The Forest Feast Erin Gleeson, 2014-04-15 This beautifully illustrated vegetarian cookbook features 100 simple yet delicious recipes inspired by the author's rustic California home. Erin Gleeson made her dream a reality when she left New York City and moved into a tiny cabin in a California forest. Inspired by the natural beauty of her surroundings and the abundance of local produce, she began writing her popular blog, The Forest Feast. This volume collects 100 of Erin's best vegetarian recipes, most of which call for only three or four ingredients and require very few steps, resulting in dishes that are fresh, wholesome, delicious, and stunning. Among the delightful recipes are eggplant tacos with brie and cilantro, rosemary shortbread, and blackberry negroni. Vibrant photographs, complemented by Erin's own fanciful watercolor illustrations and hand lettering, showcase the rustic simplicity of the dishes.
