Fox 8 George Saunders,2013-04-09 From the #1 New York Times bestselling author of Lincoln in the Bardo, a darkly comic short story about the unintended consequences unleashed by our quest to tame the natural world—featuring gorgeous black-and-white illustrations by Chelsea Cardinal. Fox 8 has always been known as the daydreamer in his pack, the one his fellow foxes regard with a knowing snort and a roll of the eyes. That is, until he develops a unique skill: He teaches himself to speak “Yuman” by hiding in the bushes outside a house and listening to children’s bedtime stories. The power of language fuels his abundant curiosity about people—even after “danjer” arrives in the form of a new shopping mall that cuts off his food supply, sending Fox 8 on a harrowing quest to help save his pack. Told with his distinctive blend of humor and pathos, Fox 8 showcases the extraordinary imaginative talents of George Saunders, whom The New York Times called “the writer for our time.”

**Liberation Day** George Saunders, 2023-10-10 NEW YORK TIMES BESTSELLER • “One of our most inventive purveyors of the form returns with pitch-perfect, genre-bending stories that stare into the abyss of our national character. . . . An exquisite work from a writer whose reach is galactic.”—Oprah Daily Booker Prize winner George Saunders returns with his first collection of short stories since the New York Times bestseller *Tenth of December*. ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, The New Yorker, Oprah Daily, NPR, Time, USA Today, The Guardian, Esquire, Kirkus Reviews, Booklist, Library Journal The “best short-story writer in English” (Time) is back with a masterful collection that explores ideas of power, ethics, and justice and cuts to the very heart of what it means to live in community with our fellow humans. With his trademark prose—wickedly funny, unsentimental, and exquisitely tuned—Saunders continues to challenge and surprise: Here is a collection of prismatic, resonant stories that encompass joy and despair, oppression and revolution, bizarre fantasy and brutal reality. “Love Letter” is a tender missive from grandfather to grandson, in the midst of a dystopian political situation in the (not too distant, all too believable) future, that reminds us of our obligations to our ideals, ourselves, and one another. “Ghoul” is set in a Hell-themed section of an underground amusement park in Colorado and follows the exploits of a lonely, morally complex character named Brian, who comes to question everything he takes for granted about his reality. In “Mother’s Day,” two women who loved the same man come to an existential reckoning in the middle of a hailstorm. In “Elliott Spencer,” our eighty-nine-year-old protagonist finds himself brainwashed, his memory “scraped”—a victim of a scheme in which poor, vulnerable people are reprogrammed and deployed as political protesters. And “My House”—in a mere seven pages—comes to terms with the haunting nature of unfulfilled dreams and the inevitability of decay. Together, these nine subversive, profound, and essential stories coalesce into a case for viewing the world with the same generosity and clear-eyed attention Saunders does, even in the most absurd of circumstances.

**American Heroes** Oliver North, 2013-11-05 From the New York Times bestselling author of *Heroes Proved*, a moving collection of “straightforward, honest testimonials to the courage American troops display on and off the battlefield” (Kirkus Reviews). For more than a dozen years, combat-decorated Marine Oliver North and his award-winning documentary team from FOX News Channel’s War Stories traveled to the frontlines of the War on Terror to profile the dedicated men and women who serve our nation. This time, he follows them from the battlefield to the homefront and finds extraordinary inspiration in their triumph over life-altering adversity. In this new volume of his New York Times bestselling American Heroes series, North describes the courage, commitment, and strength of those who serve—and those who love them. The term “selfless devotion” may be a cliché to many—but not to the men and women on the pages of this book. Their stories resound with bravery, a warrior ethos, and spiritual strength that will encourage us all. Heroes are people who knowingly place themselves at risk for the benefit of others. Since the terror attack of 9-11-01, more than 2 million young Americans have volunteered to serve in difficult and dangerous places. No military force in history has been asked to do more than those who have served and sacrificed in this long fight. They are American heroes. So too are their loved ones here at home. These are their stories.

**Skinny Liver** Kristin Kirkpatrick, Ibrahim Hanouneh, 2017-01-24 Based on the latest research, *Skinny Liver* is an authoritative, easy-to-follow guide not just for your liver, but for your whole body. The liver is the seat of our overall health and wellness and the health of nearly every organ is intimately connected with our liver. A healthy liver is essential to a fully functioning body, but our modern sedentary lifestyle and unhealthy eating habits can truly damage the liver--and damage our health overall. A silent health crisis is impacting one-third of the American population---nonalcoholic fatty liver disease (NAFLD). Because its symptoms often don't manifest until the liver is seriously compromised, many people are not aware that they are at risk. Did you know that if you have fatty liver disease, you are more likely to develop cardiovascular disease (heart attack and stroke), and potentially several devastating conditions such as liver cirrhosis and liver cancer? Did you know that fat is as dangerous as alcohol to the liver? Award-winning dietitian Kristin Kirkpatrick and hepatologist Dr. Ibrahim Hanouneh have teamed up for a life-changing program that will help you achieve optimal health. *Skinny Liver's* four-week program shares the steps you can take to get your liver health back on track, with everything from exercise to healthy eating and other lifestyle changes--along with delicious liver-friendly recipes.

**Black Males Matter** Cherrel Miller Dyce, Julius Davis, Shadonna Gunn, 2021-04-01 A major premise of the book is that teachers, school leaders, and school support staff are not taught how to create school and classroom environments to support the academic and social success of Black male students. The purpose of this book is to help champion a paradigmatic shift in educating Black males. This book aims to provide an asset and solution-based framework that connects the educational system with community cultural wealth and educational outcomes. The text will be a sourcebook for in-service and pre-service teachers, administrators, district leaders, and school support staff to utilize in their quest to increase academic and social success for their Black male students. Adopting a strengths-based epistemological stance, this book will provide concerned constituencies with a framework from which to engage and produce success.

**Across the River** Kent Babb,2021-08-10 On the west bank of the Mississippi lies the New Orleans neighborhood of Algiers. Short on hope but big on dreams, its mostly poor and marginalized residents find joy on Friday nights when the Cougars of Edna Karr High School take the field. For years, this football program has brought glory to Algiers, winning three consecutive state championships and sending dozens of young men to college on football scholarships. Although he is preparing for a fourth title, head coach Brice Brown is focused on something else: keeping his players alive. An epidemic of gun violence plagues New Orleans and its surrounding communities and has claimed many innocent lives, including Brown's former star quarterback, Tollette "Tonka" George, shot near a local gas station. In *Across the River*, award-winning sports journalist Kent Babb follows the Karr football team through its 2019 season as Brown and his team—perhaps the scrappiest and most rebellious group in the program's history—vie to again succeed on and off the field. What is sure to be a classic work of sports journalism, *Across the River* is a necessary investigation into the serious realities of young athletes in struggling neighborhoods: gentrification, eviction, mental health issues, the drug trade, and gun violence. It offers a rich and unflinching portrait of a coach, his players, and the West Bank, a community where it's difficult—but not impossible—to rise above the chaos, discover purpose, and find a way out.

**Cured** Jeffrey Rediger, M.D.,2020-02-04 When it comes to disease, who beats the odds — and why? When it comes to spontaneous healing, skepticism abounds. Doctors are taught that "miraculous" recoveries are flukes, and as a result they don't study those cases or take them into account when treating patients. Enter Dr. Jeff Rediger, who has spent over 15 years studying spontaneous healing, pioneering the use of scientific tools to investigate recoveries from incurable illnesses. Dr. Rediger's research has taken him from America's top hospitals to healing centers around the world—and along the way he's uncovered insights into why some people beat the odds. In *Cured*, Dr. Rediger digs down to the root causes of illness, showing how to create an environment that sets the stage for healing. He reveals the patterns behind healing and lays out the physical and mental principles associated with recovery: first, we need to physically heal our diet and our immune systems. Next, we need to mentally heal our stress response and our identities. Through rigorous research, Dr. Rediger shows that much of our physical reality is created in our minds. Our perception changes our experience, even to the point of changing our physical bodies—and thus the healing of our identity may be our greatest tool to recovery. Ultimately, miracles only contradict what we know of nature at this point in time. *Cured* leads the way in explaining the science behind these miracles, and provides a first-of-its-kind guidebook to both healing and preventing disease.

**The Woman with the Oil** Jazmin Bailey,2018-12

**The Very Persistent Gappers of Frip** George Saunders,2015-11-24 From the bestselling author of *Tenth of December* comes a splendid new edition of his acclaimed collaboration with the illustrator behind *The Stinky Cheese Man* and *James and the Giant Peach*! Featuring fifty-two haunting and hilarious images, *The Very Persistent Gappers of Frip* is a modern fable for people of all ages that touches on the power of kindness, generosity, compassion, and community. In the seaside village of Frip live three families: the Romos, the Ronsens, and a little girl named Capable and her father. The economy of Frip is based solely on goat's milk, and this is a problem because the village is plagued by gappers: bright orange, many-eyed creatures the size of softballs that love to attach themselves to goats. When a gapper gets near a goat, it lets out a high-pitched shriek of joy that puts the goats off giving milk, which means that every few hours the children of Frip have to go outside, brush the gappers off their goats, and toss them into the sea. The gappers have always been everyone's problem, until one day they get a little smarter, and instead of spreading out, they gang up: on Capable's goats. Free at last of the tyranny of the gappers, will her neighbors rally to help her? Or will they turn their backs, forcing Capable to bear the misfortune alone? Featuring fifty-two haunting and hilarious illustrations by Lane Smith and a brilliant story by George Saunders that explores universal themes of community and kindness, *The Very Persistent Gappers of Frip* is a rich and resonant story for those that have all and those that have not. Praise for *The Very Persistent Gappers of Frip* "In a perfect world, every child would own a copy of this profound, funny fable. . . . Every adult would own a copy too, and would marvel at how this smart, subversive little book is even deeper and more hilarious than any child could know."—*Entertainment Weekly* "Saunders's idiosyncratic voice makes an almost perfect accompaniment to children's book illustrator Smith's heightened characterizations and slightly surreal backdrops."—*Publishers Weekly* "A riveting, funny, and sly new fairy tale."—*Miami Herald*

**Running with Sherman** Christopher McDougall,2020-07-28 From the bestselling author of *Born to Run*, a heartwarming story about training a rescue donkey to run one of the most challenging races in America, and, in the process, discovering the life-changing power of the human-animal connection. A delight, full of heart and hijinks and humor. —John Grogan, author of *Marley & Me: Life and Love with the World's Worst Dog* When Christopher McDougall decided to adopt a donkey in dire straits, he had no idea what he was getting himself into. But with the help of his neighbors, Chris came up with a crazy idea. Burro racing, a unique type of competition in which humans and donkeys run side by side over mountains and through streams, would be exactly the challenge Sherman and Chris needed. In the course of Sherman's training, Chris would enlist Amish running clubs, high-spirited goats, the service animal community, and two Sarah Palin-loving long-distance female truckers. Sherman's heartwarming story of overcoming all odds to run one of the most unbelievable races in America shows the healing power of movement and the strength of the human-animal connection.
