Fame: Conan O'Brien, Conan O'Brien: The man, the myth, the legend, nay, he's no myth. He's just legend. A giant in both the comedy fields and real life, Conan O'Brien has been working longer than most of his fans have been alive. He has red hair, nay, strawberry locks, and he's an extraordinary dancer. Wait, this is supposed to be a solicitation text for a comic? Um, buy this comic or else! Conan might do something drastic like shave his beard, and I don't think the world can deal with him clean-shaven anymore.

The World's Worst Assistant Sona Movsesian, 2022-07-19 ***An Instant New York Times Bestseller*** One of Vulture's Best Comedy Books of 2022 | One of Business Insider's Best Books About Celebrities | One of NPR's Books We Love in 2022 | One of Hudson's Best Books of 2022 | One of Audible's Best of Audiobooks of 2022 From Conan O'Brien's longtime assistant and cohost of his podcast, Conan O'Brien Needs a Friend, a completely hilarious and irreverent how-to guide for becoming a terrible, yet unfireable employee, spilling her trade secrets for minimizing effort while maximizing the rewards. Sona Movsesian didn't wake up one day and decide to become the World's Worst Assistant. Achieving such greatness is a gradual process--one that starts with long hours and hard work before it eventually descends into sneaking low-dosage edibles into your lunch and napping on your boss's couch. With a foreword from Conan O'Brien, The World's Worst Assistant is populated with hysterical black-and-white illustrations, comics, and more. It's a mixture of how-tos (like How to Nap at Work and How to Watch TV at Your Desk), tips for becoming untouchable (like memorizing social security and credit card numbers and endearing yourself to friends and family), and incredible personal stories from Sona's twelve years spent working for Conan that put their adorable closeness and professional dysfunction on display. In these pages, Sona will explain her descent from eager, hard-working, ambitious, detail-orientated assistant to self-awarded title-holder for the worst in history. This book is irresistible fun you'll want to give to every young professional in your life. For readers of heartfelt humor like that of Phoebe Robinson and Colin Hanks, The World's Worst Assistant is a chance for fans, viewers, and listeners of Conan's shows and podcast to fall in love with Sona and Conan all over again.

The War for Late Night Bill Carter, 2010-11-04 Bill Carter, executive producer of CNN's docuseries The Story of Late Night and host of the Behind the Desk: Story of Late Night podcast, details the chaotic transition of The Tonight Show from host Jay Leno to Conan O'Brien--and back again. In 2010, NBC's CEO Jeff Zucker, had it all worked out when he moved Jay Leno from behind the desk at The Tonight Show, and handed the reins over to Conan O'Brien. But his decision was a spectacular failure. Ratings plummeted, affiliates were enraged--and when Zucker tried to put everything back the way it was, that plan backfired as well. No one is more uniquely suited to document the story of a late-night travesty than veteran media reporter and bestselling author, Bill Carter. In candid detail, he charts the vortex that sucked in not just Leno and O'Brien--but also Letterman, Stewart, Fallon, Kimmel, and Ferguson--as frantic agents and network executives tried to manage a tectonic shift in television's most beloved institution.

Yes, You're Pregnant, But What About Me? Kevin Nealon, 2009-03-17 At fifty-three, Kevin Nealon thought he had it all: a massive international celebrity with legions of loyal fans; a fabulous modeling career; hundreds of millions of dollars in the bank; and the most recognizable face on the planet. Nealon had accomplished the impossible: a thirty-year career in show business with only limited trips to rehab. But just like every other celebrity, he felt that was not enough. The perpetually insatiable Nealon wanted more, and for him more meant a little addition that drooled, burped, and pooped (no, not a Pomeranian). Now, in his first-ever book, Nealon tells the outrageous story of how he battled through aching joints, Milano cookie cravings, and a rapidly receding hairline to become a first-time dad at an age when most fathers are packing their kids off to college. Offering hysterical commentary about his fickle, often hormonal, road to belated and bloated fatherhood, Nealon guides you through the delivery room and beyond, discussing how his past, his wife, and his neuroses all converged in a montage of side-splitting insecurities during the months leading up to the birth of his son. In *Yes, You're Pregnant, But What About Me?*, Nealon details his trip through all the emotional stages of pregnancy--uncomfortable, denial, hungry, sleepy, self-conscious, hungrier, confused, cranky, not-quite-as-hungry but still craving something, sweaty, covered in

cookie crumbs—all while struggling to keep his blood pressure down and find the time to read the latest issue of the AARP Bulletin. Wrestling with the dilemmas and fears that fathers have been dealing with for centuries (Can I duct-tape a crib together? How often can I reuse a disposable diaper? What if the baby looks like me and not my wife?), Nealon never fails to entertain with the frequent lunacy and inevitable joy that punctuate his story about parenthood. Laugh-out-loud funny and remarkably poignant, Nealon's entertaining perspective and his wealth of sarcasm provide a take on fatherhood that is as fresh as it is universal, always reminding you that half the fun of being a parent is getting there.

Oak Flat Lauren Redniss, 2021-11-09 NATIONAL BESTSELLER • A powerful work of visual nonfiction about three generations of an Apache family struggling to protect sacred land from a multinational mining corporation, by MacArthur “Genius” and National Book Award finalist Lauren Redniss, the acclaimed author of *Thunder & Lightning* “Brilliant . . . virtuosic . . . a master storyteller of a new order.”—Eliza Griswold, *The New York Times Book Review* (Editors’ Choice) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS *Oak Flat* is a serene high-elevation mesa that sits above the southeastern Arizona desert, fifteen miles to the west of the San Carlos Apache Indian Reservation. For the San Carlos tribe, Oak Flat is a holy place, an ancient burial ground and religious site where Apache girls celebrate the coming-of-age ritual known as the Sunrise Ceremony. In 1995, a massive untapped copper reserve was discovered nearby. A decade later, a law was passed transferring the area to a private company, whose planned copper mine will wipe Oak Flat off the map—sending its natural springs, petroglyph-covered rocks, and old-growth trees tumbling into a void. Redniss’s deep reporting and haunting artwork anchor this mesmerizing human narrative. *Oak Flat* tells the story of a race-against-time struggle for a swath of American land, which pits one of the poorest communities in the United States against the federal government and two of the world’s largest mining conglomerates. The book follows the fortunes of two families with profound connections to the contested site: the Nosies, an Apache family whose teenage daughter is an activist and leader in the Oak Flat fight, and the Gorhams, a mining family whose patriarch was a sheriff in the lawless early days of Arizona statehood. The still-unresolved Oak Flat conflict is ripped from today’s headlines, but its story resonates with foundational American themes: the saga of westward expansion, the resistance and resilience of Native peoples, and the efforts of profiteers to control the land and unearth treasure beneath it while the lives of individuals hang in the balance.

Let's Make Comics! Jess Smart Smiley, 2018-06-05 A light-hearted interactive guide to comics and cartoon-making that uses an activity book format and creatively stimulating prompts to teach the fundamentals of cartooning in a fun and easy-to-follow fashion. From a working cartoonist and comic book making instructor, this all-ages activity book uses humorous and informative one-page comics and exercise prompts to guide young readers (and readers who are young at heart) through easy-to-master lessons on the skills needed to make comics. The activities cover a range of essential comics-making tasks from creating expressions for characters to filling in blank panels to creating original characters and placing them in adventures of their own. Each exercise can stand on its own or work together with others in the book to stimulate creativity via the comics medium. In the end, readers who complete the activities inside the book itself will have created several comics of their own, and will have generated many ideas for more sequential art creations. Praise for *Let's Make Comics!* “At once playful and complex, this book is a perfect introduction to cartooning, as well as a lovely (and lovingly crafted) tribute to the comics form and a timely reminder that artmaking can be fun.”—Roman Muradov, creator of *Vanishing Act* and *On Doing Nothing* “Let’s Make Comics is a book I wish I had when I was 9, but 29 works too! It’s so fun and brilliant and packed with oodles of awesome activities. Great book for learning to make comics or for a seasoned cartoonist to find some new inspiration.”—Ben Clanton, creator of the *Narwhal* and *Jelly* books “It’s fantastic! This book will make you a better writer and a better artist and show you how to think like a comic star.”—Charise Harper, creator of the *Fashion Kitty* and *Crafty Cat* books “Warning! This book will make you make comics, and it will be fun!”—Greg Pizzoli, creator of *The Watermelon Seed*, *Number One Sam*, and *The Book Hog* “If only we'd had this book! Our comics would be much better.”—Elizabeth Pich and Jonathan Kunz, creators of *War* and *Peas*

Satiristas Paul Provenza, Dan Dion, 2010-05-11 Featuring our greatest comedic minds on the nature of humor, its relevance in society—and why sometimes you just need a good dirty joke to cleanse the palate—*Satiristas* is a hilarious multi-voiced manifesto on satire and comedy presented by Paul Provenza, co-creator of *The Aristocrats*.

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled *The Last Lecture*. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—*Really Achieving Your Childhood Dreams*—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Howard Stern Comes Again Howard Stern, 2019-05-14 Rock stars and rap gods. Comedy legends and A-list actors. Supermodels and centerfolds. Moguls and mobsters. A president. Over his unrivaled four-decade career in radio, Howard Stern has interviewed thousands of personalities—discussing sex, relationships, money, fame, spirituality, and success with the boldest of bold-faced names. But which interviews are his favorites? It’s one of the questions he gets asked most frequently. *Howard Stern Comes Again* delivers his answer. This book is a feast of conversation and more, as between the lines Stern offers his definitive autobiography—a magnum opus of confession and personal exploration. Tracy Morgan opens up about his near-fatal car crash. Lady Gaga divulges her history with cocaine. Madonna reminisces on her relationship with Tupac Shakur. Bill Murray waxes philosophical on the purpose of life. Jerry Seinfeld offers a master class on comedy. Harvey Weinstein denies the existence of the so-called casting couch. An impressive array of creative visionaries weigh in on what Stern calls “the climb”—the stories of how they struggled

and eventually prevailed. As he writes in the introduction, "If you're having trouble finding motivation in life and you're looking for that extra kick in the ass, you will find it in these pages." Interspersed throughout are rare selections from the Howard Stern Show archives with Donald Trump that depict his own climb: transforming from Manhattan tabloid fixture to reality TV star to president of the United States. Stern also tells of his Moby Dick-like quest to land an interview with Hillary Clinton in the run-up to the 2016 election—one of many newly written revelations from the author. He speaks with extraordinary candor about a variety of subjects, including his overwhelming insecurity early in his career, his revolutionary move from terrestrial radio to SiriusXM, and his belief in the power of psychotherapy. As Stern insightfully notes in the introduction: "The interviews collected here represent my best work and show my personal evolution. But they don't just show my evolution. Gathered together like this, they show the evolution of popular culture over the past quarter century."

Assassination Vacation Sarah Vowell, 2005-04-04 New York Times bestselling author of *The Wordy Shipmates* and contributor to NPR's *This American Life* Sarah Vowell embarks on a road trip to sites of political violence, from Washington DC to Alaska, to better understand our nation's ever-evolving political system and history. Sarah Vowell exposes the glorious conundrums of American history and culture with wit, probity, and an irreverent sense of humor. With *Assassination Vacation*, she takes us on a road trip like no other—a journey to the pit stops of American political murder and through the myriad ways they have been used for fun and profit, for political and cultural advantage. From Buffalo to Alaska, Washington to the Dry Tortugas, Vowell visits locations immortalized and influenced by the spilling of politically important blood, reporting as she goes with her trademark blend of wisecracking humor, remarkable honesty, and thought-provoking criticism. We learn about the jinx that was Robert Todd Lincoln (present at the assassinations of Presidents Lincoln, Garfield, and McKinley) and witness the politicking that went into the making of the Lincoln Memorial. The resulting narrative is much more than an entertaining and informative travelogue—it is the disturbing and fascinating story of how American death has been manipulated by popular culture, including literature, architecture, sculpture, and—the author's favorite—historical tourism. Though the themes of loss and violence are explored and we make detours to see how the Republican Party became the Republican Party, there are all kinds of lighter diversions along the way into the lives of the three presidents and their assassins, including mummies, show tunes, mean-spirited totem poles, and a nineteenth-century biblical sex cult.

Rad American History A-Z Kate Schatz, 2020-03-03 From the New York Times bestselling team behind *Rad American Women A-Z* comes an illustrated collection of radical and transformative political, social, and cultural movements in American history. "An engaging, fascinating, and necessary book that speaks truth to power."—Congresswoman Barbara Lee In *Rad American History A-Z*, each letter of the alphabet tells the story of a significant moment in America's progressive history—one that isn't always covered in history classes: A is for Alcatraz, and the Native occupation of 1969; C is for the Combahee River Raid, a Civil War action planned in part by Union spy Harriet Tubman; Z is for Zuccotti Park, and the Occupy movement that briefly took over the world. Paired with dynamic paper-cut art by Miriam Klein Stahl, the entries by Kate Schatz explore several centuries of politics, culture, art, activism, and liberation, including radical librarians, Supreme Court cases, courageous youth, punk rocker grrrls, Southern quilts, and modern witches. In addition to the twenty-six core stories, short sidebars expand the discussion, and dictionary-style lists refer readers to additional key moments. So while F is for Federal Theater Project, a New Deal-era program that employed thousands of artists, F is also for Freedom Rides and First Amendment. E is for Earth First!, but also for Endangered Species Act and Equal Rights Amendment. There are tales of triumph, resilience, creation, and hope. Each engaging, fact-filled narrative illustrates an eye-opening moment that shows us how we got to now—and what we need to know about our histories to create a just and sustainable future. Advance praise for *Rad American History A-Z* "I wish I'd had *Rad American History A-Z* when I was growing up; it's a book I hope to read to my children one day. In such chaotic political times, this is a critical tool for young people to know how change happens, and to know that they, too, can make change happen. This book belongs on all library shelves as a transformative approach to history as we know it."—Alicia Garza, cofounder of Black Lives Matter Global Network

The Late Shift Bill Carter, 2019-10-15 When beloved host Johnny Carson announced his retirement after thirty years on *The Tonight Show*, millions of Americans mourned. But inside the television industry, the news ignited a battle between two amazing talents - Jay Leno and David Letterman - who both yearned to occupy the departing legend's chair. For NBC, it would be a decision with millions of dollars at stake. Soon these two comedians with strikingly different styles, who had once shared a friendship as they worked the clubs together, would be engaged in a fierce competition for the prize--

Not Quite a Genius Nate Dern, 2017-08-08 From *Funny Or Die* senior writer and former artistic director at the Upright Citizens Brigade Theatre comes a collection of absurdist, hilarious stories and essays on relationships, technology, and contemporary society. A brave archaeologist journeys into a suburban man cave. Leif Eriksson writes Christopher Columbus a long overdue letter. A corporate flack admonishes a room of marijuana sales people to get their revenues up. A young man's penis turns into a lobster. Walt Whitman even teaches a spin class. With humor, originality, and narrative guile, Nate Dern examines man buns, dating apps, Wi-Fi terms and conditions, juicing crazes, vegetarianism, and so much more, all while plumbing his own life and a series of fantastical scenarios for a truth that's both revelatory and beautiful.--Jacket.

Weird Al Nathan Rabin, Al Yankovic, 2012-10-01 A "fun and colorful" biography of the accordion-toting comedy legend—with rare photos, lyrics, lists, tweets, and more from Al himself (Publishers Weekly). The undisputed king of pop-culture parody, "Weird Al" Yankovic has sold more comedy recordings than any other artist in history, receiving three Grammy Awards (and fourteen nominations) in the process. This is a comprehensive illustrated tribute to this icon of the American humor landscape, the man behind such classics as "Eat It," "Amish Paradise," and "White & Nerdy." Covering more than three decades of hilarious songs, videos, and concert performances, and his life story in words and pictures—and featuring an introduction, lists, tweets, and photo captions from Yankovic himself—*Weird Al: The Book* is the ultimate companion piece to an extraordinary career. "Part biography and part pop culture museum . . . a treat." —Huffington Post

Good Clean Fun Nick Offerman, 2016-10-18 After two New York Times bestsellers, Nick Offerman—woodworker, actor, comedian, and co-host of NBC's crafting competition series *Making It*—returns with the subject for which he's known best—his incredible real-life woodshop. Nestled among the glitz and glitter of Tinseltown is a testament to American elbow grease and an honest-to-god hard day's work: Offerman Woodshop. Captained by hirsute woodworker, actor, comedian, and writer Nick

Offerman, the shop produces not only fine handcrafted furniture, but also fun stuff—kazoos, baseball bats, ukuleles, mustache combs, even cedar-strip canoes. Now Nick and his ragtag crew of champions want to share their experience of working at the Woodshop, tell you all about their passion for the discipline of woodworking, and teach you how to make a handful of their most popular projects along the way. This book takes readers behind the scenes of the woodshop, both inspiring and teaching them to make their own projects and besotting them with the infectious spirit behind the shop and its complement of dusty wood-elves. In these pages you will find a variety of projects for every skill level, with personal, easy-to-follow instructions by the OWS woodworkers themselves; and, what's more, this tutelage is augmented by mouth-watering color photos (Nick calls it wood porn). You will also find writings by Nick, offering recipes for both comestibles and mirth, humorous essays, odes to his own woodworking heroes, insights into the ethos of woodworking in modern America, and other assorted tomfoolery. Whether you've been working in your own shop for years, or if holding this stack of compressed wood pulp is as close as you've ever come to milling lumber, or even if you just love Nick Offerman's brand of bucolic yet worldly wisdom, you'll find Good Clean Fun full of useful, illuminating, and entertaining information.
