Scythe Neal Shusterman, 2016-11-22 A Time Best YA Book of All Time (2021) Two teens must learn the “art of killing” in this Printz Honor-winning book, the first in a chilling new series from Neal Shusterman, author of the New York Times bestselling *Unwind* dystology. A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control. Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. These teens must master the “art” of taking life, knowing that the consequence of failure could mean losing their own. *Scythe* is the first novel of a thrilling new series by National Book Award-winning author Neal Shusterman in which Citra and Rowan learn that a perfect world comes only with a heavy price.

Thunderhead Neal Shusterman, 2019-06-04
“Intelligent and entertaining.” –Kirkus Reviews (starred review) “Even better than the first book.” –School Library Journal (starred review)
Rowan and Citra take opposite stances on the morality of the Scythedom, putting them at odds, in the chilling sequel to the Printz Honor Book *Scythe* from New York Times bestseller Neal Shusterman, author of the *Unwind* dystology. Humans learn from their mistakes. I cannot. I make no mistakes. The Thunderhead is the perfect ruler of a perfect world, but it has no control over the scythedom. A year has passed since Rowan had gone off grid. Since then, he has become an urban legend, a vigilante snuffing out corrupt scythes in a trial by fire. His story is told in whispers across the continent. As *Scythe* Anastasia, Citra

gleans with compassion and openly challenges the ideals of the “new order.” But when her life is threatened and her methods questioned, it becomes clear that not everyone is open to the change. Old foes and new enemies converge, and as corruption within the Scythedom spreads, Rowan and Citra begin to lose hope. Will the Thunderhead intervene? Or will it simply watch as this perfect world begins to unravel?

Gleanings Neal Shusterman, 2023-11-07 The New York Times bestselling Arc of the Scythe series continues with “captivating...thrilling” (School Library Journal) stories that span the timeline. Storylines continue. Origin stories are revealed. And new Scythes emerge! There are still countless tales of the Scythedom to tell. Centuries passed between the Thunderhead cradling humanity and Scythe Goddard trying to turn it upside down. For years, humans lived in a world without hunger, disease, or death with Scythes as the living instruments of population control. Neal Shusterman—along with collaborators David Yoon, Jarrod Shusterman, Sofía Lapuente, Michael H. Payne, Michelle Knowlden, and Joelle Shusterman—returns to the world throughout the timeline of the Arc of a Scythe series. Discover secrets and histories of characters you’ve followed for three volumes and meet new heroes, new foes, and some figures in between. Gleanings shows just how expansive, terrifying, and thrilling the world that began with the Printz Honor-winning Scythe truly is.

The Book of Skulls Robert Silverberg, 2018-05-08 How far will four friends go for immortality? This novel is Hugo and Nebula Award-winning author “Robert Silverberg at his very best” (George R. R. Martin). After Eli, a scholarly college student, finds and translates an ancient manuscript called

The Book of Skulls, he and his friends embark on a cross-country trip to Arizona in search of a legendary monastery where they hope to find the secret of immortality. On the journey with Eli, there's Timothy, an upper-class WASP with a trust fund and a solid sense of entitlement; Ned, a cynical poet and alienated gay man; and Oliver, a Kansas farm boy who escaped his rural origins and now wants to escape death. If they can find the House of Skulls where immortal monks allegedly reside, they'll undergo a rigorous initiation. But do those eight grinning skulls mean the joke will be on them? For a sacrifice will be required. Two must die so that two may live forever . . . Stretching the boundary between science fiction and horror, Robert Silverberg masterfully probes deeper existential questions of morality, brotherhood, and self-determined destiny in what Harlan Ellison refers to as "one of my favorite nightmare novels." This ebook features an illustrated biography of Robert Silverberg including rare images from the author's personal collection.

The Ghost Road Charis Cotter, 2019-09-03 Ghosts, a family curse, buried secrets -- and two girls who have to figure it all out. A new book from an acclaimed author, for fans of *Coraline*, *Doll Bones* and *The Night Gardener*. For the first time, Ruth is heading to Newfoundland to stay with family she's never met instead of spending the summer traveling with her dad. When she arrives, she finds life in the small community of Buckle very different from Toronto--everyone knows everyone else, and some of them believe in ghosts and The Sight and family curses. Ruth's cousin Ruby is also staying for the summer, and the two discover they have a lot in common: they both lost their moms when they were two years old, they're the same age and they even like the same food. But while Ruby believes in spirits and fairies, Ruth believes in science and cold, hard facts. When they find ominous information on some tombstones in the local cemetery, Ruth and Ruby start investigating their family's past and discover that twin girls are born in every generation, and every set of twins dies young, leaving their children without mothers. What's more, one of the twins always has The Sight and can see the Ghost Road that leads to the mysterious lost settlement of Slippers Cove. What happened there? What does

it have to do with their family? And who is the ghostly presence that keeps visiting Ruth late at night? The answers lie somewhere along the Ghost Road . . . if they can only find it.

Weapons of the Viking Warrior Gareth

Williams, 2019-01-24 Between the late 8th and late 11th century Viking warriors had a massive impact not just in northern Europe, but across a huge arc from the western Mediterranean round through northern Europe and the Baltic to the Middle East and Central Asia. Their success depended in part on their skills in battle, their unique sense of strategic mobility, and on the quality of their weapons and equipment. Written by an expert on early medieval weaponry, this book examines the weapons of the typical Viking warrior, dispels some of the myths of the popular image, such as double-headed axes, and considers the range of weapons that actually underpinned the Vikings' success including bows and arrows. Drawing upon contemporary literary and historical accounts from the North Atlantic to the Arab world, surviving examples of weapons and armour, and practical experimentation and reconstructions by modern weapon-smiths and re-enactors, this study casts new light on how Viking weapons were made and used in battle.

The Month Club pick In this beautiful dive into the world of J. M. Barrie's classic, one woman must take on the infamous Peter Pan—who is not the innocent adventurer the fairy tales make him out to be—to save her daughter's life. . . . That is, until she gets a call that her daughter, Eden, who has been in a coma for nearly a decade, has gone missing from the estate where she's been long tucked away. And, worst of all, Holly knows who must be responsible: Peter Pan, who is not only very real, but very

dangerous. Holly is desperate to find Eden and protect her son, Jack, from a terrible web of family secrets before she loses both her children. And yet she has no one to turn to—her mother, Jane, is the only other person in the world who knows that Peter is more than a story, but she refuses to accept that he is not the hero she's always imagined. Darling Girl brings all the magic of the classic Peter Pan story to the present, while also exploring the dark underpinnings of fairy tales, grief, aging, sacrifice, motherhood, and just how far we will go to protect those we love.
