Overlord, Vol. 3 (manga) Kugane Maruyama,Satoshi Oshio,2016-12-20 Posing as an adventurer in order to gather information about the world he's found himself in, Ainz ventures forth into the city, posing as an adventurer in order to gather information about the world he's found himself in. Finding work was easy enough, but when it leads to a plot that will devastate the city, he's forced to take action--and will his powers be enough against the terrifying warrior Clementine?

Black Sun Rising C.S. Friedman,1992-09-01 Over a millennium ago, Erna, a seismically active yet beautiful world was settled by colonists from far-distant Earth. But the seemingly habitable planet was fraught with perils no one could have foretold. The colonists found themselves caught in a desperate battle for survival against the fae, a terrifying natural force with the power to prey upon the human mind itself, drawing forth a person's worst nightmare images or most treasured dreams and indiscriminately giving them life. Twelve centuries after fate first stranded the colonists on Erna, mankind has achieved an uneasy stalemate, and human sorcerers manipulate the fae for their own profit, little realizing that demonic forces which feed upon such efforts are rapidly gaining in strength. Now, as the hordes of the dark fae multiply, four people—Priest, Adept, Apprentice, and Sorcerer—are about to be drawn inexorably together for a mission which will force them to confront an evil beyond their imagining, in a conflict which will put not only their own lives but the very fate of humankind in jeopardy.

Inventing English Seth Lerer,2015-08-25 A history of English from the age of Beowulf to the rap of Eminem, “written with real authority, enthusiasm and love for our unruly and exquisite language” (The Washington Post). Many have written about the evolution of grammar, pronunciation, and vocabulary, but only Seth Lerer situates these developments within the larger history of English, America, and literature. This edition of his “remarkable linguistic investigation” (Booklist) features a new chapter on the influence of biblical translation and an epilogue on the relationship of English speech to writing. A unique blend of historical and personal narrative, both “erudite and accessible” (The Globe and Mail), *Inventing English* is the surprising tale of a language that is as dynamic as the people to whom it belongs. “Lerer is not just a scholar; he's also a fan of English—his passion is evident on every page of this examination of how our language came to sound—and look—as it does and how words came to have their current meanings...the book percolates with creative energy and will please anyone intrigued by how our richly variegated language came to be.”—Publishers Weekly (starred review)
