Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. The various period introductions provide an overview of recurrent issues that span many decades, if not centuries. The book also places Japanese literature in a wider East Asian tradition of Sinitic writing and provides comprehensive coverage of women's literature as well as new popular literary forms, including manga (comic books). An extensive bibliography of works in English enables readers to continue to explore this rich tradition through translations and secondary reading.

Exquisite close-ups of architectural elements--such as flamboyant Rococo Baroque friezes, William Edward Trent's Art Deco mermaids, painted marble pilasters, and elaborately framed mirrors--highlight often unnoticed features and present each theatre's unique character. From the West End to the South Bank, Westminster to Hackney, the theatres profiled here come to life in ways we rarely see, when the seats are empty and the stages silent.
