Jake and the Dynamo D. G. D. Davidson, 2021-08 Jake Blatowski can't wait for high school--basketball, calculus, and a cafeteria that isn't under investigation by the health department. But he'll have to wait: A computer malfunction has assigned him to the fifth grade! It's bad enough that he bangs his knees on the desks or that Miss Percy is going over long division . . . again . . . but Jake has to sit next to Dana Volt, a perpetually surly troublemaker determined to make his life a living hell. Worse yet, Dana secretly belongs to a coalition of girls that protects humanity from the horde of deadly monsters plaguing the city--monsters that have chosen Jake as their next target! Jake's no hero; he just wants to make it to varsity tryouts. But now the impulsive and moody Dana is the only one who can save Jake from certain death--and Jake is the only one who can save Dana from herself.

And Then There Were None AGATHA CHRISTIE, 2024-02-29 First, there were ten--a curious assortment of strangers summoned as weekend guests to a little private island off the coast of Devon. Their host, an eccentric millionaire unknown to all of them, is nowhere to be found. All that the guests have in common is a wicked past they're unwilling to reveal--and a secret that will seal their fate. For each has been marked for murder. A famous nursery rhyme is framed and hung in every room of the mansion: Ten little boys went out to dine; One choked his little self and then there were nine. Nine little boys

sat up very late; One overslept himself and then there were eight. Eight little boys traveling in Devon; One said he'd stay there then there were seven. Seven little boys chopping up sticks; One chopped himself in half and then there were six. Six little boys playing with a hive; A bumblebee stung one and then there were five. Five little boys going in for law; One got in Chancery and then there were four. Four little boys going out to sea; A red herring swallowed one and then there were three. Three little boys walking in the zoo; A big bear hugged one and then there were two. Two little boys sitting in the sun; One got frizzled up and then there was one. One little boy left all alone; He went out and hanged himself and then there were none. When they realize that murders are occurring as described in the rhyme, terror mounts. One by one they fall prey. Before the weekend is out, there will be none. Who has choreographed this dastardly scheme? And who will be left to tell the tale? Only the dead are above suspicion.

Manga's Cultural Crossroads Jaqueline Berndt, Bettina Kümmerling-Meibauer, 2014-03-14 Focusing on the art and literary form of manga, this volume examines the intercultural exchanges that have shaped manga during the twentieth century and how manga's culturalization is related to its globalization. Through contributions from leading scholars in the fields of comics and Japanese culture, it describes manga culture in two ways: as a fundamentally hybrid culture comprised of both subcultures and transcultures, and as an aesthetic culture which has eluded modernist notions of art,

originality, and authorship. The latter is demonstrated in a special focus on the best-selling manga franchise, NARUTO.

The Art of Assassin's Creed Origins Paul Davies, 2017-10-31 Having taken players all the way to the gateway to the modern world in Syndicate, Assassin's Creed once again takes fans on an adventure through history. The Art of Assassin's Creed 7 collates hundreds of concept arts, including sketches, final paintings, and 3D Renders, alongside in-depth commentary from the artists and developers, representing the ultimate insight into the design processes behind the game.

A History of Lace Mrs. Bury Palliser, 1869

At risk is the delicate balance between humans and demons...Are dark days ahead for Gensokyo, or will hope come over the horizon? It's no laughing matter when the very meaning of truth is in danger!
