Supercell's Supercell Featuring Hatsune Miku Keisuke Yamada,2017-08-10 The lead singer on Supercell's eponymous first album is Hatsune Miku-a Vocaloid character created by Crypton Future Media with voice synthesizers. A virtual superstar, over 100,000 songs, uploaded mostly by fans, are attributed to her. Supercell is a Japanese creator music group with the composer Ryo leading ten artists, who design album illustrations and make music videos. These videos are uploaded onto Niconico and other video-sharing sites. By the time Supercell was released in March 2009, the group's Vocaloid works were already well-known to Niconico users and fans. This book explores the Vocaloid and DTM (desktop music) phenomena through the lenses of media and fan studies, looking closely at online social media platforms, the new technology for composing, avid fans of the Vocaloid character, and these fans' performative practices. It provides a sense of how interactive new media and an empowered fan base combine to engage in the creation processes and enhance the circulation of DTM works. 33 1/3 Global, a series related to but independent from 33 1/3, takes the format of the original series of short, music-based books and brings the focus to music throughout the world. With initial volumes focusing on Japanese and Brazilian music, the series will also include volumes on the popular music of Australia/Oceania, Europe, Africa, the Middle East, and more.

Votes, Party Systems and Democracy in Asia Jungug Choi,2012-04-27 This book looks at the link between voters and political party systems in Asian democracies, focusing on India, Indonesia, Korea and the Philippines. It discusses this link in terms of three distinct elements: the formation of voters preferences, the translation of preferences into votes, and the translation of votes into seats. The book goes on to discuss how far the general rules of political party systems and their underlying causal mechanisms such as strategic voting are apparent in these Asian democracies. In particular, it

explores the extent to which electoral rules and social structural variables affect the process of transforming preferences into a political party system within the context of Asian politics. The extensive areas covered by the book overcome the traditional sub-regional division of Asia, namely, East, Southeast and South Asia.

Regrets, None Dolly Thakore, 2021-09-05 Written with wit, humour and candour, Regrets, None

is a rare memoir that is unafraid to bare it all. It follows veteran theatre personality Dolly Thakore's life and career -- growing up in Delhi and an assortment of Air Force stations, getting her start in theatre in college, her time in London, involvement with social issues, casting for Gandhi and filming it across India, working in radio, television and advertising while returning always to her first love, theatre. Dolly Thakore brings alive another era -- the glitz, the glamour, the struggles. She speaks candidly about love, sex, infidelity, motherhood, commitment, the ecstasy and the heartbreaks. She emerges as a true-blooded embodiment of what it means to be a strong, empowered, vulnerable, courageous (and sometimes outrageous) woman.
