Twelve Years a Slave Solomon Northup,2024-01-04  
Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life

after being freed.

Speed Secrets Ross Bentley, 1998-08-13 Shave lap times or find a faster line through your favorite set of S-curves with professional race driver Ross Bentley as he shows you the quickest line from apex to apex! With tips and commentary from current race drivers, Bentley covers the vital techniques of speed, from visualizing lines to interpreting tire temps to put you in front of the pack. Includes discussion of practice techniques, chassis set-up, and working with your pit chief.

The Social Customer: How Brands Can Use Social CRM to Acquire, Monetize, and Retain Fans, Friends, and Followers Adam Metz, 2011-08-16 The social customer is your NEW customer. And if you don't recognize it, they will be someone else's new customer. Adam Metz presents a clear, concise game plan for attracting them, connecting with them, and keeping them. Don't just buy this book: invest in the content. Actually, invest time to implement the content. –JEFFREY GITOMER, author of *The Little Red Book of Selling and Social BOOM!* This book connects two key dots in the customer equation: knowing why your customers uniquely do business with you and taking actions that cause them to repeat that choice more frequently. – RICH BLAKEMAN, sales vice president, Miller Heiman, from the Afterword I've seen the future of marketing and it delivers in less than 300 pages. Adam Metz's *The Social Customer* makes a compelling case for revolutionizing your thinking about how you connect and build a relationship with your customer in a fashion that shrinks your marketing team and amplifies the love the world feels for

you and your product. Not easy stuff, and, done the wrong way, it's dangerous. – CHIP CONLEY, founder of Joie de Vivre Hospitality and author of PEAK: How Great Companies Get Their Mojo from Maslow About the Book IF you look at the people who follow your company via social media simply as social media users, you're missing a much bigger picture. They are, above all, your customers—and as such, they have a multitude of needs. But without the right social media strategy, they might not remain your customers for long. Adam Metz is prized by clients and online fans for his understanding of what makes both companies and their customers click—and how social media can get them in sync and drive revenue. In The Social Customer, he teaches you all you'll need to know to transform your business—not just on the Web but across the board. Even if Facebook and Twitter were to disappear tomorrow, these are the fundamentals that will always apply—whatever the technology and whatever the social media. You'll learn: How to transform your brand into a coveted Social Object Where your brand currently stands with your social customers—and how to mobilize your customers to get the word out The Ten Commandments of Social Customer Relationship Management How to harness the power of collaboration How to delight your customers and win loyalty through individualized Treatment What terms like Social Marketing and Social Sales Insights really mean—and why they can be vital to business success Metz also includes anecdotes, case studies, and outside-the-box inspiration from branding innovators—ranging from upstart punk

bands to absolute giants like Burger King and SAP—all designed to keep you thinking critically, creatively, and with the kind of flexibility that will keep your social customers engaged as your company grows.

**Norton on Archives** Margaret Cross Norton, 2003

**Achtung-Panzer!** Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**Pirates of Pensacola** Keith Thomson, 2005-04 The Cooke and Hood families have been at each other's throats since the Spanish Main days. The latest chapter in their piratic rivalry takes place in 2004, when an old treasure map turns up. None of this seems to matter to Morgan Cooke, a cowardly, landlubbing accountant entirely ignorant of his

heritage until his estranged father, Isaac, in need of crewmen, kidnaps him and thrusts him into the fray. When Morgan wakes up on a boat in the middle of the Caribbean, he learns that piracy still flourishes, albeit with far more discretion than in the old days--pirates disguise their fast boats as shrimpers or tugs--but with no less bloodshed. Judging even a shot at riches vastly preferable to a return to his lonely, fluorescent-lit work station existence, Morgan pierces his ear, dons the eye patch and peg leg, and set sail for glorious adventure.

**Reunion Planner** Phyllis A. Hackleman, 2009-06 If there is a reunion in your future, whether as the organizer or a helping hand, Reunion Planner is one book you won't want to be without. Reunion Planner leaves nothing to chance. The contents include sections on the following: choosing the proper kind of reunion, recruiting volunteers, selecting the time and place, creating the program, guest speakers, budgeting, notifying the participants and promoting the event, planning meals and decorations, accommodations and transportation, souvenirs and fund raisers, photographers and videographers, building a genealogy, and finishing touches from road signs to thank-you notes and more.

*Heartstream* Tom Pollock, 2019-07 I just wanted to see you. Before the end. A taut psychological thriller about obsession, fame and betrayal, for fans of Black Mirror. Cat is in love. Always the sensible one, she can't believe that she's actually dating, not to mention dating a star. But the fandom can't know. They would eat her alive.

And first at the buffet would definitely be her best friend, Evie. Amy uses Heartstream, a social media app that allows others to feel your emotions. She broadcasted every moment of her mother's degenerative illness, and her grief following her death. It's the realest, rawest reality TV imaginable. But on the day of Amy's mother's funeral, Amy finds a strange woman in her kitchen. She's rigged herself and the house with explosives - and she's been waiting to talk to Amy for a long time. Who is she? A crazed fan? What does she want? Amy and Cat are about to discover how far true obsession can go.

*I Will Survive* Gloria Gaynor, 2014-03-11 *I Will Survive* is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including Honey Bee, I Got You Under My Skin, Never Can Say Goodbye, and the song that has immortalized her, *I Will Survive*, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to

be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

### **Overcoming School Refusal Joanne**

Garfi, 2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term consequences
- accurate assessment
- treatment options
- what parents can do
- what schools can do
- dealing with anxious high achievers
- how to help children on the

autism spectrum with school refusal

**Hello, My Name is Scott** Scott Ginsberg, 2002

**The Negro in Illinois** Brian Dolinar, 2013-07-01

The Negro in Illinois was produced by a special division of the Illinois Writers' Project, one of President Roosevelt's Works Progress Administration programs. Headed by Harlem Renaissance poet Arna Bontemps and white proletarian writer Jack Conroy, The Negro in Illinois employed Richard Wright, Margaret Walker, Katherine Dunham, Fenton Johnson, Frank Yerby, Richard Durham, and other major black writers living in Chicago. The authors chronicled the African American experience in Illinois from the beginnings of slavery to the Great Migration. Individual chapters discuss various aspects of public and domestic life, recreation, politics, religion, literature, and performing arts. After the project's cancellation in 1942, most of the writings went unpublished for more than half a century--until now. Editor Brian Dolinar provides an informative introduction and epilogue which explain the origins of the project and place it in the context of the Black Chicago Renaissance.

**Shopping Mall Math** , 2003

**Cheap at Half the Price** Jeffrey

Archer, 2017-05-02 In Cheap at Half the Price, by #1 New York Times bestselling author and master of the short story Jeffrey Archer, the conniving Consuela Rosenheim hunts down her ideal birthday present – and next husband – in London. Will she accomplish her biggest swindle yet, or will she finally get her just desserts? The wily woman is, as Archer opens, “naturally superior to men,” and

a pure joy for Archer fans new and old.

*Tropical Plant Science* G. K. Berrie, A. Berrie, J. M. O. Eze, 1987

*Notes from the Hyena's Belly* Nega Mezlekia, 2015-04-07 In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, *Notes from the Hyena's Belly* offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

**Tacky** Rax King, 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column *Store-Bought Is Fine*—*Tacky* is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a

different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, *Guy Fieri* helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. A VINTAGE ORIGINAL

**Contemporary Erotic Drawing** Aldrich Museum of Contemporary Art (Ridgefield, Conn.), 2005 Catalog to accompany exhibition at DiverseWorks, Texas, January 28 to March 5, 2005 and Aldrich Contemporary Art Museum, May 1 to August 7, 2005.
