin—the lead voice behind *Archer* and *Bob's Burgers*—helps us all feel a little better about our own failures by sharing his own in a hilarious memoir-ish chronicle of failure. Most people would consider H. Jon Benjamin a comedy show business success. But he'd like to remind everyone that as great as success can be, failure is also an option. And maybe the best option. In this book, he tells stories from his own life, from his early days (wherein I'm unable to deliver a sizzling fajita) to his romantic life (how I failed to quantify a threesome) to family (wherein a trip to P.F. Chang's fractures a family) to career (how I failed at launching a kid's show). As Jon himself says, breaking down one's natural ability to succeed is not an easy task, but also not an insurmountable one. Society as we know it is, sadly, failure averse. But more acceptance of failure, as Jon sees it, will go a long way to making this world a different place . . . a kinder, gentler place, where gardens are overgrown and most people stay home with their pets. A vision of failure, but also a vision of freedom. With stories, examples of artistic and literary failure, and a powerful can't-do attitude, *Failure Is an Option* is the book the world doesn't need right now but will get regardless.

*Several People Are Typing* Calvin Kasulke, 2022-09-27 A Good Morning America Book Club Pick! • A work-from-home comedy where WFH meets WTF. • An absurd, hilarious romp through the haunted house of late-stage capitalism. —Carmen Maria Machado, author of *In the Dream House* Told entirely through clever and captivating Slack messages, this irresistible, relatable satire of both virtual work and contemporary life is *The Office* for a new world.

Gerald, a mid-level employee of a New York-based public relations firm has been uploaded into the company's internal Slack channels—at least his consciousness has. His colleagues assume it's an elaborate gag to exploit the new work-from home policy, but now that Gerald's productivity is through the roof, his bosses are only too happy to let him work from ... wherever he says he is. Faced with the looming abyss of a disembodied life online, Gerald enlists his co-worker Pradeep to help him escape, and to find out what happened to his body. But the longer Gerald stays in the void, the more alluring and absurd his reality becomes. Meanwhile, Gerald's colleagues have PR catastrophes of their own to handle in the real world. Their biggest client, a high-end dog food company, is in the midst of recalling a bad batch of food that's allegedly poisoning Pomeranians nationwide. And their CEO suspects someone is sabotaging his office furniture. And if Gerald gets to work from home all the time, why can't everyone? Is true love possible between two people, when one is just a line of text in an app? And what in the hell does the :dusty-stick: emoji mean? In a time when office paranoia and politics have followed us home, Calvin Kasulke is here to capture the surprising, absurd, and fully-relatable factors attacking our collective sanity ... and give us hope that we can still find a human connection.

Bar Mitzvah Disco Roger Bennett, Jules Shell, Nick Kroll, 2005 This collection of essays and photos is the offshoot of the Web site of the same name, on which the authors solicited photos from the late 1960s through the 1980s displaying the peculiarities of their times. The book is structured as a professionally photographed bar mitzvah album, starting with awkward portraits and ending with the requisite waving good-bye shot.

**Gumption** Nick Offerman, 2016-04-05 First paperback printing includes Bonus chapter.

*How to Date Men When You Hate Men* Blythe Roberson, 2019-01-08 From New Yorker and Onion writer and comedian Blythe Roberson, *How to Date Men When You Hate Men* is a comedy philosophy book aimed at interrogating what it means to date men within the trappings of modern society. Blythe Roberson's sharp observational humor is met by her open-hearted willingness to revel in the ugliest warts and shimmering highs of choosing to live our lives amongst other humans. She collects her crushes like ill cared-for pets, skewers her own suspect decisions, and assures readers that any date you can mess up, she can top tenfold. And really, was that date even a date in the first place? With sections like Real Interviews With Men About Whether Or Not It Was A Date; Good Flirts That Work; Bad Flirts That Do Not Work; and Definitive Proof That Tom Hanks Is The Villain Of You've Got Mail, *How to Date Men When You Hate Men* is a one stop shop for dating advice when you love men but don't like them. With biting wit, Roberson explores the dynamics of heterosexual dating in the age of #MeToo – The New York Times

*Bravey* Alexi Pappas, 2022-01-04 The Olympic runner, actress, filmmaker and writer Alexi Pappas shares what she's learned about confidence, self-reliance, mental health, embracing pain, and achieving your dreams. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE • "Heartbreaking and hilarious."—Mindy Kaling • "A beautiful read."—Ruth Reichl • "Essential guidance to anyone dreaming big dreams."—Shalane Flanagan • "I couldn't put it down."—Adam Grant run like a bravey sleep like a baby dream like a crazy replace can't with maybe When "Renaissance runner" (New York Times) Alexi Pappas—Olympic athlete, actress, filmmaker, and writer—was four years old, her mother died

by suicide, drastically altering the course of Pappas's life and setting her on a search for female role models. When her father signed his bereaved daughter up for sports teams as a way to keep her busy, female athletes became the first women Pappas looked up to, and her Olympic dream was born. At the same time, Pappas had big creative dreams, too: She wanted to make movies, write, and act. Despite setbacks and hardships, Pappas refused to pick just one lane. She put in a tremendous amount of hard work and wouldn't let anything stand in her way until she achieved all of her dreams, however unrelated they may seem to outsiders. In a single year, 2016, she made her Olympic debut as a distance runner and wrote, directed, and starred in her first feature film. But great highs are often accompanied by deep lows; with joy comes sorrow. In *Bravey*, Pappas fearlessly and honestly shares her battle with post-Olympic depression and describes how she emerged on the other side as a thriving and self-actualized woman. Unflinching, exuberant, and always entertaining, *Bravey* showcases Pappas's signature, charming voice as she reflects upon the touchstone moments in her life and the lessons that have powered her career as both an athlete and an artist—foremost among them, how to be brave. Pappas's experiences reveal how we can all overcome hardship, befriend pain, celebrate victory, relish the loyalty found in teammates, and claim joy. In short: how every one of us can become a bravey.

**Is This Anything?** Jerry Seinfeld, 2020-10-06 The first book in twenty-five years from “one of our great comic minds” (The Washington Post) features Seinfeld's best work across five decades in comedy. Since his first performance at the legendary New York nightclub “Catch a Rising Star” as a twenty-one-year-old college student in fall of 1975, Jerry Seinfeld has written his own material and saved everything. “Whenever I came up with a funny bit, whether it happened on a stage, in a conversation, or working it out on my preferred canvas, the big yellow legal pad, I kept it in one of those old school accordion folders,” Seinfeld writes. “So I have everything I thought was worth saving from forty-five years of hacking away at this for all I was worth.” For this book, Jerry Seinfeld has selected his favorite material, organized decade by decade. In this “trove of laugh-out-loud one-liners” (Associated Press), you will witness the evolution of one of the great comedians of our time and gain new insights into the thrilling but unforgiving art of writing stand-up comedy.

**Stuff!** Steven Kroll, 2009 A packrat resists recycling, reducing, and reusing

**Passing for Human** Liana Finck, 2018-09-18 A visually arresting graphic memoir about a young artist struggling against what's expected of her as a woman, and learning to accept her true self, from an acclaimed New Yorker cartoonist. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Guardian • New York • Refinery29 • Kirkus Reviews In this achingly beautiful graphic memoir, Liana Finck goes in search of that thing she has lost—her shadow, she calls it, but one might also think of it as the “otherness” or “strangeness” that has defined her since birth, that part of her that has always made her feel as though she is living in exile from the world. In *Passing for Human*, Finck is on a quest for self-understanding and self-acceptance, and along the way she seeks to answer some eternal questions: What makes us whole? What parts of ourselves do we hide or ignore or chase away—because they're embarrassing, or inconvenient, or just plain weird—and at what cost? *Passing for Human* is what Finck calls “a

neurological coming-of-age story”—one in which, through her childhood, human connection proved elusive and her most enduring relationships were with plants and rocks and imaginary friends; in which her mother was an artist whose creative life had been stifled by an unhappy first marriage and a deeply sexist society that seemed expressly designed to snuff out creativity in women; in which her father was a doctor who struggled in secret with the guilt of having passed his own form of otherness on to his daughter; and in which, as an adult, Finck finally finds her shadow again—and, with it, her true self. Melancholy and funny, personal and surreal, *Passing for Human* is a profound exploration of identity by one of the most talented young comic artists working today. Part magical odyssey, part feminist creation myth, this memoir is, most of all, an extraordinary, moving meditation on what it means to be an artist and a woman grappling with the desire to pass for human. Praise for *Passing for Human* “In its ambition, framing, and multiple layers, [Passing for Human] raises the bar for graphic narrative. Even fans of [Liana Finck’s] work in the *New Yorker* will be blindsided by this outstanding book.”—Kirkus Reviews (starred review) “A sure hit for readers of graphic memoirs, this explores feeling different while recognizing sameness in others and making art while embracing being a work-in progress oneself.”—Annie Bostrom, Booklist “This story is as tender as it is wry. . . . Becoming human is a lifelong task—but Finck illustrates it with humor and panache.”—Publishers Weekly

Never Have Your Dog Stuffed Alan Alda, 2005-09-13 He’s one of America’s most recognizable and acclaimed actors—a star on Broadway, an Oscar nominee for *The Aviator*, and the only person to ever win Emmys for acting, writing, and directing, during his eleven years on *M\*A\*S\*H*. Now Alan Alda has written a memoir as elegant, funny, and affecting as his greatest performances. “My mother didn’t try to stab my father until I was six,” begins Alda’s irresistible story. The son of a popular actor and a loving but mentally ill mother, he spent his early childhood backstage in the erotic and comic world of burlesque and went on, after early struggles, to achieve extraordinary success in his profession. Yet *Never Have Your Dog Stuffed* is not a memoir of show-business ups and downs. It is a moving and funny story of a boy growing into a man who then realizes he has only just begun to grow. It is the story of turning points in Alda’s life, events that would make him what he is—if only he could survive them. From the moment as a boy when his dead dog is returned from the taxidermist’s shop with a hideous expression on his face, and he learns that death can’t be undone, to the decades-long effort to find compassion for the mother he lived with but never knew, to his acceptance of his father, both personally and professionally, Alda learns the hard way that change, uncertainty, and transformation are what life is made of, and true happiness is found in embracing them. *Never Have Your Dog Stuffed*, filled with curiosity about nature, good humor, and honesty, is the crowning achievement of an actor, author, and director, but surprisingly, it is the story of a life more filled with turbulence and laughter than any Alda has ever played on the stage or screen.

*Thank You for Coming to Hattiesburg* Todd Barry, 2017-03-14 “With this charming, sardonic debut, stand up comedian and actor Todd Barry makes readers laugh as hard as the audiences at his shows” (Publishers Weekly) in this hilarious book of travel essays from his time on tour in the US, Canada, and Israel. Hello. It’s Todd Barry. Yes,

the massively famous comedian. I have billions of fans all over the world, so I do my fair share of touring. While I love doing shows in the big cities (New York, Philadelphia), I also enjoy a good secondary market (Ithaca, Bethlehem). Performing in these smaller places can be great because not all entertainers stop there on tour; they don't expect to see you. They're appreciative. They say things like "Thank you for coming to Hattiesburg" as much as they say "Nice show." And almost every town has their version of a hipster coffee shop, so I can get in my comfort zone. My original plan was to book one secondary market show in all fifty states, in about a year, but that idea was funnier than anything in my act. So, instead of all fifty states in a year, my agent booked multiple shows in a lot of states, plus Israel and Canada. Thank You for Coming to Hattiesburg is part tour diary, part travel guide, and part memoir (Yes, memoir. Just like the thing presidents and former child stars get to write). Follow me on my journey of small clubs, and the occasional big amphitheater. Watch me make a promoter clean the dressing room toilet in Connecticut, see me stare at beached turtles in Maui, and see how I react when Lars from Metallica shows up to see me at a rec center in Northern California. I'd love to tell you more, but I need to go book a flight to Evansville, Indiana.

She Memes Well Quinta Brunson, 2021 From comedian Quinta Brunson comes a deeply personal and funny collection of essays featuring anecdotes about trying to make it when you're broke, overcoming self-doubt and depression, and how she's used humor to navigate her career in unusual directions. Quinta Brunson is a master of viral Internet content: without any traditional background in media, her humorous videos were the first to break through on Instagram's platform, receiving millions of views. From there, Brunson's wryly observant POV attracted the attention of BuzzFeed's motion picture development department, leading her to produce viral videos there about topics like interracial dating, millennial malaise, and seeing your ex in public. Now, Brunson is bringing her comedic chops to the page in *She Memes Well*, an earnest, laugh-out-loud collection about her weird road to Internet notoriety. In her debut essay collection, Quinta applies her trademark humor and heart to discuss what it was like to go from student loan debt-broke to halfway recognizable--'don't I know you somewhere?' level-of-fame. With anecdotes that range from the funny and zany--like her experience trying to find her signature hairstyle--to more grounded material about living with depression, Brunson's voice is entirely authentic and eminently readable. Perfect for fans of Phoebe Robinson's *You Can't Touch My Hair*, Samantha Irby's *We Are Never Meeting in Real Life*, and Issa Rae's *The Misadventures of Awkward Black Girl*, *She Memes Well* will charm and entertain a growing, engaged audience.

*Wet Hot American Summer* Michael Showalter, David Wain, 2018-10-09 The screenwriters behind the cult classic comedy present the definitive behind-the-scenes companion volume. With its unbelievable ensemble cast, *Wet Hot American Summer* hilariously skewered 1980s teen comedies while becoming a beloved classic in its own right. Now screenwriters David Wain and Michael Showalter have created a behind-the-scenes annotated version of the original screenplay that launched a thousand Halloween costumes. They provide commentary on how and why they made the artistic decisions they did while writing and filming the movie, as well as the Netflix series that came after.

The book also features reproduced ephemera from filming—photos, original (and scathing) reviews, AIM chat conversations, marked up script pages, and so much more. Written and curated by Wain and Showalter, this is the must-have guide to all things Wet Hot.

*This Is Not My Memoir* André Gregory, Todd London, 2020-11-17 The autobiography-of-sorts of André Gregory, an iconic figure in American theater and the star of *My Dinner with André* This is Not My Memoir tells the life story of André Gregory, iconic theatre director, writer, and actor. For the first time, Gregory shares memories from a life lived for art, including stories from the making of *My Dinner with André*. Taking on the dizzying, wondrous nature of a fever dream, This is Not My Memoir includes fantastic and fantastical stories that take the reader from wartime Paris to golden-age Hollywood, from avant-garde theaters to monasteries in India. Along the way we meet Jerzy Grotowski, Helene Weigel, Gregory Peck, Gurumayi Chidvilasananda, Wallace Shawn, and many other larger-than-life personalities. This is Not My Memoir is a collaboration between Gregory and Todd London who create a portrait of an artist confronting his later years. Here, too, are the reflections of a man who only recently learned how to love. What does it mean to create art in a world that often places little value on the process of creating it? And what does it mean to confront the process of aging when your greatest work of art may well be your own life?

*The Negro Motorist Green Book* Victor H. Green, The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Kevin Smith's Secret Stash Kevin Smith, 2021-09-14 “Being Kevin Smith is my favorite thing in the world. . . . I don’t have a job. I don’t even have a career anymore. I’m just me for a living.” Making the leap from convenience store worker to international film icon, Kevin Smith has spent over twenty-five years at the forefront of pop culture. In this hilariously candid treasure trove of artifacts and anecdotes, Kevin tells the full story of his incredible life for the first time, from his early days in Highlands, New Jersey, through to the breakout success of low-budget indie smash *Clerks* in 1994, and the series of hit films that allowed him to build his own cinematic “View Askewniverse.” • THE STORY OF KEVIN SMITH, TOLD BY KEVIN HIMSELF: Both funny and confessional, Kevin Smith’s Secret Stash sees the director hold forth on all aspects of his career, including his live shows and podcasts, plus his comics and television work, such as the hit AMC show *Comic Book Men*. • NEVER-BEFORE-SEEN TREASURES: This deluxe volume is illustrated with a wealth of rare and never-before-seen items from Kevin’s personal archives, including script pages, personal letters, and concept art from beloved movies including *Mallrats*, *Chasing Amy*, *Jay*

and Silent Bob Strike Back, Red State, Tusk, Jay and Silent Bob Reboot, and more. It also features a range of special pullout features exclusive to the book, including Kevin's application to film school and comic art from Chasing Amy. • SPECIAL CONTRIBUTORS: In addition to a foreword from Kevin's longtime collaborator and friend Jason Mewes, the book includes contributions from J. J. Abrams, Ben Affleck, Marc Bernardin, Ming Chen, Shannon Elizabeth, Walt Flanagan, Ralph Garman, Mark Hamill, Bryan Johnson, David Klein, Justin Long, Scott Mosier, Brian O'Halloran, Seth Rogen, Jennifer Schwalbach-Smith, and Harley Quinn Smith. • OWN THE ULTIMATE KEVIN SMITH TRIBUTE: Definitive, revelatory, and packed with exclusive surprises, Kevin Smith's Secret Stash is the book fans have been waiting for and a must-have for pop culture aficionados everywhere.
