Matt Richards, Mark Langthorne

Restart Me Up Lesley Tsina, 2015-10-23 Celebrate the 20th anniversary of the greatest technological achievement known to mankind: Windows 95. (With all due respect, the telephone and nuclear fission can suck it.) This is the untold, unbelievable, largely untrue story of the creation of Windows 95. Go behind the system and meet those who made it all possible: the beleaguered programmers who became addicted to snorting Pixy Stix, the marketers who employed mass hypnosis tactics to trick the press, the violent battle to squash a literal giant bug in the code, the focus group idiots who only cared about getting pizza for lunch, and mighty god Bill Gates, who engaged in a money suitcase stand-off with Mick Jagger over the rights to Start Me Up. It's the story of how a tiny operating system patch became a multinational, mundane media phenomenon.

Two Dead Van Jensen, Nate Powell, 2019-11-19 From the acclaimed DC Comics writer and the artist of the #1 New York Times bestselling and National Book Award-winning illustrated trilogy *March* comes a stunning crime noir graphic novel exploring the intertwining threads of crime, conspiracy, racism, and insanity in the post-World War II Deep South. After World War II, tensions rise in a Southern city ruled by organized crime, touching countless residents as they struggle to make sense of the new world. A sudden act of violence sets off a series of bloody events between the police and mafia as they lash out against one another. As the violence worsens, desperation grows to stop it, by any means necessary. Told in multiple perspectives—from a seemingly untouchable mafia don, to a gun-happy seasoned detective succumbing to the depths of his schizophrenia, to a newly minted police lieutenant haunted by his recent service in the war, and two African-American brothers, one mired in corruption and the other leading a local militia in an effort to see that justice is served—*Two Dead* is at once a white-knuckled and unputdownable thriller, a roman à clef inspired by true events, and a book about post-traumatic stress disorder and the underlying social traumas of how war and segregation affect their survivors on all fronts.

Improv Nation Sam Wasson, 2017 A sweeping yet intimate--and often hilarious--history of a uniquely American art form that has never been more popular

Come Again Nate Powell, 2018-07-11 As the sun sets on the 1970s, the spirit of the Love Generation still lingers among the aging hippies of one intentional community high in the Ozarks. But what's missing? Under impossibly close scrutiny, two families wrestle with long-repressed secrets... while deep within those Arkansas hills, something monstrous stirs, ready to feast on village whispers. National Book Award-winner Nate Powell returns with a haunting tale of intimacy, guilt, and collective amnesia.

Mr. Lincoln's Camera Man, Mathew B. Brady Roy Meredith, 1974-01-01 This book tells of Mathew B. Brady, a Civil War photographer, with over 300 reproductions of his work.

Honoring the Code Matt Barton, 2016-04-19 If you want to be successful in any area of game development--game design, programming, graphics, sound, or publishing--you should know how standouts in the industry approach their work and address problems. In *Honoring the Code: Conversations with Great Game Designers*, 16 groundbreaking game developers share their stories and offer advice for anyone

How to be the Greatest Improviser on Earth Will Hines, 2016-06-15 Advice for performing long-form improv from a longtime teacher and performer.

Long Form Improvisation and American Comedy M. Fotis, 2014-02-11 Long form scenic improv began with the Harold. The comic philosophy of this form started an era of comedy marked by support, trust, and collaboration. This book tells of the Harold, beginning with the development of improv theatre, through the tensions and evolutions that led to its creation at iO, and to its use in contemporary filmmaking.

Racing Weight Matt Fitzgerald, 2012-12-01 Racing Weight is a proven weight-management program designed specifically for endurance athletes. Revealing new research and drawing from the best practices of elite athletes, coach and nutritionist Matt Fitzgerald lays out six easy steps to help cyclists, triathletes, and runners lose weight without harming their training. This comprehensive and science-based program shows athletes the best ways to lose weight and avoid the common lifestyle and training hang-ups that keep new PRs out of reach. The updated Racing Weight program helps athletes: Improve diet quality Manage appetite Balance energy sources Easily monitor weight and performance Time nutrition throughout the day Train to get and stay lean Racing Weight offers practical tools to make weight management easy. Fitzgerald's no-nonsense Diet Quality Score improves diet without counting calories. Racing Weight superfoods are diet foods high in the nutrients athletes need for training. Supplemental strength training workouts can accelerate changes in body composition. Daily food diaries from 18 pro athletes reveal how the elites maintain an athletic diet while managing appetite. Athletes know that every extra pound wastes energy and hurts performance. With Racing Weight, cyclists, triathletes, and runners have a simple program and practical tools to hit their target numbers on both the race course and the scale.

So, Anyway... John Cleese, 2014-11-04 NEW YORK TIMES BESTSELLER • "John Cleese's memoir is just about everything one would expect of its author—smart, thoughtful, provocative and above all funny. . . . A picture, if you will, of the artist as a young man."—The Washington Post The legendary writer and performer of Monty Python and Fawlty Towers fame takes readers on a grand tour of his ascent in the entertainment world John Cleese's huge comedic influence has stretched across generations; his sharp irreverent eye and the unique brand of physical comedy he perfected now seem written into comedy's DNA. In this rollicking memoir, Cleese recalls his humble beginnings in a sleepy English town, his early comedic days at Cambridge University (with future Python partner Graham Chapman), and the founding of the landmark comedy troupe that would propel him to worldwide renown. Cleese was just days away from graduating Cambridge and setting off on a law career when he was visited by two BBC executives, who offered him a job writing comedy for radio. That fateful moment—and a near-simultaneous offer to take his university humor revue to London's famed West End—propelled him down a different path, cutting his teeth writing for stars like David Frost and Peter Sellers, and eventually joining the five other Pythons to pioneer a new kind of comedy that prized invention, silliness, and absurdity. Along the way, he found his first true love with the actress Connie Booth and transformed himself from a reluctant performer to a world class actor and back again. Twisting and turning through surprising stories and hilarious digressions—with some brief pauses along the way that comprise a fascinating primer on what's funny and why—this story of a young man's journey to the pinnacle of comedy is a masterly performance by a master performer.

Storyworthy Matthew Dicks, 2018-05-15 A five-time Moth GrandSLAM winner and

bestselling novelist shows how to tell a great story – and why doing so matters. Whether we realize it or not, we are always telling stories. On a first date or job interview, at a sales presentation or therapy appointment, with family or friends, we are constantly narrating events and interpreting emotions and actions. In this compelling book, storyteller extraordinaire Matthew Dicks presents wonderfully straightforward and engaging tips and techniques for constructing, telling, and polishing stories that will hold the attention of your audience (no matter how big or small). He shows that anyone can learn to be an appealing storyteller, that everyone has something “storyworthy” to express, and, perhaps most important, that the act of creating and telling a tale is a powerful way of understanding and enhancing your own life.

83 Minutes Matt Richards, Mark Langthorne, 2015-09-10 On June 25th, 2009, the world was rocked by the tragic, shocking news that Michael Jackson - the biggest and most influential music icon since Elvis Presley - was pronounced dead on arrival at a Los Angeles hospital. He was 50 years old. As the news reverberated around the world, it was accompanied by even more shocking and controversial information - a sickening revelation to Jackson's millions of fans: that Jackson had died in the care of his personal physician, Dr Conrad Murray - a whole 83 minutes before Murray put a 911 call in to emergency services. In this, a comprehensive and truly horrifying account of those crucial minutes - Murray's frantic attempts to cover his tracks and revive his client before the truth could be revealed - are laid bare. This is a compelling, multi-perspective tracking of all who were involved at the scene, and their part to play in the events surrounding Jackson's tragic passing. The shocking cocktail of drugs employed to keep Jackson alive, administered by Murray himself; the harrowing and squalid conditions in which this troubled musical genius ended his life, all is 100% accurately described from official court transcripts and documentation. A powerful and compelling account of the brutal truth behind the rumours.

The Funniest One in the Room Kim Howard Johnson, 2008-04-01 Nichols and May. John Belushi. Bill Murray. Chris Farley. Tina Fey. Mike Myers. Stephen Colbert. For nearly a half century, Del Close—cocreator of the Harold, director for the Second City, San Francisco's the Committee, and the ImprovOlympic, and “house metaphysician” for Saturday Night Live—influenced improvisational theater's greatest comedic talents. His students went on to found the Groundlings in Los Angeles, the Upright Citizens Brigade in both New York and Los Angeles, and the Annoyance Theatre in Chicago. But this Pied Piper of improv has gone largely unrecognized outside the close-knit comedy community. Del was never one to let the truth of his life stand in the way of a good story—and yet the truth is even more fascinating than the fiction. In his early years, he traveled the country with Dr. Dracula's Den of Living Nightmares, knew L. Ron Hubbard before Scientology, and appeared in The Blob. Del cavorted with the Merry Pranksters, used aversion therapy to recover from alcoholism, and kicked a cocaine habit with the help of a coven of witches. And when he was dying, Del bequeathed his postmortem skull to the Goodman Theatre for use in its productions of Hamlet—a final legend that lives on, long beyond the death of the father of long-form improvisation.

We Killed Yael Kohen, 2012-10-16 Traces the careers and achievements of comediennes and challenges opinions about why women cannot be effective comedic entertainers, with coverage of celebrities, including Joan Rivers,

Lily Tomlin, and Tina Fey.

You're a Mean One, Matthew Prince Timothy Janovsky, 2022-10-04 An effervescent (Rachel Lynn Solomon) stand-alone Christmas LGBTQIA+ New Adult RomCom, perfect for fans of Schitt's Creek and Red White & Royal Blue. BRING A LITTLE JOY TO THE WORLD? NOT TODAY, SANTA. Matthew Prince is young, rich, and thoroughly spoiled. So what if his parents barely remember he exists and the press is totally obsessed with him? He's on top of the world. But one major PR misstep later, and Matthew is cut off and shipped away to spend the holidays in his grandparents' charming small town hellscape. Population: who cares? It's bad enough he's stuck in some festive winter wonderland—it's even worse that he has to share space with Hector Martinez, an obnoxiously attractive local who's unimpressed with anything and everything Matthew does. Just when it looks like the holiday season is bringing nothing but heated squabbles, the charity gala loses its coordinator and Matthew steps in as a saintly act to get home early on good behavior...with Hector as his maddening plus-one. But even a Grinch can't resist the unexpected joy of found family, and in the end, the forced proximity and infectious holiday cheer might be enough to make a lonely Prince's heart grow three sizes this year. While part of a series, this book stands alone. People Are Raving About Timothy Janovsky: This book made my queer heart so very full and deeply happy.—Anita Kelly A cinematic daydream guaranteed to steal your heart.—Julian Winters Wonderfully upbeat and sweet.—Suzanne Park Full of hope and heart.—Alexandria Bellefleur [A] fresh, sweet, and swoony love story that blends coming-of-age comedy with the nuances of exploring sexual identity.—Alison Cochran

The Art of Portrait Photography Michael Grecco, 2000 A collection of over 60 photographs by leading photographer Michael Grecco whose work regularly appears in Entertainment Weekly, Premiere and numerous other entertainment publications. Each shot is carefully analysed from concept to execution providing a valuable insight into his creative and technical methods.

On Market Street Arnold Lobel, 2020-08-25 A Caldecott Honor book, a New York Times Best Illustrated book, an ALA Notable Book, and a Boston Globe–Horn Book Honor Book for Illustration! “Bursting with...surprise and delight. An inexhaustible visual feast.” —Kirkus Reviews (starred review) In this acclaimed picture book by Anita and Arnold Lobel, take a stroll down Market Street to see the whimsical shopkeepers dressed in their wares on one boy's fantastical shopping adventure. Enter a wondrous marketplace like no other that has everything from A to Z! Inspired by 17th-century French engravings, Anita Lobel's delightful illustrations imaginatively clothe each shopkeeper in their wares. Find one shopkeeper dressed completely in gloves, another covered in wigs, and even one completely dressed in oranges! This beautiful and unique tale takes you on a journey through the alphabet as you discover all the things one boy buys for his special friend during an incredible shopping trip.

Field of Valor Matthew Betley, 2019-06-25 Set in the aftermath of the “riveting...action-packed” (Joan Lunden, New York Times bestselling author) Oath of Honor and the discovery of a deadly global conspiracy, the president requests Logan West to form a covert task force with the mission to dismantle a nameless enemy in this “fast, hard-hitting, and impossible to put down” (The Real Book Spy) thriller. With the full resources of the Justice Department, Intelligence Community, and the military (not to mention presidential pardons pre-signed), Logan must battle a secret organization

with the connections and funding to rival many first-world nations. The sinister goal of this organization—to pit the United States against China in a bid to dismantle the world's security and economy. Back on US soil, Logan and his task force pursue the elusive foe from the woods of northern Virginia to the banks of the Chesapeake Bay, from suburban Maryland across the urban sprawl of Washington DC. The stakes have never been higher for Logan or America itself... "Suspenseful, inventive, and relentless, *Field of Valor* unfolds at lightning pace" (Meg Gardiner, New York Times bestselling author) and is perfect for fans of the pulse-pounding works of Brad Thor, Vince Flynn, and Jack Carr.

Save It for Later Nate Powell, 2021-04-06 From Nate Powell, the National Book Award-winning artist of *March*, a collection of graphic nonfiction essays about living in a new era of necessary protest—now with sixteen pages of new material In seven interwoven comics essays, author and illustrator Nate Powell addresses living in an era of what he calls "necessary protest." *Save It for Later: Promises, Parenthood, and the Urgency of Protest* is Powell's reflection on witnessing the collapse of discourse in real-time while illustrating the award-winning trilogy *March* by Congressman John Lewis and Andrew Aydin, this generation's preeminent historical account of nonviolent revolution in the civil rights movement. Powell highlights both the danger of normalized paramilitary symbols in consumer pop culture and the roles we play individually as we interact with our communities, families, and society at large. Each essay tracks Powell's journey from the night of the election—promising his four-year-old daughter that Trump will never win—to the reality of the authoritarian presidency, protesting the administration's policies, and navigating the complications of teaching his children how to raise their own voices in a world that is becoming increasingly dangerous and more and more polarized. While six of the seven essays are new, unpublished work, Powell has also included "About Face," a comics essay first published by Popula Online that swiftly went viral and inspired him to write *Save It for Later*. The seventh and final essay was written after the 2020 presidential election, and examines the outcome of that contest in relation to the events of the last four years, with a particular focus on the COVID-19 pandemic and global protests in the wake of the murder of George Floyd. The updated paperback comes out just in time for the 2022 midterm elections and includes bonus content featuring a conversation between Powell and Derf Backderf, the New York Times–bestselling author of *My Friend Dahmer* and *Kent State*, where they discuss the militarization of civilian spaces and the aftermath of the January 6th insurrection. As Powell moves between subjective and objective experiences raising his children—depicted in their childhood innocence as imaginary anthropomorphic animals—he reveals the electrifying sense of trust and connection with neighbors and strangers in protest. He also explores how to equip young people with tools to best make their own noise as they grow up and help shape the direction and future of this country.

The Field Guide to Dumb Birds of the Whole Stupid World Matt

Kracht, 2022-01-04 Let's face it—all birds are fascinating, wonderful, idiotic jerks—no matter where in the world they reside. Following in the footsteps of the bestselling book *The Field Guide to Dumb Birds of North America*, this hilarious sequel ventures beyond to identify the stupidest birds around the world. Featuring birds from North and South America, Africa, Asia, Europe,

and Oceania, author Matt Kracht identifies the dumb birds that manage to live all over the freaking place with snarky, yet accurate, names and humorous, anger-filled drawings. This guide book details exactly how much these morons suck with facts about each bird's (annoying) call, its (stupid) migratory pattern, and its (downright tacky) markings. Complete with a matching game, bird descriptor checklist, tips on how to identify a bird (you can tell a lot by looking into a bird's eyes, for example), this profanity-laden book offers a balance of fact and wit that will appeal to hardcore birders and casual bird lovers (and haters) alike. A MUST-HAVE: A must-have sequel to the bestselling parody book *The Field Guide to Dumb Birds of North America*. UNIQUE & LAUGH-OUT-LOUD FUNNY: This is a great coffee table or bar top conversation-starting book. And a bonus, while the content is humorous, it is practical and useful! A GREAT PRESENT: This is the perfect gift for the bird lovers and haters in your life. It also makes a great Mother's Day, Father's Day, birthday, retirement, or gag gift. Perfect for: • Birdwatching and nature enthusiasts • Armchair birders (or nonbirders) • Someone who needs a quirky gift for an animal lover friend • People with serious birders in their lives who want something lighthearted

Getting the books **Matt Besser.jpg** now is not type of inspiring means. You could not by yourself going later books accretion or library or borrowing from your associates to contact them.
