**The Adventures of Huckleberry Finn** Mark Twain, 2021-02-07 Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry Huck Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

**Old Times on the Mississippi** Mark Twain, 1876

A Tramp Abroad Mark Twain, 1907 Details Mark Twain's journey through central and southern Europe, including Germany, the Alps, and Italy.

Channeling Mark Twain Carol Muske-Dukes, 2007-07-03 Fresh out of graduate school, Holly Mattox is a young, newly married, and spirited poet who moves to New York City from Minnesota in the early 1970's. Hoping to share her passion for words and social justice, Holly is also determined to contribute to the politically charged atmosphere around her. Her mission: to successfully teach a poetry workshop at the Women's House of Detention on Rikers Island, only minutes from Manhattan. Having listened to her mother recite verse by heart all her life, Holly has always been drawn to poetry. Yet until she stands before a class made up of prisoners and detainees—all troubled women charged with a variety of crimes—even Holly does not know the full power that language can possess. Words are the only weapon left to many of these outspoken women: the hooker known as Baby Ain't (as in "Baby Ain't Nobody Better!"); Gene/Jean, who is mid-sex change; drug mule Never Delgado; and Akilah Malik, a leader of the Black Freedom Front. One woman in particular will change Holly's life forever: Polly Lyle Clement, an inmate awaiting transfer to a mental hospital upstate, one day announces that she is a descendant of Mark Twain and is capable of channeling his voice. And so begins Holly's descent into the dark recesses of the criminal justice system, where in an attempt to understand and help her students she will lose her perspective on the nature of justice—and risk ruining everything stable in her life. As Holly begins an affair with a fellow poet—who claims to know her better than she knows herself—she finds herself adrift between two ends of the social and political spectrum, between two men and two identities. National Book Award finalist Carol Muske-Dukes has created an explosive, mesmerizing novel exploring the worlds of poetry, sex, and politics in the unforgettable New York City of the seventies. Written with her trademark captivating

language and emotional intuition, Channeling Mark Twain is Muske-Dukes's most powerful work to date.

**The Paper Caper** Kate Carlisle, 2023-09-05 San Francisco book-restoration expert Brooklyn Wainwright loves a good book festival except when murder is the main event in this thrilling new addition to the New York Times bestselling Bibliophile Mystery series. Brooklyn is excited to be included in the Covington Library's first annual Mark Twain Festival. She'll rebind a rare first edition of *The Prince and the Pauper* before an enthusiastic audience of book nerds—her favorite people. The festival is the passion project of wealthy media mogul, book lover, and newspaper owner Joseph Cabot, who considers himself Twain's biggest fan. Brooklyn's hunky husband, Derek, and his security team once rescued Joseph from a corporate kidnapping attempt. Now Derek and his agents are charged with keeping Joseph and his beautiful young wife safe during the festivities taking

place all over town. The centerpiece of the festival is a citywide contest based on The Prince and the Pauper: one lucky look-alike will trade places with Joseph for a few days—with access to all the money and power that Joseph commands. Brooklyn and Derek worry that the contest might be generating some dangerous attention. And when someone is mysteriously poisoned right before Brooklyn's eyes, she's not convinced that the victim was the intended target. Now she and Derek must frantically chase clues and suspects through the streets of San Francisco before another murder becomes front-page news. . . .
