*The Camper Cookie* Summer Bourne,2016-08-05 'The Camper Cookie: Easy Recipes and Cool Tips for Your Campervan Life' is a friendly cookbook full of easy, delicious recipes that you can make in a campervan kitchen. The book also has some really helpful tips for cooking in a campervan like: how to create a capsule larder that uses the same ingredients for many meals or kitchen kit, like silicone lids, that help to make your cooking life easier. The recipes are also really good for weekday meals when you get in from work and want proper food but want something quick and simple. Summer is a passionate campervanner who also loves good food and she now blogs and writes books about the easy, home-style recipes that she creates for the campervan life. Summer and her partner, Glyn, had been camping for many years but got fed up with putting up a tent in the half-light on a Friday night or taking it down in the rain at the end of a wet weekend so decided to buy themselves a small campervan. They went to the campervan shows but realised that their very small budget would buy them barely more than a wheel there! But then they found a company that sold converted Toyota Previas for a reasonable price and their new campervan, 'Trev-the-Prev' came in to their life. Summer had Chronic Fatigue Syndrome for many years but healed herself by researching, like a maniac, everything to do with mind-body health. She realised that nutritious food is very important to staying well and happy but found that it was not so easy to cook good food in the limited kitchen that you get in a small campervan. So she started to search for and develop easy real-food recipes that they could cook when they were out having adventures. She loves to share her recipes so she started up a blog ([www.thecampercookie.com](http://www.thecampercookie.com)) and also writes recipe books for campervan cooking. She also demonstrates her recipes on YouTube and at shows.

**Collision Course** Hans Greimel,William Sposato,2021-06-22 Named one of the Best Business Books of 2021 by The Wall Street Journal In Japan it's called the Ghosn Shock—the stunning arrest of Carlos Ghosn, the jet-setting CEO who saved Nissan and made it part of a global automotive empire. Even more shocking was his daring escape from Japan, packed into a box and put on a private jet to Lebanon after months spent in a Japanese detention center, subsisting on rice gruel. This is the saga of what led to the Ghosn Shock and what was left in its wake. Ghosn spent two decades building a colossal partnership between Nissan and Renault that looked like a new model for a global business, but the alliance's shiny image fronted an unsteady, tense operation. Culture clashes, infighting among executives and engineers, dueling corporate traditions, and government maneuvering constantly threatened the venture. Journalists Hans Greimel and William Sposato have followed the story up close, with access to key players, including Ghosn himself. Veteran Tokyo-based reporters, they have witnessed the end of Japan's bubble economy and attempts at opening Japan Inc. to the world. They've seen the fraying of keiretsu, Japan's traditional skein of business relationships, and covered numerous corporate scandals, of which the Ghosn Shock and Ghosn's subsequent escape stand above all. Expertly reported, Collision Course explores the complex suspicions around what and who was really responsible for Ghosn's ouster and why one of the top executives in the world would risk everything to escape the country. It explains how economics, history, national interests, cultural politics, and hubris collided, crumpling the legacy of arguably the most important foreign businessman ever to set foot in Japan. This gripping, unforgettable narrative, full of fascinating characters, serves as part cautionary tale, part object lesson, and part forewarning of the increasing complexity of doing global business in a nationalistic world.

Karpal Singh, Tiger of Jelutong: The Full Biography Tim Donoghue,2014-07-15 Karpal Singh is widely regarded as Malaysia’s best criminal and constitutional lawyer. His sudden death on 17 April 2014 in a horrific car accident – just a month after he was convicted of sedition in the High Court – shocked and saddened Malaysians to the core and left a deep void in the country’s legal and political landscape. Karpal was a fearless advocate for justice and a defender of human rights in South East Asia, and has appeared in the Privy Council in London on a number of occasions before such appeals were abandoned by Malaysia. He is renowned for his defence of many people from many nations who have faced the death penalty under Malaysia's Dangerous Drugs Act. In recent years, one of his biggest achievements was his successful defence of former Deputy Prime Minister Anwar Ibrahim on two charges of sodomy in 2012. On the night he died, Karpal was still fighting for Anwar, who had been convicted once again of sodomy, and seeking to reassure him. He told the Opposition leader in a telephone call he would do his best in the prosecution’s ‘fast-tracked’ Federal Court of Appeal. Indeed Karpal had Anwar’s files with him in his vehicle when the fateful crash occurred. In this revised and updated edition, veteran journalist Tim Donoghue completes the biography of Malaysia’s tenacious and principled lawyer-politician
