❏ Paradoxical Undressing Kristin Hersh,2011-01-01 Kristin Hersh was a preternaturally bright teenager, starting university at fifteen and with her band, Throwing Muses, playing rock clubs she was too young to frequent. By the age of seventeen she was living in her car, unable to sleep for the torment of strange songs swimming around her head - the songs for which she is now known. But just as her band was taking off, Hersh was misdiagnosed with schizophrenia. Paradoxical Undressing chronicles the unraveling of a young woman’s personality, culminating in a suicide attempt; and then her arduous yet inspiring recovery, her unplanned pregnancy at the age of 19, and the birth of her first son. Playful, vivid, and wonderfully warm, this is a visceral and brave memoir by a truly original performer, told in a truly original voice.

❏ High Hopes Mark Goldman,1984-06-30 In 1901 Buffalo was the national symbol of the country’s optimism, pride, and braggadocio. Toward the close of the century, it epitomizes the sense of economic and demographic crisis prevalent in American industrial cities. High Hopes analyzes and interprets the historical forces—external and internal— that have shaped New York’s second largest city. It examines the historical shifts that have served as a catalyst in Buffalo’s growth, charting the city’s evolution from a small frontier community through its development as a major commercial center and its emergence and eventual decline as a significant industrial metropolis. Mark Goldman looks at the detailed patterns of local daily life from the settlement of the village in the early nineteenth century to the tragedy of Love Canal. In the process, he covers a wide range of topics, including work, ethnicity, family and community life, class structure, and values and beliefs. By bringing to bear on the events and developments that have shaped Buffalo a broad range of subjects and ideas, Goldman helps readers to understand the vast array of complex forces at work in the historical development of all American cities.

❏ Buffalo Unbound Laura Pedersen,2010-07-01 Writing about the economic collapse and social unrest of her 1970s childhood in Buffalo, New York, Laura Pedersen was struck by how things were finally improving in her beloved hometown. As 2008 began, Buffalo was poised to become the thriving metropolis it had been a hundred years earlier—only instead of grain and steel, the booming industries now included healthcare and banking, education and technology. Folks who’d moved away due to lack of opportunity in the 1980s talked excitedly about returning home. They missed the small-town friendliness and it wasn’t nostalgia for a past that no longer existed—Buffalo has long held the well-deserved nickname the City of Good Neighbors. The diaspora has ended. Preservationists are winning out over demolition crews. The lights are back on in a city that’s usually associated with blizzards and blight rather than its treasure trove of art, architecture, and culture.

❏ Spruce Pine David Biddix,Chris Hollifield,2009 There is a little piece of Spruce Pine in almost every home and business in America. Known as the Mineral City, Spruce Pine is the hub of mining activity in the mineral-rich Toe River valley, which provides mica, feldspar, and ultra-pure quartz for computer chips and other electronic components. Images of America: Spruce Pine is the story of a town with two main streets that was started by the arrival of the railroad. This volume includes the characters, events, tragedies, triumphs, and memories shared by town residents. From catastrophic fires, ravaging floods, and economic turmoil, to visits by U.S. presidents and the Carolina Barn Dance, it is all right here.

❏ Gangsters and Organized Crime in Buffalo Michael F. Rizzo,2012-06-12 Stories abound about legendary New York City gangsters like Lucky Luciano, but Buffalo has housed its fair share of thugs and mobsters too. While many were nothing more than common criminals or bank robbers, a powerful crime family headed by local boss Stefano Magaddino emerged in the 1920s. Close to Canada, Niagara Falls and Buffalo were perfect avenues through which to transport booze, and Magaddino and his mafiosi maintained a stranglehold on the city until his death in 1974. Local mob expert Michael Rizzo takes a tour of Buffalo’s mafia exploits everything from these brutal gangsters’ favorite hangouts to secret underground tunnels to murder.

❏ City on the Edge Mark Goldman,2010-06-03 Buffalo, New York is enjoying a resurgence, and has become a recommended travel destination. This book tells the story of how it got here. In a sweeping narrative that speaks to the serious student of urban studies as well as the general reader, Mark Goldman tells the story of twentieth-century Buffalo, New York. Goldman covers all of the major developments: - The rise and decline of the city’s downtown and ethnic neighborhoods - The impact of racial change and suburbanization - The role and function of the arts in the life of the community - Urban politics, urban design, and city planning While describing the changes that so drastically altered the form, function, and character of the city, Goldman, through detailed descriptions of special people and special places, gives a sense of intimacy and immediacy to these otherwise impersonal historical forces. City on the Edge unflinchingly documents and describes how Buffalo has been battered by the tides of history. But it also describes the unique characteristics that have encouraged an innovative cultural climate, including Buffalo’s dynamic survival instinct that continues to lead to a surprisingly and inspiring high quality of community life. Finally, it offers a road map, which-if followed-could point the way to a new and exciting future for this long-troubled city.

❏ New Micro: Exceptionally Short Fiction James Thomas,Robert Scotellaro,2018-08-28 A new collection of very short stories selected by Flash Fiction editor James Thomas and Robert Scotellaro. All of the stories in this book are exceptionally short, revealing themselves in no more than 300 words. With a foreword by Robert Shapard and an afterword by Christopher Merrill, this book brings you fresh approaches to an exacting form that demands precision, a species of brevity that is surprisingly expansive. Writers say the pieces are hard to compose, but readers say they are easy to appreciate, a pleasure to envision, a wonder to watch life spun out and painted in small places. Real and surreal, lyrical and prosaic, here are 135 stories by 89 authors, certain to make you think.

❏ Moments of Grace Laurie Blefeld,2018-04-18 Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life’s challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie’s stories and reclaim bits and pieces of your own. Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure.-Gunilla Norris, author of Sheltered in the Heart and Companions on the Way: A Little Book of Heart-Full Practices Laurie’s transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone’s life. Laurie’s generous prose connects us to her family’s living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices.- Dr. Joan Borysenko, from the Foreword

❏ City on the Lake Mark Goldman,2010-10-29 For more than a hundred years, Buffalo was one of the world’s great industrial cities. Its grand office buildings and stately mansions overlooked a metropolis that was the eleventh largest industrial center in the United States, the third largest producer of steel, and the largest inland port. Its diverse ethnic heritage, represented by sizable enclaves of Irish, Italians, Poles, Jews, Germans, and African-Americans, gave the city a vibrant sense of community.But by the early 1970’s, all of that had changed. Unrest in the inner city had led to riots; student protests had shut down the city’s largest university; and the economy in Buffalo, as in all the Rust Belt cities, was crumbling as the nation entered the postindustrial age. The population was dropping, too, dramatically altering the streets and neighborhoods where the people of this aging metropolis had lived for generations. Like the Jerusalem of Jeremiah’s Lamentations, Buffalo was a dying city whose gates were desolate and whose people were embittered.It is here that Mark Goldman’s City on the Lake takes up its story. Goldman analyzes the factors that contributed to the city’s decline and describes the efforts of its leaders and citizens to restore Buffalo to its former vitality. Goldman presents the facts - like the immigration patterns in Old Buffalo and the intricate details of the city’s 1976 desegregation case - but he also introduces us to the people of Buffalo and puts the city’s history into context by interweaving it with the colorful ethnic patchwork of its day-to-day life.By the end of this careful analysis, Goldman’s narrative is one of hope. The 1980s witnessed the slow but sure calming of ethnic strife, a new mandate for quality education, and the revitalization of downtown. Goldman believes that the grandeur of Buffalo’s past will be recaptured and that Buffalonians are dedicated to building new gates for the old city.

❏ City of Light Lauren Belfer,2010-09-01 A New York Times notable book It is 1901 and Buffalo, New York, stands at the center of the nation’s attention as a place of immense wealth and sophistication. The massive hydroelectric power development at nearby Niagara Falls and the grand Pan-American Exposition promise to bring the Great Lakes “city of light” even more repute. Against this rich historical backdrop lives Louisa Barrett, the attractive, articulate headmistress of the Macaulay School for Girls. Protected by its powerful all-male board, “Miss Barrett” is treated as an equal by the men who control the life of the city. Lulled by her unique relationship with these titans of business, Louisa feels secure in her position, until a mysterious death at the power plant triggers a sequence of events that forces her to return to a past she has struggled to conceal, and to question everything and everyone she holds dear. Both observer and participant, Louisa Barrett guides the reader through the culture and conflicts of a time and place where immigrant factory workers and nature conservationists protest violently against industrialists, where presidents broker politics, where wealthy “Negroes” fight for recognition and equality, and where women struggle to thrive in a system that allows them little freedom. Wrought with remarkable depth and intelligence, City of Light remains a work completely of its own era, and of ours as well. A stirring literary accomplishment, Lauren Belfer’s first novel marks the debut of a fresh voice for the new millennium and heralds a major publishing event.

❏ The Nick of Time Rosmarie Waldrop,2021-09-07 A philosophical tour de force melding astrophysics and grief by the American maestra of the prose poem “If memory serves, it was five years ago that yours began to refuse,” Rosmarie Waldrop writes to her husband in The Nick of Time. “Does it feel like crossing from an open field into the woods, the sunlight suddenly switched off? Or like a roof without edge or frame, pushed sideways in time?” Ten years in the making, Waldrop’s phenomenally beautiful new collection explores the felt nature of existence as well as gravity and velocity, the second hemisphere of time, mortality and aging,

LANGUAGE AND IMMIGRATION, A CHINESE PRIMER, THE ARTIST HANNAH H[?] CH, AND DWARF STARS. OF ONE SEQUENCE, “WHITE IS A COLOR,” FIRST PUBLISHED AS A CHAPBOOK, THE IRISH POET BILLY MILLS WROTE, “IN WHAT MUST BE LESS THAN 1000 WORDS, WALDROP SAYS MORE ABOUT THE HUMAN CONDITION AND HOW WE EXPLORE IT THROUGH WORDS THAN MOST OF US WOULD MANAGE IN A THOUSAND PAGES.” LOVE BLOOMS IN THE CUT, IN THE GAP, IN THE NICK BETWEEN MEMORY AND THOUGHT, SENTENCE AND EXPERIENCE. LIKE THE LATE WORK OF C[?] ZANNE, WALDROP’S ART HAS FOUND A NEW WAY OF SEEING AND THINKING THAT “VIBRATES ON MULTIPLE REGISTERS THROUGH ENDLESS, RESTLESS EXPLORATION” (CITATION FOR THE LOS ANGELES TIMES BOOK PRIZE).
