Cayenne Pepper Cures Sharon Daniels,2012 If I had the time, I'd drive from house to house, shaking people out of their beds and telling them to wake up to the miracles of cayenne. But I can't, so I've got the next best thing. This report, which I've been compiling for a while, is brimming with the fiery brilliance of cayenne and all that I've found out about it. For example, cayenne has been known to cure 17 big diseases. It has been known to stop a heart attack in a matter of minutes. It can sharpen your vision better than the most powerful contact lenses available. It can expand your arteries like anything, giving the blood room to really flow and travel everywhere, from your arms (giving you strength) to your brain (giving you better brainpower). It can cure arthritis and much, much more. If your heart can't pump enough blood to a certain area, take cayenne pepper. Because if you're on prescription medications, you could take up to a year (or more!) to heal. But if you take cayenne, you could cut it down to a month or two. Did you know that if you take garlic in the right proportions, you can bring your blood pressure back to normal in three months? Well, if you add cayenne, you could cut that down to three days. Cayenne can unclog your kidneys and your sinuses, allow you to breathe freely and restore broken, bleeding gums to normal. Cayenne, in short, is a kitchen miracle. I owe my health to cayenne. I hope that by reading this report, you soon will too.

Cayenne Pepper Health Benefits Nigel Thomas,2013-09-10 Cayenne Pepper - the natural way to achieving good health I have written this book as a follow on from my other two successful books on Cayenne Pepper - Cure Sore Throats, Colds and Coughs with Cayenne Pepper and How to Lower High Blood Pressure using Cayenne Pepper. I decided to write this book because I realised so many people were looking for a more natural way to treat their health problems. The health benefits of cayenne pepper have been known about for thousands of years and can cure a multitude of different ailments and symptoms, plus it is totally natural. That is why it is quite rightly called a miracle cure - but not enough people know about this little miracle. That is why I have tried to show you all the different benefits that can be found in cayenne pepper. Or as Dr. Richard Schulze, the famed medical herbalist put it, - If you master only one herb in your life, master cayenne pepper. It is more

powerful than any other. In this book you will learn how cayenne pepper can help heal such ailments as - Blood Pressure Arthritis Allergies Sinusitis Tooth Ache and even Cancer I have included recipes for the different doses and mixtures and have even included a chapter on making your own cayenne infused oil and cayenne tincture. This is a GREAT book for anyone wanting to know more about Cayenne Pepper Health Benefits.

Everyday French Cooking Wini Moranville, 2022-04-12 This is it! The everyday French cookbook you'll truly cook from, night after night. Grounded in the wisdom of classical French cooking, yet updated for today, *Everyday French Cooking* emphasizes easy technique, simple food, and speedy preparation of French cuisine without sacrificing taste. Too often, French cooking evokes images of fine dining at ornate restaurants where a small army of chefs hover over sauces for hours, employing precision technique, special utensils, and obscure ingredients to craft elegant dishes. But this image of French cooking bears little resemblance to the way real French families eat. The French, like their American counterparts, want healthy and delicious food made quickly from easy-to-find ingredients using typical, everyday utensils. From modern takes on classic French dishes—like fish meunière and boeuf bourguignon—to recipes for the kind of cooking found in typical French homes today, *Everyday French Cooking* goes beyond a typical cookbook to include engaging anecdotes, local color, and keen insights about French home kitchens, as well as tips, tricks, and shortcuts to make French cooking accessible to any home cook. Dozens of beautiful finished-food photographs will further inspire you to cook fresh, vivid everyday French food any night of the week. Enjoy making, sharing, and savoring simple French recipes including: Melty Goat Cheese Salad with Honey and Pine Nuts Scallop Chowder with Fines Herbes Any-Day Chicken Sauté Steak with Cherry and Red Wine Sauce Pork Chops with Mustard-Caper Sauce Simple Beef Stew from Provence Roasted Salmon with Leeks, Wine, and Garlic Classic French Pizzas Strawberry-Caramel Crêpes with Mascarpone Cream Chocolate Pot de Crème Lemon Curd Crème Brûlée Time-pressed cooks will especially appreciate the entire chapter of main-dish recipes that can be made in 30 minutes or less. Indeed, this book proves, again and again, that the joys of the French table are open to everyone. You can live modestly and cook simply, yet dine splendidly, night after night.
