Exquisite Suzanne Slade,2020-04-07 A picture-book biography of celebrated poet Gwendolyn Brooks, the first Black person to win the Pulitzer Prize A 2021 Coretta Scott King Book Award Illustrator Honor Book A 2021 Robert F. Sibert Informational Honor Book A 2021 Association of Library Service to Children Notable Children's Book Gwendolyn Brooks (1917–2000) is known for her poems about “real life.” She wrote about love, loneliness, family, and poverty—showing readers how just about anything could become a beautiful poem. *Exquisite* follows Gwendolyn from early girlhood into her adult life, showcasing her desire to write poetry from a very young age. This picture-book biography explores the intersections of race, gender, and the ubiquitous poverty of the Great Depression—all with a lyrical touch worthy of the subject. The Fortune Teller Gwendolyn Womack,2017-06-06 NOW A USA TODAY AND LOS ANGELES TIMES BESTSELLER From the award-winning author of *The Memory Painter* comes a sweeping and suspenseful tale of romance, fate, and fortune. Semele Cavnar appraises antiquities for an exclusive Manhattan auction house, deciphering ancient texts—and when she discovers a manuscript written in the time of Cleopatra, she knows it will be the find of her career. Its author tells the story of a priceless tarot deck, now lost to history, but as Semele delves further, she realizes the manuscript is more than it seems. Both a memoir and a prophecy, it appears to be the work of a powerful seer, describing devastating wars and natural disasters in detail thousands of years before they occurred. The more she reads, the more the manuscript begins to affect Semele’s life. But what happened to the tarot deck? As the mystery of her connection to its story deepens, Semele can’t shake the feeling that she’s being followed. Only one person can help her make sense of it all: her client, Theo Bossard. Yet Theo is arrogant and elusive, concealing secrets of his own, and there’s more to Semele’s desire to speak with him than she would like to admit. Can Semele even trust him? The auction date is swiftly approaching, and someone wants to interfere—someone who knows the cards exist, and that the Bossard manuscript is tied to her. Semele realizes it’s up to her to stop them: the manuscript holds the key to a two-thousand-year-old secret, a secret someone will do anything to possess.

Then there are the mean, false rumours people are spreading about her at school. On top of all that, now she’s a flying freak. How can she tell her best friend or her mother? How can she live her life? After Gwendolyn almost meets disaster flying too high and too fast one night, help arrives from the most unexpected place. And stranger still? She’s not alone.

Award-winning filmmaker and journalist Gwendolyn Oxenham tells the stories of the phenoms, underdogs, and nobodies – players willing to follow the game wherever it takes them. Under the Lights and in the Dark takes us inside the world of women's soccer, following players across the globe, from Portland Thorns star Allie Long, who trains in an underground men's league in New York City; to English national Fara Williams, who hid her homelessness from her teammates while playing for the English national team. Oxenham takes us to Voronezh, Russia, where players battle more than just snowy pitches in pursuing their dream of playing pro, and to a refugee camp in Denmark, where Nadia Nadim, now a Danish international star, honed her skills after her family fled from the Taliban. Whether you're a newcomer to the sport or a die-hard fan, this is an inspiring book about stars' beginnings and adventures, struggles and hardship, and, above all, the time-honored romance of the game.

The Rust Maidens Gwendolyn Kiste,2018-11-16 Something’s happening to the girls on Denton Street. It’s the summer of 1980 in Cleveland, Ohio, and Phoebe Shaw and her best friend Jacqueline have just graduated high school, only to confront an ugly, uncertain future. Across the city, abandoned factories populate the skyline; meanwhile at the shore, one strong spark, and the Cuyahoga River might catch fire. But none of that compares to what’s happening in their own west side neighborhood. The girls Phoebe and Jacqueline have grown up with are changing. It starts with footprints of dark water on the sidewalk. Then, one by one, the girls’ bodies wither away, their fingernails turning to broken glass, and their bones exposed like corroded metal beneath their flesh. As rumors spread about the grotesque transformations, soon everyone from nosy tourists to clinic doctors and government men start arriving on Denton Street, eager to catch sight of “the Rust Maidens” in metamorphosis. But even with all the onlookers, nobody can explain what’s happening or why—except perhaps the Rust Maidens themselves. Whispering in secret, they know more than they’re telling, and Phoebe realizes her former friends are quietly preparing for something that will tear their neighborhood apart. Alternating between past and present, Phoebe struggles to unravel the mystery of the Rust Maidens—and her own unwitting role in the transformations—before she loses everything she’s held dear: her home, her best friend, and even perhaps her own body.
