Extreme Origami Won Park,2012-10-15 Won Park has taken the ancient art of origami to a whole new level. Using American currency, Park transforms dollar bills into creative works of art. He relies on the fibrous quality of the paper to fold, bend and twist hundreds of times per model without tearing. With no cutting and no pasting, Park is able to incorporate the details on the bills into his model designs. His signature koi fish is folded in such a way that the patterns on the dollar bill become the scales on the fish, and even the facial features fall in exactly the right place. His designs include a wide array of vehicles, animals, and mythical creatures. In this book, step-by-step instructions are provided for 20 distinct models that are bound to challenge even the most proficient folders. The challenge includes a Formula 1 race car, a toilet, a butterfly, a koi fish, a scorpion, a sea turtle, a fox, an ox, a marlin, a car, a praying mantis, a dragon, a spider, a stag beetle, a stegosaurus, a bat, Pegasus, a fighter jet, a battle tank, and a pig. All models can be made with either one or two dollar bills. Why worry about the declining value of the U.S. dollar? Follow the instructions in this book, and you can transform your dollars into works of art!

*Of Bees and Mist* Erick Setiawan,2009-08-04 Erick Setiawan's richly atmospheric debut is a beautiful, engrossing fable of three generations of women in two families; their destructive jealousies, their loves and losses, their sacrifices and deeply rooted deceptions, and their triumphs. Of Bees and Mist is a fable of one woman's determination to overcome the haunting magic that is created by the people she loves and the oppressive secrets behind their broken lives. Raised in a sepulchral house where ghosts dwell in mirrors, Meridia spends her childhood feeling neglected and invisible. Every evening her father vanishes inside a blue mist without so much as an explanation, and her mother spends her days beheading cauliflowers in the kitchen. At sixteen, desperate to escape, Meridia marries a tenderhearted young man. Little does she suspect that his family is harboring secrets of their own. There is a grave hidden in the garden. There are two sisters groomed from birth to despise each other. And there is Eva, the formidable matriarch whose grievances swarm the air like an army of bees—the wickedest mother-in-law imaginable. Erick Setiawan takes Meridia on a tumultuous ride of hope and heartbreak as she struggles to keep her young family together and discovers long-kept secrets about her own past as well as the shocking truths about her husband's family.
