Titan #1: Taking Wing Michael A. Martin, Andy Mangels, 2005-04-01 William Riker, former first officer of the USS Enterprise in Star Trek: The Next Generation, takes command of the new USS Titan in this white-knuckled adventure perfect for longtime and new Star Trek fans. After almost a decade of strife against foes such as the Borg, the Cardassians, the Klingons, and the Dominion, the United Federation of Planets is at the dawn of a new era. Starfleet is renewing its mission of peaceful exploration, diplomacy, and the expansion of knowledge. Among the starships spearheading that endeavor is the USS Titan, commanded by Captain William T. Riker and manned by the most biologically varied and culturally

diverse crew in Starfleet history. But their mission does not begin according to plan. In the wake of Star Trek: Nemesis, Praetor Shinzon, slayer of the Romulan Senate, is dead. The power vacuum created by his demise has put the Romulan Star Empire, longtime adversary of the Federation, at the brink of civil war. Competing factions now vie for control of their fragmenting civilization, and if the empire should fall, that entire area of the galaxy may destabilize. To restore order to the region, Titan's long-anticipated mission of exploration is delayed as Starfleet assigns Riker to set up power-sharing talks among the Romulan factions. But even as the first tentative steps are taken toward building a new Romulus, the remnants of the Tal Shiar, the dreaded Romulan intelligence service, are regrouping behind the scenes for a power play of their own. With no other help available, Riker and the Titan crew become the last hope to prevent the quadrant from falling into chaos.

Star Trek: Destiny #1: Gods of Night David Mack, 2008-09-30 The first novel in an epic crossover trilogy uniting characters from every corner of the Star Trek universe, revealing the shocking origin and final fate of the Federation's most dangerous enemy—the Borg. Half a decade after the Dominion War and more than a year after the rise and fall of Praetor Shinzon, the galaxy's greatest scourge returns to wreak havoc upon the Federation—and this time its goal is nothing less than total annihilation. Elsewhere, deep in the Gamma Quadrant, an ancient mystery is solved. One of Earth's first generation of starships, lost for centuries, has been found dead and empty on a desolate planet. But its discovery so far from home has raised disturbing questions, and the answers harken back to a struggle for survival that once tested a captain and her crew to the limits of their humanity. From that terrifying flashpoint begins an apocalyptic odyssey

that will reach across time and space to reveal the past, define the future, and show three captains—Jean-Luc Picard of the U.S.S. Enterprise, TM William Riker of the U.S.S. Titan, and Ezri Dax of the U.S.S. Aventine—that some destinies are inescapable.

A Star Trek: The Next Generation: Time #8: A Time to Heal David Mack, 2004-09-17 On the cusp of their epic battle with Shinzon, many of Captain Jean-Luc Picard's long-time crew were heading for new assignments and new challenges. Among the changes were William Riker's promotion to captain and his new command, Riker's marriage to Counselor Deanna Troi, and Dr. Beverly Crusher's new career at Starfleet Medical. But the story of what set them on a path away from the Starship Enterprise™ has never been told. UNTIL NOW. A cataclysmic war between the Federation and the Klingon Empire has been

miraculously averted, and a new government is finally in place on the planet Tezwa. But deadly secrets still threaten the fragile peace accord. Rebels still loyal to the old Tezwa regime have captured Commander Riker and are willing to kill to achieve their goals...the Orion Syndicate is interfering in the rebuilding -- and may also be involved in much more than that. But the most devastating revelation of all threatens the very foundations of the Federation itself -- leaving Captain Picard to possibly face the very conflict that he labored so hard to prevent....

Imzadi Peter David, 2012-12-11 Years before they served together on board the U.S.S. Enterprise™, Commander William Riker and ship's counselor Deanna Troi had a tempestuous love affair on her home planet of Betazed. Now, their passions have cooled and they serve together as friends. Yet the memories of that time linger and Riker and Troi remain Imzadi- a powerful Betazoid term that describes the enduring bond they still share. During delicate negotiations with an aggressive race called the Sindareen Deanna Troi mysteriously falls ill and dies. But her death is only the beginning of the adventure for Commander Riker, an adventure that will take him across time, pit him against one of his closest friends, and force him to choose between Starfleet's strictest rule and the one he calls Imzadi.

The Weaver's Studio: Doubleweave Jennifer Moore, 2013-02-15 Doubleweave is the art of weaving two layers of cloth at the same time, one above the other on the loom, creating beautiful cloth that is reversible yet unique on each side. The Weaver's Studio: Doubleweave begins with a brief history of doubleweave and how it has evolved into the contemporary weaving pieces seen today. Next, you will

learn all the basics of doubleweave techniques, as well as tips and tricks of setting up the warp, and a variety of doubleweave specialty techniques all shown through detailed process photography and a wealth of swatches demonstrating different effects. Specialty techniques are shown for 4-shaft and 8-shaft looms. The weaving effects covered include lace, tubular weave, pick-up, color mixing, and more. And since doubleweave showcases color and pattern in unique ways, you will learn how to use these to great effect in your cloth designs. Throughout the book, you will find a wealth of inspiration with many examples of finished cloth and projects, from wall hangings and table runners to scarves and pillows.

The Two-front War Peter David,Peter Allen David,1997 Captain Calhoun and the crew of the U.S.S. Excalibur are on Thallon when their sensors detect strange vibrations coming from beneath the surface of the planet.

Q-Squared Peter David,1995-08-01 In all of his travels Captain Jean-Luc Picard has never faced an

opponent more powerful than Q, a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise™. In the years since, Q has returned again and again to harass Picard and his crew. Sometimes dangerous, sometimes merely obnoxious, Q has always been mysterious and seemingly all-powerful. But this time, when Q appears, he comes to Picard for help. Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum. This renegade Q is named Trelane -- also known as the Squire of Gothos, who Captain Kirk and his crew first encountered over one hundred years ago. Q explains that, armed with this incredible power, Trelane has become unspeakably dangerous. Now Picard must get involved in an awesome struggle between super beings. And this time the stakes are not just Picard's ship, or the galaxy, or even the universe -- this time the stakes are all of creation...

War Photographs Taken on the Battlefields of the Civil War Mathew B. Brady,Alexander Gardner,2013-06-01 Fought over the course of four years, the Civil War pitted countrymen against countrymen, North versus South, friend against friend, and brother against brother. The photographs within these pages document the war that united America as one. These rare shots were taken in the middle of the battlefield during the earliest days of photography. Selected from a collection of seven thousand original negatives, these historic photos capture nearly every aspect of Civil War life. Among these photos are images of camps sprawling across acres, soldiers at their battlements, firing of heavy artillery, the aftermath of battle, and the terror that these young men faced. See first-hand of Union and Confederate officers strategizing their next moves, and Abraham Lincoln addressing his Union commanders. Originally released from the private collection of Edward Bailey Eaton in 1907, this edition is a must have for any Civil War buff or historian. No collection can be considered complete without these photographs by Matthew Brady and Alexander Gardner, as well as the meticulous passages that put the images in illuminating context.
