*The Christmas Tree* James Hewitt,2007-09 This book's creation was done by chance. A group of my co-workers were discussing Christmas and why decorations, trees, and other customs are practiced. Have you ever wondered the same? One question was regarding the Christmas tree. Where did the idea originate? Whom might be responsible for the tradition? Was a person responsible for the tree or was it a cultural phenomena that grew. I am going to ask you to think back to your first memory of Christmas. It probably includes a memory of a decorated and brightly lit tree surrounded by colorfully wrapped presents. A smile always can be seen on even the most selfish and bitter person when viewing a well designed Christmas tree.

The one saved for me that I should have picked up already for the charity event at the historic mayor’s mansion on Christmas Eve. A task my mother, Mayor Bennington herself, entrusted me with. Now the biggest and best tree in the lot is gone. Lucky me, I have the chance to redeem myself by helping a recent tree buyer out of a snowy ditch. Wow, is she pretty. And in possession of my tree.
