K-ON!, Vol. 4 kakifly,2014-02-18 As the second school term begins, so do preparations for the upcoming school festival! The Pop Music Club starts working on some fresh lyrics as they tune up their act for their live show. But the third-year girls find themselves practicing for a performance of another kind when Ritsu and Mio are selected to play the lead roles in their class production of Romeo and Juliet! With the rest of the girls tied up in play rehearsal, Azusa spends her afternoons alone in the clubroom...Will the show be ready to go on?!

K-ON!, Vol. 1 kakifly,2014-02-18 When their high school's pop-music club is about to be disbanded due to lack of interest, four girls step up to fill the membership quota. Unfortunately, lead guitarist Yui Hirasawa has never played an instrument in her life. Ever. And although she likes the idea of being in a band, standing in front of the mirror posing with her guitar is a lot easier than actually playing it. It's gonna be a while before this motley crew is rocking out, but with their spunk and determination cranked to 11, anything is possible!

K-ON! College kakifly,2014-02-18 Yui, Mio, Ritsu, and Tsumugi embark on their college adventures! It will take some time for the girls to get used to life away from their families and adjust to the pace of college life, but there's one aspect of their new situation that there's no uncertainty about-joining the pop music club! But they aren't the only high school band making their debut on the college scene. Is Afterschool Tea Time ready to perform alongside the hard-rocking rhythms of The Girlz?!

K-ON!, Vol. 2 kakifly,2014-02-18 It's been almost a year since the girls of the pop-music club started jamming together, but the start of the new year is no time to look back on their journey - it's time to recruit new members! Despite their inexperience, the girls' passionate performance at the entrance ceremony impresses first-year Azusa, a budding guitar player who can't wait to join. But she didn't expect there to be so much tea drinking in the pop-music club. Or cosplaying...When do they get around to making music?!

Chainsaw Man, Vol. 1 Tatsuki Fujimoto,2020-10-06 Denji's a poor young man who'll do anything for money, even hunting down devils with his pet devil Pochita. He's a simple man with simple dreams, drowning under a mountain of debt. But his sad life gets turned upside down one day when he's betrayed by someone he trusts. Now with the power of a devil inside him, Denji's become a whole new man-Chainsaw Man! -- VIZ Media

K-ON!, Vol. 3 kakifly,2014-02-18 As the dawn breaks on a new year, Azusa decides it's time for the girls of the Pop Music Club to tuck away their tea and cakes. Pick up their instruments! And bring the rock 'n' roll with another performance! But even though Afterschool Tea Time is starting to sound like a real band, Mio's stage fright is going to make any live show tricky. What better way to cure shyness than with a part-time job?! At a maid café?!

K-ON! High School kakifly,2014-02-18 As the only member of the pop music club not to graduate, the responsibility of recruiting new members has fallen to Azusa. Ui and Jun have agreed to help out their friend, but they might be more interested in having actual afterschool teatime than making music. Even when Azusa secures the necessary four members to keep the club alive, the lack of musical experience (and musical instruments) is going

to be a challenge! Will the high school pop music club survive to take the stage once more?!

The Gibson Les Paul Dave Hunter, 2014-06-15 The Gibson Les Paul is possibly the electric guitar most associated with rock 'n' roll. The result of a collaboration between Gibson's Ted McCarty and jazz guitarist Les Paul in response to the success of Fender's Telecaster, the Les Paul has gone on to become a prized instrument played by most of the greatest guitarists in rock history. This massive illustrated history of the guitar examines its prehistory and origins as well as its evolution in the 60-plus years since its 1952 introduction. In addition to the Standards and Customs guitarists admire so much, author Dave Hunter also gives ample coverage to variations like Les Paul Juniors, Melody Makers, and SGs. And to bring the music to life, there are profiles of players well known for using Les Pauls and their offspring through the years, including Hubert Sumlin, Carl Perkins, Eric Clapton, Mike Bloomfield, Peter Green, Paul Kossoff, Jimmy Page, Neil Young, Peter Dinklage, Keith Richards, Bill F Gibbons, Bob Marley, Mick Ronson, Steve Jones, Johnny Thunders, Angus Young, and more. Illustrated throughout with studio photography of the guitars, candid and performance photography of the artists, and relevant memorabilia, this book is perfect for music lovers and guitar enthusiasts.

Their goals justify all means, even when it comes to their own agents. Sin is the Agency's most efficient killer. His fighting skills and talent at assassination have led to him being described as a living weapon. However, he is also known to go off on unauthorized killing sprees, and his assigned partners have all wound up dead. Boyd is not afraid to die. When his mother, a high-ranking Agency official, volunteers him to be Sin's newest partner, he does not refuse. In fact, his life has been such an endless cycle of apathy and despair that he'd welcome death. In the newly revised Director's Cut of Evenfall, the first volume follows these two cast-offs as they go from strangers to partners who can only rely on each other while avoiding death, imprisonment, and dehumanization by the Agency that employs them.
