*God's Eye: Awakening: A Labyrinth World Novel* Aleron Kong, 2020-12 From Wall Street Journal bestselling author Aleron Kong comes, Awakening, Book One of God's Eye, the long awaited second series of the Labyrinth Universe! Telos is a world at the center of the Universe. A bright jewel wrapped in a Lattice of realities. It is a world that gods and demons call home at the beginning of a new age. Remy is a newly risen deity, struggling to survive in a Battle Royale where the consequences are worse than death and last longer than

damnation. He will find that he cannot live without his tribe of worshipers. Their strength is his, and his is theirs. Other tribes want nothing more than to feast upon their flesh and consume their power. It is a deadly race of technology and power, faith and corruption, of commoners and legends. God's Eye Susan Fanetti, 2016-04-02 Loneliness is all that Brenna has ever known. She doesn't expect that she will ever even know true companionship, let alone love. People say she was born with the mark of Odin, but Brenna

feels it as a curse rather than a blessing. Those who would tell her she is favored by the Allfather are too afraid to look on her; she is apart from her people. Yet she has learned the power of her difference, and turned it to her advantage. She is a shieldmaiden, with a legendary reputation for her valor as well as for her godly gift. Vali is a giant among his people, well-liked and respected. He is of the Úlfhéðnar, a berserker, one of Odin's own elite warriors, and one of the fiercest and bravest warriors to wield an axe or spear. He is the Storm-Wolf; his strength and ferocity are his gifts from the Allfather. Fortune threw the two warriors together when they were but children. Fate brings them together again as warriors when two jarls ally for a raid into Estland. Again and again, Vali seeks Brenna out. He sees her; he sees the woman behind the whispers. More than that, he will not look away. Vali has not forgotten the debt he owes Brenna from their very first meeting, and in seeking his opportunity to repay her, he finds a lonely, beautiful woman whose quiet strength captures his heart. But the sagas do not sing of warriors who live quiet lives, or of love that does not know trial and tribulation. Favored by the gods they may be, but that does not protect Brenna and Vali from the simple and devastating hardships of their lives. Their reputations cannot help them. It is their love that must become their legend. Note: Explicit sex and violence

**Through God's Eyes** Phil Bolsta, 2014-01-21 When you feel stuck in your job or relationship . . . when all you worked for leaves you feeling empty inside . . . when fear of what is to come consumes sleepless nights . . . when love seems like an impossible choice to make . . . when the world is not large enough to contain your grief . . . when you struggle to forgive the unforgivable . . . there is one solution that brings true peace. See the world through God's eyes. Look through God's eyes and you see that you are

being guided in every moment with infinite wisdom and inexhaustible love, that life is unfolding with indescribable beauty and grace, that Spirit is gently urging you to align your will with Divine Will and be a source of love, hope, and healing energy to all who cross your path. If you have more confusion than clarity about how to live your beliefs, the ancient wisdom permeating Through God's Eyes offers the hope and promise that you can escape from the prison of human perception, welcome peace, love, and joy as the dearest of friends, and become a more positive and powerful force for good in the world. Through God's Eyes: Finding Peace and Purpose in a Troubled World is unique in two fundamental ways. First, it is the only book that presents a vast array of spiritual principles in an elegant, engaging format that shows how all these concepts interact, how to weave them together into a cohesive worldview, and how to practically apply this spiritual wisdom to daily life. Second, its inventive format alternates illuminating comments with inspiring quotes that support, build upon, and flow into each other to convey penetrating insights into the meaning and purpose of life and the vastness of human potential. TESTIMONIALS Through God's Eyes is s a superb book, a truly enlightened piece of work that is an essential read for all people who are truly devoted to the care and refinement of their soul. Phil is a contemporary mystic, a man whose life is a living commitment to spiritual service. I am honored to know him. Caroline Myss, author of Defy Gravity Regardless of how you conceive the Absolute-as God, Goddess, Allah, Universe,

or simply as a sense of cosmic beauty and order-your belief will be enriched by Through God's Eyes. This fine book is a refreshing departure from the preachy ideology of religious dogmatism. It reveals the richness, complexity, and meaning of everyday life, warts and all. Larry Dossey, MD, author of The Power of Premonitions In Through God's Eyes, Phil Bolsta has assembled a Dream Team of spiritual wisdom. The book gathers together remarkable luminaries from every tradition-and non-tradition as well-and creatively organizes them into topical categories, like panelists in separate meeting rooms at a large conference; only these wise ones are available to readers any time they are needed. And we all need them. As we make our way along the spiritual path, with all its perplexities, complexities, mysteries, and ambiguities, these trusted companions can provide reliable, timeless guidance. Philip Goldberg, author of American Veda At first glance, this monstrous 538-page book appears to be a collection of inspirational quotes from cultural icons as well as sages throughout the ages. However, as you read the book carefully, you will be pleasantly surprised to discover that it actually provides a detailed road map for your spiritual quest for a meaningful and harmonious life. Here lies the genius of Bolsta-he makes the profound look simple and his simple steps can lead to profound changes in individuals and society. Dr. Paul Wong, author of The Human Quest for Meaning One of the most important books I've ever read. An incredible compilation of spiritual wisdom and insight. It's the owner's manual God should give you

when you're born. Robert Peterson, author of *Out of Body Experiences*

*In the Blink of God's Eye (Fast Fiction)* Edward P Jones, 2011-01-28 1901. In Washington, Ruth and Aubrey take in a baby left in a tree.

*The Eye of God* James Rollins, 2013-06-25 In *The Eye of God*, a Sigma Force novel, New York Times bestselling author James Rollins delivers an apocalyptic vision of a future predicted by the distant past. In the wilds of Mongolia, a research satellite has crashed, triggering an explosive search for its valuable cargo: a code-black physics project connected to the study of dark energy—and a shocking image of the eastern seaboard of the United States in utter ruin. At the Vatican, a package arrives containing two strange artifacts: a skull scrawled with ancient Aramaic and a tome bound in human skin. DNA evidence reveals that both came from the same body: the long dead Mongol king Genghis Khan. Commander Gray Pierce and Sigma Force set out to discover a truth tied to the fall of the Roman Empire, to a mystery going back to the birth of Christianity, and to a weapon hidden for centuries that holds the fate of humanity.

Scripture and Interpretation Ariel Feldman, Liora Goldman, 2014-11-10 The discovery of the Dead Sea Scrolls more than sixty years ago has revealed a wealth of literary compositions which rework the Hebrew Bible in various ways. This genre seems to have been a popular literary form in ancient Judaism literature. However, the Qumran texts of this type are particularly interesting for they offer for the first time a large sample of such

compositions in their original languages, Hebrew and Aramaic. Since the rewritten Bible texts do not use the particular style and nomenclature specific to the literature produced by the Qumran community. Many of these texts are unknown from any other sources, and have been published only during the last two decades. They therefore became the object of intense scholarly study. However, most the attention has been directed to the longer specimens, such as the Hebrew Book of Jubilees and the Aramaic Genesis Apocryphon. The present volume addresses the less known and poorly studied pieces, a group of eleven small Hebrew texts that rework the Hebrew Bible. It provides fresh editions, translations and detailed commentaries for each one. The volume thus places these texts within the larger context of the Qumran library, aiming at completing the data about the rewritten Bible.

Seeing Cities with the Eyes of God Floyd McClung, 1991 Arguing that the cities are God's idea, and using clear biblical principles, McClung urges believers not to abandon the cities but to learn to transform them by the power of God.

**Full of Eyes** Christopher Powers, 2019-01-09 He is the radiance of the glory of God... - Hebrews 1:3 The most glorious news in all of reality is that the God for whom we--and all things--exist is communicated to his creation with definitive authority in the incarnate Son (John 1:14, 18), and with climactic finality in the revelatory redemption of the cross (John 8:28, 17:1, 5). Knowing and enjoying the One True God in the crucified and risen Jesus is the

wellspring of our love (1 John 4:19), the substance of our sanctification (2 Corinthians 3:18), and the heart of eternal life (John 17:3), and this book is an attempt to help you do just that. Full of Eyes is a daily devotional containing 100 examples of visual exegesis. Each picture is designed to help you see, savor, and sing the beauty of God in his crucified and risen Son. As the Scripture in this book illuminates the pictures so that the pictures can shine back to exegete the Scripture, may you be ever more deeply enamored with the all satisfying excellence of who God has declared himself to be for us in Jesus.
