Sasha Geffen

Let's Go to the Movies Iris Barry, 1926

Life Moves Pretty Fast Hadley Freeman, 2016-06-14 An earlier edition of this work was published in Great Britain in 2015.--Title page verso.

Rainbow in the Dark Ronnie James Dio, 2021-07-27 Instant National Bestseller The long-awaited autobiography by one of heavy metal's most revered icons, treasured vocalists, and front man for three legendary bands—Rainbow, Black Sabbath, and Dio. Prior to his tragic death in 2010, Ronnie James Dio had been writing his autobiography, looking back on the remarkable life that led him from his hometown in upstate New York to the biggest stages in the world, including the arena that represented the pinnacle of success to him—Madison Square Garden, where this book begins and ends. As Ronnie contemplates the achievement of a dream, he reflects on the key aspects that coalesced into this moment—the close gang of friends that gave him his start in music, playing parties, bars, frats, and clubs; the sudden transition that moved him to the microphone and changed his life

forever; the luck that led to the birth of Rainbow and a productive but difficult collaboration with Ritchie Blackmore; the chance meeting that made him the second singer of Black Sabbath, taking them to new levels of success; the surprisingly tender story behind the birth of the Devil Horns, the lasting symbol of heavy metal; his marriage to Wendy, which stabilized his life, and the huge bet they placed together to launch the most successful endeavor of his career...his own band, Dio. Everything is described in great detail and in the frankest terms, from his fallout with Blackmore, to the drugs that derailed the resurrection of Black Sabbath, to the personality clashes that frayed each band. Written with longtime friend of thirty years and esteemed music writer, Mick Wall, who took up the mantle after Ronnie's passing, *Rainbow in the Dark* is a frank, startling, often hilarious, sometimes sad testament to dedication and ambition, filled with moving coming-of-age tales, glorious stories of excess, and candid recollections of what really happened backstage, at the hotel, in the studio, and back home behind closed doors far away from the road. (Black and white photos throughout plus an 8-page 4-color photo insert.)

Can't Slow Down Michaelangelo Matos, 2020-12-08 A Rolling Stone-Kirkus Best Music Book of 2020 The definitive account of pop music in the mid-eighties, from Prince and Madonna to the underground hip-hop, indie rock, and club scenes Everybody knows the hits of 1984 - pop music's greatest year. From Thriller to Purple Rain, Hello to Against All Odds, What's Love Got to Do with It to Wake Me Up Before You Go-Go, these iconic songs continue to dominate advertising, karaoke nights, and the soundtracks for film classics (Boogie Nights) and TV hits (Stranger Things). But the story of that thrilling, turbulent time, an era when Top 40 radio was both the leading edge of popular culture and a moral battleground, has never been told with the full detail it deserves - until now. Can't Slow Down is the definitive portrait of the exploding world of mid-eighties pop and the time it defined, from Cold War anxiety to the home-computer revolution. Big acts like Michael Jackson (Thriller), Prince (Purple Rain), Madonna (Like a Virgin), Bruce Springsteen (Born in the U.S.A.), and George Michael (Wham!'s Make It Big) rubbed shoulders with the stars of the fermenting scenes of hip-hop, indie rock, and club music. Rigorously researched, mapping the entire terrain of American pop, with crucial side

trips to the UK and Jamaica, from the biz to the stars to the upstarts and beyond, *Can't Slow Down* is a vivid journey to the very moment when pop was remaking itself, and the culture at large - one hit at a time.

Beyond the Multiplex Barbara Klinger, 2023-09-01 Since the mid-eighties, more audiences have been watching Hollywood movies at home than at movie theaters, yet little is known about just how viewers experience film outside of the multiplex. This is the first full-length study of how contemporary entertainment technologies and media—from cable television and VHS to DVD and the Internet—shape our encounters with the movies and affect the aesthetic, cultural, and ideological definitions of cinema. Barbara Klinger explores topics such as home theater, film collecting, classic Hollywood movie reruns, repeat viewings, and Internet film parodies, providing a multifaceted view of the presentation and reception of films in U.S. households. Balancing industry history with theoretical and cultural analysis, she finds that today cinema's powerful social presence cannot be fully grasped without considering its prolific recycling in post-theatrical venues—especially the home.

Horror Movie Posters Richard Allen, Bruce Hershenov, 1998 Featuring hundreds of movie posters from silent films to the present day. This book includes some of the best known posters for movies such as: The Phantom of the Opera (1925); Dracula (1931); The Mummy's Curse (1944); Invasion of the Body Snatchers (1956); Psycho (1960); Clockwork Orange (1971); Nightmare on Elm Street (1984); Scream (1996).

Films of Endearment Michael Koresky, 2021-05-04 An Esquire Best Book About Hollywood A USA TODAY Best Book of 2021 “A lovely and loving book.”—Will Schwalbe, New York Times bestselling author of The End of Your Life Book Club I'm not sure I have ever read a book about movies that is as tender and open-hearted as Films of Endearment.—Mark Harris, New York Times bestselling author of Mike Nichols: A Life A poignant memoir of family, grief and resilience about a young man, his dynamic mother and the '80s movies they shared together Michael Koresky's most formative memories were simple ones. A movie rental. A mug of tea. And a few shared hours with his mother. Years later and now a successful film critic, Koresky set out on a journey with his mother to discover more about their

shared cinematic past. They rewatched ten films that she first introduced to him as a child, one from every year of the '80s, each featuring women leads. Together, films as divergent as *9 to 5*, *Terms of Endearment*, *The Color Purple* and *Aliens* form the story of an era that Koresky argues should rightly be called The Decade of the Actress. *Films of Endearment* is a reappraisal of the most important and popular female-driven films of that time, a profound meditation on loss and resilience, and a celebration of the special bond between mothers and their sons.

Make It So Nathan Shedroff, Christopher Noessel, 2012-09-17 Many designers enjoy the interfaces seen in science fiction films and television shows. Freed from the rigorous constraints of designing for real users, sci-fi production designers develop blue-sky interfaces that are inspiring, humorous, and even instructive. By carefully studying these “outsider” user interfaces, designers can derive lessons that make their real-world designs more cutting edge and successful.

The Bowery Boys Greg Young, Tom Meyers, 2016-06-21 Uncover fascinating, little-known histories of the five boroughs in *The Bowery Boys*’ official companion to their popular, award-winning podcast. It

was 2007. Sitting at a kitchen table and speaking into an old karaoke microphone, Greg Young and Tom Meyers recorded their first podcast. They weren't history professors or voice actors. They were just two guys living in the Bowery and possessing an unquenchable thirst for the fascinating stories from New York City's past. Nearly 200 episodes later, The Bowery Boys podcast is a phenomenon, thrilling audiences each month with one amazing story after the next. Now, in their first-ever book, the duo gives you an exclusive personal tour through New York's old cobblestone streets and gas-lit back alleyways. In their uniquely approachable style, the authors bring to life everything from makeshift forts of the early Dutch years to the opulent mansions of The Gilded Age. They weave tales that will reshape your view of famous sites like Times Square, Grand Central Terminal, and the High Line. Then they go even further to reveal notorious dens of vice, scandalous Jazz Age crime scenes, and park statues with strange pasts. Praise for The Bowery Boys "Among the best city-centric series."
—New York Times "Meyers and Young have become unofficial ambassadors of New York history."
—NPR "Breezy and informative, crowded with the finest grifters, knickerbockers, spiritualists, and city

builders to stalk these streets since back when New Amsterdam was just some farms.” —Village Voice

“Young and Meyers have an all-consuming curiosity to work out what happened in their city in years past, including the Newsboys Strike of 1899, the history of the Staten Island Ferry, and the real-life sites on which Martin Scorsese’s Vinyl is based.” —The Guardian

Linux Paul Sheer, 2001 CD-ROM contains: Electronic version of text in HTML format

Pegging the President Michael Moorcock, 2018-03 In the 1960s Jerry Cornelius was the coolest assassin on the Ladbroke Grove block. By the 1970s The Condition of Muzak had won the Guardian Fiction Prize and The Final Programme was a feature film starring Jon Finch, Jenny Runacre, Hugh Griffith and Sterling Hayden. In the 1980s the world’s first cyberpunk continued to inspire a generation of writers including William Gibson, Alan Moore, Neil Gaiman, and bands like the Human League. By the 1990s he was up and running towards the guns again in stories like The Spencer Inheritance , The Camus Referendum and Cheering for the Rockets , which dealt with the icons and key events of the day. At turn of the millennium, in Firing the Cathedral, he responded to the attacks on America of

September 2001 and their consequences, to the realities of global warming and global terrorism. Now, in *Pegging the President*, Jerry Cornelius is back; the ambiguous, amoral, androgynous English Assassin, cooler, sharper, his fingers still firmly on the pulse of the twenty-first century, counting names and taking heads, showing once again that colonialism and despotism the roots of empire gone sour do not change. The apocalypse has never seemed more terrifying, never been more fun, and modern life will never feel the same to you again -- Provided by the publisher.

Ghostbusters: the New Ghostbusters Erik Burnham,2016-06-14 A team-up like you've never seen-- Cover.

A Practical Guide to Video and Audio Compression Cliff Wootton,2005-04-28 Learn all about Codecs--how they work, as well as design and implementation with this comprehensive, easy-to-use guide to compression. After reading this book, you will be able to prepare and distribute professional audio and video on any platform including streamed to the web, broadcast on-air, stored in PVRs, Burned onto CD-ROMs or DVDs, delivered by broadband, or viewed in Kiosk applications, PDA

devices, and mobile phones.

Adventures in the Screen Trade William Goldman, 2012-06-05 Now available as an ebook for the first time! No one knows the writer's Hollywood more intimately than William Goldman. Two-time Academy Award-winning screenwriter and the bestselling author of *Marathon Man*, *Tinsel*, *Boys and Girls Together*, and other novels, Goldman now takes you into Hollywood's inner sanctums...on and behind the scenes for *Butch Cassidy and the Sundance Kid*, *All the President's Men*, and other films...into the plush offices of Hollywood producers...into the working lives of acting greats such as Redford, Olivier, Newman, and Hoffman...and into his own professional experiences and creative thought processes in the crafting of screenplays. You get a firsthand look at why and how films get made and what elements make a good screenplay. Says columnist Liz Smith, You'll be fascinated.

Skaboom! Marc Wasserman, 2021-07-04 Musician, podcaster and author Marc Wasserman's debut book is an exhaustive, extensive tale of the pioneers of the American Ska and Reggae movement as told by the people who lived it. Three and a half years in the making, the story is lovingly told through

hundreds of hours of intense interviews with musicians, artists, managers, club promoters, writers, promoters, and the fans who were there at the dawn of the 80s through the early 90s to witness the birth and spread of a uniquely American version of ska and reggae. From a chance sighting of The Specials on Saturday Night Live in 1980 to the mighty Skavoozee Tour of 1993, Marc collects stories, anecdotes, history, gossip, and (most importantly) the feeling of what it was like to be there as groups of young, ska-crazed acolytes spread their passion and ignited a fiercely loyal dedication to a burgeoning culture. Interviews include members of seminal bands The Untouchables, Bim Skala Bim, The Toasters, The Uptones, The Scofflaws, Let's Go Bowling, Mephiskapheles, and many more! The book also features photos, an essay from Stephen Shafer, and a forward penned by Horace Panter of The Specials.

The Delirium Brief Charles Stross, 2017-07-11 *2018 LOCUS AWARD FINALIST FOR BEST FANTASY NOVEL CATEGORY* “Smart, literate, funny.” —Lev Grossman, author of *The Magicians* Someone is dead set to air the spy agency’s dirty laundry in *The Delirium Brief*, the next installment to

Charles Stross' Hugo Award-winning comedic dark fantasy Laundry Files series! Bob Howard's career in the Laundry, the secret British government agency dedicated to protecting the world from unspeakable horrors from beyond spacetime, has entailed high combat, brilliant hacking, ancient magic, and combat with indescribably repellent creatures of pure evil. It has also involved a wearying amount of paperwork and office politics, and his expense reports are still a mess. Now, following the invasion of Yorkshire by the Host of Air and Darkness, the Laundry's existence has become public, and Bob is being trotted out on TV to answer pointed questions about elven asylum seekers. What neither Bob nor his managers have foreseen is that their organization has earned the attention of a horror far more terrifying than any demon: a British government looking for public services to privatize. Inch by inch, Bob Howard and his managers are forced to consider the truly unthinkable: a coup against the British government itself. Laundry Files 1. The Atrocity Archives 2. The Jennifer Morgue 3. The Fuller Memorandum 4. The Apocalypse Codex 5. The Rhesus Chart 6. The Annihilation Score 7. The Nightmare Stacks At the Publisher's request, this title is being sold without Digital Rights

Management Software (DRM) applied.

Bring That Beat Back Nate Patrin, 2020-06-09 How sampling remade hip-hop over forty years, from pioneering superstar Grandmaster Flash through crate-digging preservationist and innovator Madlib Sampling—incorporating found sound and manipulating it into another form entirely—has done more than any musical movement in the twentieth century to maintain a continuum of popular music as a living document and, in the process, has become one of the most successful (and commercial) strains of postmodern art. Bring That Beat Back traces the development of this transformative pop-cultural practice from its origins in the turntable-manning, record-spinning hip-hop DJs of 1970s New York through forty years of musical innovation and reinvention. Nate Patrin tells the story of how sampling built hip-hop through the lens of four pivotal artists: Grandmaster Flash as the popular face of the music's DJ-born beginnings; Prince Paul as an early champion of sampling's potential to elaborate on and rewrite music history; Dr. Dre as the superstar who personified the rise of a stylistically distinct regional sound while blurring the lines between sampling and composition; and Madlib as the

underground experimentalist and record-collector antiquarian who constantly broke the rules of what the mainstream expected from hip-hop. From these four artists' histories, and the stories of the people who collaborated, competed, and evolved with them, Patrin crafts a deeply informed, eminently readable account of a facet of pop music as complex as it is commonly underestimated: the aesthetic and reconstructive power of one of the most revelatory forms of popular culture to emerge from postwar twentieth-century America. And you can nod your head to it.

The Poltergeist Prince of London James Clark, Shirley Hinchings, 2013-10-01 It began with a key. One afternoon in 1956, in the home of the Hinchings family in Battersea, south London, a small silver key appeared on Shirley Hinchings' bed. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time - and with the encouragement of psychical researcher Harold Chibbett, whose case-files appear here - by learning to write. Soon, the spirit had begun to make simply incredible claims about his identity,

insisting that he was one of the most famous figures in world history – but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all – Shirley herself.

Glitter Up the Dark Sasha Geffen, 2020-04-07 Why has music so often served as an accomplice to transcendent expressions of gender? Why did the query is he musical? become code, in the twentieth century, for is he gay? Why is music so inherently queer? For Sasha Geffen, the answers lie, in part, in music's intrinsic quality of subliminal expression, which, through paradox and contradiction, allows rigid gender roles to fall away in a sensual and ambiguous exchange between performer and listener. Glitter Up the Dark traces the history of this gender fluidity in pop music from the early twentieth century to the present day. Starting with early blues and the Beatles and continuing with performers such as David Bowie, Prince, Missy Elliot, and Frank Ocean, Geffen explores how artists have used music, fashion, language, and technology to break out of the confines mandated by gender essentialism and establish the voice as the primary expression of gender transgression. From glam rock and punk to disco, techno, and hip-hop, music helped set the stage for today's conversations

about trans rights and recognition of nonbinary and third-gender identities. Glitter Up the Dark takes a long look back at the path that led here.

Hidden Waters of New York City: A History and Guide to 101 Forgotten Lakes, Ponds, Creeks, and Streams in the Five Boroughs Sergey Kadinsky, 2016-03-07 A guide to the forgotten waterways hidden throughout the five boroughs Beneath the asphalt streets of Manhattan, creeks and streams once flowed freely. The remnants of these once-pristine waterways are all over the Big Apple, hidden in plain sight. Hidden Waters of New York City offers a glimpse at the big city's forgotten past and ever-changing present, including: Minetta Brook, which ran through today's Greenwich Village Collect Pond in the Financial District, the city's first water source Newtown Creek, separating Brooklyn and Queens Bronx River, still a hotspot for urban canoeing and hiking Filled with eye-opening historical anecdotes and walking tours of all five boroughs, this is a side of New York City you've never seen.
