Kylie - Naked Jenny Stanley-Clarke,2012-08-30 Kylie Naked is the bestselling biography of Kylie Minogue. First published in 2002 to coincide with her massive Fever arena tour of the UK and Europe, the book was the first to tell the story of her well publicised relationships with Michael Hutchence, Jason Donovan and James Gooding. From Neighbours to Stock Aitken and Waterman to her disco revival at the top of the charts, this intimate biography, applauded by Kylie's manager for its accuracy, explores the real woman behind the public image. Drawn from interviews with key players in the industry, Kylie, friends and colleagues, Kylie Naked was the first book to delve into the real Kylie, from her success as a soap star to her assault on the UK charts, and to this day is still regarded as the most authoritative and in-depth portrait of one of pop music's most private stars.

Kylie Kylie Minogue,1999-01-01 Large scale collection of images of pop star Kylie Minogue in a range of poses, outfits and settings, accompanied by a reflection by Minogue on life and fame. Includes comments by her friends and acquaintances and people who do not know her personally but are aware of her media presence.

Kylie Fashion Kylie Minogue,William Baker,2012 Published as part of the K25 celebrations this year, Kylie / Fashion is the official book celebrating twenty-five years since Kylie burst onto the music scene with The Locomotion and I Should Be So Lucky. This dazzling book celebrates her numerous and ground-breaking collaborations with the world's great fashion designers.

The Complete Kylie (25th Anniversary Edition) Simon Sheridan,2012-05-29 The Complete Kylie Minogue gives the most definitive overview of the performer's career ever published. From her days as a young TV actress and movie star through to her worldwide domination of the music charts as one of the globe's best-selling, and best-loved, pop stars. More so than any performer, Kylie has been an expert at changing her look, from innocent, fresh-faced teenager to confident, sexy showgirl. But Kylie is more than just an image, she is a worldwide phenomenon. The book is the very first to catalogue Kylie's multi-faceted career and her three decades of unparalleled success. Published to coincide with the 40th anniversary of her first single The Loco-Motion, this gorgeous hardcover is a must for any Kylie fan!

Kylie Sean Smith,2002 A portrait of Kylie Minogue, the Queen of Pop, who has transformed herself from innocent girl-next-door to the world's sexiest woman, with all the twists and turns in between. In a series of self-contained 'pen portraits' which together form a complete picture of her life in our times, Kylie Confidential takes the approach of looking at the pop icon in her many extraordinary incarnations - as pop puppet, as an original style setting talent and as one of the most desirable women on the planet.

Kylie Minogue's Kylie Adrian Renzo,Liz Giuffre,2023-01-12 Kylie Minogue's self-titled debut album produced hits, controversy and a perfect mainstream storm. The then soap and children's television star 'crossed over' to music with hit writer/producers SAW - and the shamelessly commercial approach of all involved saw the 'real' music industry get its back up. This book interrogates the way that commercial pop albums are remembered in both the popular music press and in academic research. Is there a way of dealing with 'mainstream' pop without denigrating the music and (just as importantly) without validating it according to the terms of a 'high art' canon? This text sheds light on the way that notions of 'mainstream' and 'other' play out in a local context-specifically, Australia and New Zealand music on a global stage.

Official Kylie Minogue Annual Chrissie Camp,Simon Fowler,1990-08-01

Kylie Julie Aspinall,2008-06-02 Kylie first made it big in the late 1980s as Charlene in the Australian soap Neighbours. Moving to England, she made the transition to pop sensation when she worked with producers Stock, Aitken and Waterman.When the hits dried up in the 1990s, Kylie was faced with her first major challenge. She had to reinvent herself for a new generation of fans. Stepping out of the shadow of her producers, she bravely forged her own path as an independent performer. But though everyone was still talking about her, she had to face the fact that she wasn't at the top any more.And so she reinvented herself again in the early 2000s as a disco diva - and this time, her career, which appeared to be in gentle but terminal decline, was turned around dramatically. Songs such as Spinning Around and Can't Get You Out Of My Head were pop classics and provided reason enough for the public that had always held her in huge affection to fall in love all over again. Kylie-mania spread all over the world and her reputation was sealed - she was an international superstar.After her traumatic battle with breast cancer, the Aussie diva came back stronger and sexier than ever, putting on a breath-taking comeback with her ever-elaborate Showgirl tour. Now, still a firm favourite with the public, Kylie Minogue can do no wrong. And twenty years on from the release of her first single Loco-Motion, with over 40 million records sold and her tenth studio album released, she is showing no signs of slowing down. The Queen of Pop is definitely here to stay - this is her story.
