- 📖 **Normal Gets You Nowhere** Kelly Cutrone,Meredith Bryan,2011-05-03 nor-mal: 2 a: according with, constituting, or not deviating from a norm, rule or principle b: conforming to a type, standard, or regular pattern 4 a: of, relating to, or characterized by average intelligence or development Uh, who wants that? - 📖 **The Alphabet Versus the Goddess** Leonard Shlain,1999-09-01 This groundbreaking book proposes that the rise of alphabetic literacy reconfigured the human brain and brought about profound changes in history, religion, and gender relations. Making remarkable connections across brain function, myth, and anthropology, Dr. Shlain shows why pre-literate cultures were principally informed by holistic, right-brain modes that venerated the goddess, images, and feminine values. Writing drove cultures toward linear left-brain thinking and this shift upset the balance between men and women, initiating the decline of the feminine and ushering in patriarchal rule. Examining the cultures of the Israelites, Greeks, Christians, and Muslims, Shlain reinterprets ancient myths and parables in light of his theory. Provocative and inspiring, this book is a paradigm-shattering work that will transform your view of history and the mind.

With tenderness and incisive insight, Leavitt spotlights a woman’s unexpected journey towards her art.” —Madeline Miller, author of Circe A Best Book of the Month: Bustle * PopSugar New York Times bestselling author Caroline Leavitt writes novels that expertly explore the struggles and conflicts that people face in their search for happiness. For the characters in With or Without You, it seems at first that such happiness can come only at someone else’s expense. Stella is a nurse who has long suppressed her own needs and desires to nurture the dreams of her partner, Simon, the bass player for a rock band that has started to lose its edge. But when Stella gets unexpectedly ill and falls into a coma just as Simon is preparing to fly with his band to Los Angeles for a gig that could revive his career, Simon must learn the meaning of sacrifice, while Stella’s best friend, Libby, a doctor who treats Stella, must also make a difficult choice as the coma wears on. When Stella at last awakes from her two-month sleep, she emerges into a striking new reality where Simon and Libby have formed an intense bond, and where she discovers that she has acquired a startling artistic talent of her own: the ability to draw portraits of people in which she captures their innermost feelings and desires. Stella’s whole identity, but also her role in her relationships, has been scrambled, and she has the chance to form a new life, one she hadn’t even realized she wanted. A story of love, loyalty, loss, and resilience, With or Without You is a page-turner that asks the question, What do we owe the other people in our lives, and when does the cost become too great?
