Hidden Agendas Jane Kelsey,2013-05-01 ‘Forget the label “free trade agreement”. The TPPA, under negotiation between New Zealand, the USA and ten other countries, is a direct assault on our right to decide our own future.’ In this hard-hitting BWB Text, Professor Jane Kelsey picks apart the current negotiations surrounding the proposed Trans-Pacific Partnership Agreement (TPPA) and comes to some disturbing conclusions. Such a treaty, she says in this new work, has little credible economic rationale but could have potentially dangerous effects on our ability to decide for ourselves how we address the economic, environmental, social and Treaty challenges of the twenty-first century. At a time of constitutional review, the secrecy surrounding the TPPA negotiations raises hard questions about the future shape of New Zealand.

The Little Book of Microcars Adam

Quellin, 2010-12-15 Often quirky and bizarre, a plethora of small economy cars emerged during the middle of the twentieth century to meet the needs of the cash-strapped motorist. This book charts the history and development of these microcars, from the lean period after the Second World War right up to the present day. Covering a wide range of vehicles, many well-known models and the more obscure are featured within these pages. Color photographs and period images also complement the text.

New African Fashion Helen Jennings, 2011 Designers and brands featured include Duro Olowu, Black Coffee, Maki Oh, and Christie Brown.

Themba Lutz van Dijk, 2011-10-31 A hard-hitting, and emotional story set in South Africa, following Themba and his dreams of becoming a famous footballer. Themba grows up dreaming of becoming a football star. One day he leaves the village and travels with his sister to the city in search of their mother. Life is a struggle and Themba has to grow up fast. A lucky break gives him the chance to train as a footballer and play professionally – but Themba has a secret – should he tell the truth about his HIV and risk everything he's ever dreamed of? ~ Themba won an IBBY award - Best Book for Young People. Karin Chubb was Shortlisted for the Marsh Award for Children's Literature in Translation for Themba, a unique award celebrating the high quality and diversity of translated fiction for young readers. The book was also made into an award-winning film. "Beautifully translated from the original ... it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread." Books, Teens and Magazines "Themba reminds me of my own childhood and youth in a township close to a small village in the

Transvaal in South Africa: Like him I wanted to escape poverty, like him I had the hope that our world will be a just world one day – and like him I loved my mother who was working at the time as a maid for a white family. To be very honest: in soccer Themba seems to be simply better than I was.” Archbishop Desmond Tutu “READ OF THE MONTH” Pride magazine “...an inspirational coming of age drama about a young South African boy’s escape from poverty and the pursuit of a dream.” Spling online “It’s a rags to riches story – a story of hope, of dreaming your dreams and achieving them, and it’s also a story of friendship...” The Sunday Independent “It’s a really engaging book, and because Aids is a serious issue, it made us want to carry on reading more about it.” Durning Library teenage reading group “Beautifully translated from the original and it is an easy and straightforward read. However, the storyline is tough – poverty, AIDS and death haunt the pages of the book. The reader learns about the hardship of life for many ordinary South Africans (even after Mandela came to power) and the struggle for those families who have a family member suffering from AIDS. The problems they face do not lie solely in a lack of medication and good nutrition; it also lies in the ignorance of their neighbours and friends and a refusal of many to acknowledge the illness and help the ill. However this is not a depressing book – it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread.” Books, Teens and Magazines

Taking a Chance on Love Joan Jonker, 2012-05-24

They've grown up together, laughed together and loved together. But there's one secret that hasn't been shared... Taking a Chance on Love is a captivating saga of friendship and a nostalgic look back at the Liverpool of yesteryear,

from much-loved writer Joan Jonker. Perfect for fans of Dilly Court and Katie Flynn. 'Another wonderfully warm novel with characters you'd like to know' - Coventry Evening Telegraph
Ginny Porter and Joan Flynn were born within days of each other in adjoining houses in a narrow street of two-up two-downs in Liverpool. They've been friends since they were toddlers and now they've become young ladies and left school. Joan finds work at Dunlop's tyre factory, while Ginny's dream comes true when she is taken on as a counter assistant at Woolworths. But things don't work out as she had expected, and she carries around a dark secret... What readers are saying about Taking a Chance on Love: 'Yet again Joan was right about needing a half box of Kleenex!! Not just for the crying but for the laughing... I love all her books and her characters are so real and the stories totally enthralling' 'Whether in laughter, or sadness, this book had me crying all the way through. There's something about Joan Jonker's style that really appeals to me, maybe it's the way this book will appeal to everyone, or just the way the characters are so beautifully brought to life... Whichever, this book carries on the Joan tradition of writing that draws you in gently, until you can't put the book down, but have to know what happens next'
