The Menopause Murders Mary Maloney, Ed Markel, 2023-03-01 It's a slippery slide from hormones to homicide! Meet Debbi Dickerson: mousy, codependent housewife who, at age forty-seven, feels her life is over. Her dreams of being an artist have long been discarded in the wake of her failing marriage, and her kids think she’s invisible. She’s stuck on the hamster wheel, going nowhere. That is, until menopause blindsides her. Derailed by one symptom after another, Debbi struggles to find a way to quell the hot flashes, night sweats, sudden panic attacks, and unbridled rage. The gals in her scrapbooking club give her advice on how to survive menopause, but nothing seems to help ... except killing. Meet Jerry Dickerson, Debbi’s husband: arrogant, insensitive, all-around jerk, whose greatest dream as a homicide detective is to catch a serial killer and be admired, for once. So when a series of strange deaths break out in Tacoma, Washington, Jerry is elated, but the pressure is on to catch the killer. Jerry’s boss, Sergeant Myra Manners, is also going through menopause and makes his life hell. And then there’s his teenage daughter dishing out hormones like Girl Scout cookies. Seriously, what’s a misogynist to do? Have an affair with some bubblehead, of course. As the bodies pile up, more than dishes are going to fly. Yet, there is light at the end of the tunnel of menopause and Debbi can see it. But is it a bright future or the headlights of an incoming train with Jerry's name on it? Don't miss this hilarious dark comedy caper! Your sides will hurt from laughing. The Menopause Murders, through poignant comedy, explores deep themes of sexism, ageism, and self-image issues that millions of women (and men!)—particularly those of the baby boomer generation—are facing daily and struggling with, in order to find sense, meaning, and sanity amid the insanity that is our current political and cultural state. Praise for this dark comedy women's fiction! The Menopause Murders is a fabulous book that is not only well written but the characters will make you identify and scream with laughter. As an age activist, I found the stories are right on about ageism and all the pressing issues women today face. Not one to miss! —Barbara Rose Brooker, author, *The Viagra Diaries*, and founder of the Age Equality Movement If you like your comedy dark and dotty, check out THE MENOPAUSE MURDERS by Mary Maloney and Ed Markel. Times are changing for Debbi Dickerson, dutiful housewife, loving mother, and ... serial killer? Turn down the thermostat before you turn the first page, because THE MENOPAUSE MURDERS is a hot (flash) romp through the world of female friendships, mendacious men, and hormonal horrors. —Melissa DeCarlo, author of *The Art of Crash Landing* This book was everything!! Dark comedy galore. I know that it sounds odd. But I was entranced by this book. I couldn't put it down it was so good. —Lori C. Loved this book, it was very descriptive of menopause, a quiet woman who literally loses the plot with a cheating husband, who just happens to be the detective on the job, loved it. Excited to read more books from this author. —Debbie D.
