Johnny Hiro: Half Asian, All Hero Fred Chao, 2012-07-17 Johnny Hiro, a hardworking busboy, lives in Brooklyn with his flighty but lovable girlfriend Mayumi. Every day, he struggles to make ends meet while fighting giant monsters, running over rooftops from crazed waiters, fending off businessmen-turned-samurai, or having the occasional conversation with Judge Judy, Coolio, or Alton Brown. With Fred Chao's signature style and laugh-out-loud humor, Johnny Hiro presents the quirky trials and misadventures of a modern-day hero trying to find his slice of the good life. This delightfully absurdist romp through the trials and chores of living in New York was nominated for four Eisner Awards, including for best new series, and for the Russ Manning Award. It was selected for the anthology Best American Comics 2010. Prepare to be blown away by the greatest adventure of them all: being an adult. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Terada Katsuya Sketch, 2022-01-04 A GIANT 512-page collection of Katsuya Terada's RAKUGAKI sketches and illustrations. The one and only legendary illustrator Katsuya Terada, a.k.a RAKUGAKING (The Sketch King) and well known as a pioneer who is always seeking new ideas and motifs for his drawings, has finally revealed his RAKUGAKI sketches and illustrations, long kept in his sketch book. Although most illustrations in this collection have appeared in Terada's previous international exhibitions (e.g., Giant Robot in Los Angeles), never before has any book collected so many of his RAKUGAKI. This is the best and most comprehensive collection of Katsuya Terada's pencil sketches, making it a must-have book for both his hardcore fans and also to illustrators in general.

Self Portrait in Green Marie NDiaye, 2021-02-25 'NDiaye is a hypnotic storyteller with an unflinching understanding of the rock-bottom reality of most people's life.' New York Times 'One of France's most exciting prose stylists.' The Guardian. Obsessed by her encounters with the mysterious green women, and haunted by the Garonne River, a nameless narrator seeks them out in La Roche, Paris, Marseille, and Ouagadougou. Each encounter reveals different aspects of the women; real or imagined, dead or alive, seductive or suicidal, driving the narrator deeper into her obsession, in this unsettling exploration of identity, memory and paranoia. Self Portrait in Green is the multi-prize winning, Marie NDiaye's brilliant subversion of the memoir. Written in diary entries, with lyrical prose and dreamlike imagery, we start with and return to the river, which mirrors the narrative by posing more questions than it answers.

Drawn on the Way Sarah Nisbett, 2021-12-21 Drawn on the Way features techniques, tips, and projects for creating quick, lively sketches-portraits, figures, still life, scenes, nature, and more-that capture the beauty of a fleeting moment and connect us to the world.

The Botanical Mind Gina Buenfeld, Martin Clark, 2020-12 Humanity's place in the natural order is under scrutiny as never before, held in a precarious balance between visible and invisible forces: from the microscopic threat of a virus to the monumental power of climate change. Drawing on indigenous traditions from the Amazon rainforest; alternative perspectives on Western scientific rationalism; and new thinking around plant intelligence, philosophy and cultural theory, The Botanical Mind Online investigates the significance of the plant kingdom to human life, consciousness and spirituality across cultures and through time. It positions the plant as both a universal symbol found in almost every civilisation and religion across the globe, and the most fundamental but misunderstood form of life on our planet. This new online project has been developed in response to the COVID-19 crisis and the closure of our galleries due to the pandemic. 'The Botanical Mind: Art, Mysticism and The Cosmic Tree' was originally conceived as a trans-generational group exhibition, but has been

postponed. In the meantime, we have launched this complimentary online programme of new artist commissions, podcasts, films, texts, images and audio, expanding on and enriching the ideas and issues informing the show over at botanicalmind.online ... During this period of enforced stillness, our behaviour might be seen to resonate with plants: like them we are now fixed in one place, subject to new rhythms of time, contemplation, personal growth and transformation. Millions of years ago plants chose to forego mobility in favour of a life rooted in place, embedded in a particular context or environment. The life of a plant is one of constant, sensitive response to its environment - a process of growth, problem-solving, nourishment and transformation, played out at speeds and scales very different to our own. In this moment of global crisis and change there has perhaps never been a better moment to reflect on and learn from them.--<https://camdenartcentre.org/the-botanical-mind-online/>

The Dead Eye and the Deep Blue Sea Vannak Anan Prum, 2018-08-07 Too poor to pay his pregnant wife's hospital bill, Vannak Anan Prum left his village in Cambodia to seek work in Thailand. Men who appeared to be employers on a fishing vessel promised to return him home after a few months at sea, but instead Vannak was hostaged on the vessel for four years of hard labor. Amid violence and cruelty, including frequent beheadings, Vannak survived in large part by honing his ability to tattoo his shipmates--a skill he possessed despite never having been trained in art or having had access to art supplies while growing up. As a means of escape, Vannak and a friend jumped into the water and, hugging empty fish-sauce containers because they could not swim, reached Malaysia in the dark of night. At the harbor, they were taken into a police station . . . then sold by their rescuers to work on a plantation. Vannak was kept as a laborer for over a year before an NGO could secure his return to Cambodia. After five years away, Vannak was finally reunited with his family. Vannak documented his ordeal in raw, colorful, detailed illustrations, first created because he believed that without them no one would believe his story. Indeed, very little is known about what happens to the men and boys who end up working on fishing boats in Asia, and these images are some of the first records. In regional Cambodia, many families still wait for men who have disappeared across the Thai border, and out to sea. *The Dead Eye and the Deep Blue Sea* is a testament to the lives of these many fishermen who are trapped on boats in the Indian Ocean.

One Story Gipi, 2020-07-28 Dual graphic narratives by the acclaimed Italian cartoonist demonstrate how the choices our ancestors made dramatically affect generations to come. Silvano Landi is a successful writer who, at the age of 50, sees his family leave him and his life fall apart. Landi's great-grandfather, Mauro, is an anxious soldier being fed to the maw of carnage in the First World War. Alternating between past and present, a psych ward and the bloody trenches, and told through complex clues — a lone gas station, an apathetic baroness, found love letters, and shifting from scratchy black-and-white to lush watercolors

(sometimes on the same page), One Story documents the origins of pain that serve as the roots of a twisted family tree, and allows the reader to trace the branches.

"Slowly, Slowly, Slowly," said the Sloth Eric Carle,2007-05-10 Slowly, slowly, slowly . . . that's the way the sloth moves. Slowly, it eats and then, slowly, it falls asleep. What strange kind of creature is this? the other animals wonder. Why doesn't it run or fly or play or hunt like the rest of us? Why are you so slow? the howler monkey inquires. But the sloth doesn't answer any questions until the jaguar asks, Why are you so lazy? Anyone who has ever felt too busy will appreciate the sloth's peaceful lifestyle and realize that it's okay to take time to enjoy life. Eric Carle's dazzling collage illustrations introduce readers to the exotic beauty of the Amazon rain forest and the many unusual animals living there.

Ballad for Sophie Filipe Melo,2021-11-03 A young journalist prompts a reclusive piano superstar to open up, resulting in this stunning graphic sonata exploring a lifetime of rivalry, regret, and redemption. 1933. In the small French village of Cressy-la-Valoise, a local piano contest brings together two brilliant young players: Julien Dubois, the privileged heir of a wealthy family, and François Samson, the janitor's son. One wins, one loses, and both are changed forever. 1997. In a huge mansion stained with cigarette smoke and memories, a bitter old man is shaken by the unexpected visit of an interviewer. Somewhere between reality and fantasy, Julien composes, like in a musical score, a complex and moving story about the cost of success, rivalry, redemption, and flying pianos. When all is said and done, did anyone ever truly win? And is there any music left to play?

The Comic Book Story of Beer Jonathan Hennessey,Mike Smith,Aaron McConnell,2015-09-22 A New York Times Best Seller A full-color, lushly

illustrated graphic novel that recounts the many-layered past and present of beer through dynamic pairings of pictures and meticulously researched insight into the history of the world's favorite brew. *The History of Beer Comes to Life!* We drink it. We love it. But how much do we really know about beer? Starting from around 7000 BC, beer has emerged as a major element driving humankind's development, a role it has continued to play through today's craft brewing explosion. With *The Comic Book Story of Beer*, the first-ever nonfiction graphic novel focused on this most favored beverage, you can follow along from the very beginning, as authors Jonathan Hennessey and Mike Smith team up with illustrator Aaron McConnell to present the key figures, events, and, yes, beers that shaped and frequently made history. No boring, old historical text here, McConnell's versatile art style—moving from period-accurate renderings to cartoony diagrams to historical caricatures and back—finds an equal and effective partner in the pithy, informative text of Hennessey and Smith presented in captions and word balloons on each page. The end result is a filling mixture of words and pictures sure to please the beer aficionado and comics geek alike.

Product Focused Software Process Improvement Markku Oivo, Seija Komi-Sirviö, 2003-07-01 On behalf of the PROFES organizing committee we would like to welcome you to the 4th International Conference on Product Focused Software Process Improvement (PROFES 2002) in Rovaniemi, Finland. The conference was held on the Arctic Circle in exotic Lapland under the Northern Lights just before Christmas time, when Kaamos (the polar night is known in Finnish as "Kaamos") shows its best characteristics. PROFES has established itself as one of the recognized international process improvement conferences. Despite the current economic downturn, PROFES has attracted a record number of submissions. A total of 70 full papers were submitted and the program committee had a difficult task in selecting the best papers to be presented at the conference. The main theme of PROFES is professional software process improvement (SPI) motivated by product and service quality needs. SPI is facilitated by software process assessment, software measurement, process modeling, and technology transfer. It has become a practical tool for quality software engineering and management. The conference addresses both the solutions found in practice and the relevant research results from academia.

Maids Katie Skelly,2020-10-13 The scandalous true crime story about the Papin Sisters, as told by one of comics' most stylized talents. Christine Papin, an overworked live-in maid, is reunited with her younger sister, Lea, who has also been hired by the wealthy Lancelin family. They make the estate's beds, scrub the floors, and spy on the domestic strife that routinely occurs within its walls. What starts as petty theft by the maids — who are flashing back to their tumultuous time in a convent — shortly turns into something more nefarious. Madame Lancelin's increasingly unhinged abuse ignites the sisters' toxic upbringing and social class exploitation and explodes into a ghastly double murder, an event that shocked and fascinated 1930s France and beyond. Maids has high bravura and high intrigue, all drawn in Skelly's highly stylized manner, which combines the best of pop art, manga, and Eurocomics.
