Journeys North Barney Scout Mann, 2020-08-01 2020 Banff Mountain Book Competition Finalist in Adventure Travel In Journeys North, legendary trail angel, thru hiker, and former PCTA board member Barney Scout Mann spins a compelling tale of six hikers on the Pacific Crest Trail in 2007 as they walk from Mexico to Canada. This ensemble story unfolds as these half-dozen hikers--including Barney and his wife, Sandy--trode north, slowly forming relationships and revealing their deepest secrets and aspirations. They face a once-in-a-generation drought and early severe winter storms that test their will in this bare-knuckled adventure. In fact, only a third of all the hikers who set out on the trail that year would finish. As the group approaches Canada, a storm rages. How will these very different hikers, ranging in age, gender, and background, respond to the hardship and suffering ahead of them? Can they all make the final 60-mile push through freezing temperatures, sleet, and snow, or will some reach their breaking point? Journeys North is a story of grit, compassion, and the relationships people forge when they strive toward a common goal.

The Pacific Crest Trail, 2019-04-16 This pocket-sized gift and souvenir photo book captures the beauty of America's quintessential wilderness hiking trail. From desert California to the Washington-Canada border, the compelling photography of Bart Smith brings the entire 2,650-mile trail to life. This beautifully illustrated book, officially published with the Pacific Crest Trail Association in a pocket-sized gift and souvenir format, highlights this legendary footpath with more than 170 spectacular contemporary images taken by the foremost hiking photographer in America. Readers can experience the trail as if their boots were on the path--passing by the trail blazes, taking in the surrounding wilderness at scenic overlooks, meeting other hikers at lean-tos or shelters, and freezing at the sight of bear, elk, or other majestic wildlife. Designated as one of the first two national scenic trails in 1968, the Pacific Crest Trail is a continuous footpath of more than 2,650 miles--from the Mexican to the Canadian border. It is often called the wilderness trail because roughly half of it runs through federal wilderness--25 national forests, six national parks, five state parks, three national monuments, and 48 federal wilderness areas. The trail symbolizes everything there is to love--and protect--in the western United States. This book is perfect for anyone interested in conservation, outdoor recreation, or American history, or for those who dream of one day becoming thru-hikers themselves.

Jan Gösta Waldenström and His World Frank Wollheim, 2023-09-14 Jan Waldenström (1906-1996) was the leading Swedish internist of the twentieth century. The first chapter of the book presents his remarkable family including five generations of physicians. Born in Stockholm, we follow JW to medical school at Uppsala University during 1924-33. In 1934-5, he spent a year in the laboratory of Nobel Laureate Hans Fischer in Munich. In 1937, he defended a landmark thesis on acute intermittent porphyria. As "Docent" (assistant professor) in Uppsala, he discovered two new diseases in 1943. In 1944-5, he spent 7 months in the US commissioned by the Swedish Health Board. This started friendships with leading colleagues and scientists. With time, JW fostered a worldwide network of contacts and became a most influential international star. But this was just the beginning. The book follows Waldenström's remarkable career including his description of chronic active hepatitis as a new disease, his introduction of nuclear medicine in Sweden, his pioneering of the concept of poly- and monoclonal gammopathies, and many more highly significant achievements. His legacy is emphasized by Waldenström lectures, Waldenström Prizes, and by the International Waldenström's Macroglobulinemia Foundation, IWMF, and the Bing Center for Waldenström's macroglobulinemia at the Dana Farber Institute of Cancer Institute of the Harvard University in Boston. And now, not least, by this comprehensive biography.

Compendium of GST FORMS and relevant Notifications issued from June 2017 upto October 2020 Jaimini Narayan Khurjekar, Kaza Subrahmanyam, 2020-12-30 This book basically consist of compilation of all GST FORMS prescribed

under CGST Act, 2017/CGST Rules, 2017 and compilation of relevant provisions of CGST Act 2017 and CGST Rules 2017 [as amended till 31.10.2020] together with all Notifications, Circulars, Orders issued during 01.07.2017 to 31.10.2020. Government has issued more than 400 Notifications and more than 100 Circulars and Orders during last three years, which are relevant to the subject matter of this book, and these references are difficult to view at one place chronologically, when needed for tracking of Compliances of GST provisions as governed by the various GST FORMS. This eBook is aimed at mitigating such difficulty, by arranging all those Notifications, Circulars, provisions of Act and Rules chronologically, at one place, subject wise, so that it becomes easy reference for reader to access and view them, when needed, instantly. Accordingly, we have created 19 groups of FORMS and all the provisions of Act and Rules and Notifications, Circulars, Orders have been placed below each Group for easy reference. Apart from these 19 groups few more groups have been created for Compilation of Late fee and interest waiver notifications, compilation of provisions of newly inserted Section 168A in CGST Act, 2017 and notifications and circulars issued thereunder. We have also compiled all other allied GST acts for ready reference. With the introduction of Central Goods and Services Tax Act, the Government decided to move towards IT based implementation of GST Law across India. More than 180 different FORMS have been introduced under this legislation for monitoring the Compliances and most of these forms are mandatorily required to be filed Electronically. As on date more than 150 Forms are already available on GSTN Portal for Taxpayers as well as Tax Authorities. On this background, these Forms assume extreme importance when it comes to implementation of the GST Law and therefore this book will be handy for Business / Industry / Trade as well as Government and Statutory Auditors while tracking the Compliance for past three years. We are hopeful that this Compilation will be useful for all stakeholders. We propose to update this book periodically and we are open for any suggestion from stakeholders. Disclaimer Utmost care has been taken to download and reproduce and compile these notifications, Forms, Circulars, Orders, GST flyers from CBIC.gov.in official website, however for any reference of the provisions of Act, Rules, Notifications, Circulars and Orders for litigation purpose before judicial authorities, should be drawn from official website of the Govt.
