We Are Here Forever Michelle Gish, 2019-07-30

It's the most adorable apocalypse ever! Based on the popular webcomic, this all-new stand-alone comics collection artfully blends post-apocalyptic sci fi, dry humor, and utter adorability. The human race has vanished replaced by innocent, playful, creatures called the Puramus. In this hilarious and epic graphic novel, short interlocking stories follow the purple pals as they explore their new home, form a mini-monarchy, and develop a modern society on par with 21st-century humans. A final act pulls us across time and space in the search for clues to the origins of the Puramus. Along the way, humor and intrigue abound: Can King defend his village when nobody understands what war is? Will Jingle work up the nerve to read her poetry at open mic night? Will Puffpuff ever stop floating? Based on the webcomic, *We Are Here Forever* is for fans of post-apocalyptic sci fi blended with dry humor and undeniable adorableness. Colorful and cartoony art will have you rooting for these cute critters through their absurd adventures...but are they really as harmless as they seem?

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

For Your Consideration: Dwayne "The Rock" Johnson Tres Dean, 2019-10-15 This illustrated collection of humorous essays and fun extras makes the case for one of our most iconic celebrities, from the wrestling mat to the silver screen. There are three certainties in life: death, taxes, and

the awesomeness of Dwayne "The Rock" Johnson. Sporting a proverbial Rotten Tomatoes score of 100 percent, Certified Fresh, The Rock embodies everything we want from our Hollywood superstars...and everything we admire in those who so boldly pursue the American dream. But how did it all happen? How did a loathed professional wrestler become the most famous person in the world? Was it just good timing? Years of trial and error? Countless hours in the gym? A winning smile? Or his total mastery of Instagram Stories? Composed of five critical essays and fun extras, For Your Consideration: Dwayne "The Rock" Johnson looks at the distinct phases of the legend's career, examining the ways in which he has become both an on-screen heartthrob and an off-screen hero to the millions (AND MILLIONS!) who've followed him from the wrestling mat to the silver screen.

Between the Flowers Harriette Simpson

Arnow, 2005-10-11 Between the Flowers is Harriette Simpson Arnow's second novel. Written in the late 1930s, but unpublished until 1997, this early work shows the development of social and cultural themes that would continue in Arnow's later work: the appeal of wandering and of modern life, the countervailing desire to stay within a traditional community, and the difficulties of communication between men and women in such a community. Between the Flowers goes far beyond categories of local color, literary regionalism, or the agrarian novel, to the heart of human relationships in a modernized world. Arnow, who went on to write Hunter's Horn (1949) and The Dollmaker (1952)—her two most famous works—has continually been overlooked by critics as a regional writer. Ironically, it is her stinging realism that is seen as evidence of her realism, evidence that she is of the Cumberland—an area somehow more regional than others. Beginning with an edition of critical essays on her work in 1991 and a complete original edition of Hunter's Horn in 1997, the Michigan State University Press is pleased to continue its

effort to make available the timeless insight of Arnow's work with the posthumous publication of *Between the Flowers*.
