**The Sporty One** Melanie Chisholm,2022-09-27 An intimate memoir from international pop star Melanie Chisholm--better known as Mel C. or Sporty Spice--chronicling her trajectory from small-town girl to overnight icon as part of the Spice Girls. 25 years ago, The Spice Girls, a girl band that began after five women answered an ad in the paper, released their first single. 'Wannabe' became a hit and from that moment and, almost overnight, Melanie Chisholm went from small town girl to Sporty Spice, part of one of the biggest music groups in history. Beginning in her bedroom in the north-west of England dreaming of performing on stage, THE SPORTY ONE follows the meteoric rise of the Melanie and The Spice Girls, from the incredible highs of becoming one of the world's most recognizable popstars - playing at Wembley, conquering the BRITs, closing the Olympics - to the difficult lows. For the first time ever, Melanie talks about the pressures of fame, the shaming and bullying she experienced, the struggles she has had with her body image and mental health, and the difficulty of finding yourself when the whole world knows your name. THE SPORTY ONE is an incredible story of resilience, hope and how you can find your power.

Brutally Honest Melanie Brown,Louise Gannon,2018-11-27 'Utterly absorbing and deeply affecting' - The Guardian As a Spice Girl, TV talent show judge and Broadway star, Mel B a.k.a Scary Spice, has been a global icon since her twenties. But behind the glittering façade of fame, the struggles and pain of this working-class, mixed-race girl from Leeds are laid bare in her critically acclaimed best-selling memoir, Brutally Honest. With deep personal insight, remarkable frankness and trademark Yorkshire humour, the book tells how she went from Girl Power to girl powerless during her ten-year emotionally abusive marriage. Tracing a path through the key moments in her life, she reflects on her childhood, rise to fame and her chilling downward spiral before she finally broke free. In this expanded edition, written with Louise Gannon, Mel brings her story up to date. With her trademark honesty, she tells the unfiltered story of piecing herself back together, dealing with trauma and new heartbreak whilst becoming a champion for survivors of abuse, performing once more with the Spice Girls and receiving her MBE from Prince William.

QF32 Richard de Crespigny,2012-08-01 QF32 is the award winning bestseller from Richard de Crespigny, author of the forthcoming Fly!: Life Lessons from the Cockpit of QF32 On 4 November 2010, a flight from Singapore to Sydney came within a knife edge of being one of the world's worst air disasters. Shortly after leaving Changi Airport, an explosion shattered Engine 2 of Qantas flight QF32 - an Airbus A380, the largest and most advanced passenger plane ever built. Hundreds of pieces of shrapnel ripped through the wing and fuselage, creating chaos as vital flight systems and back-ups were destroyed or degraded. In other hands, the plane might have been lost with all 469 people on board, but a supremely experienced flight crew, led by Captain Richard de Crespigny, managed to land the crippled aircraft and safely disembark the passengers after hours of nerve-racking effort. Tracing Richard's life and career up until that fateful flight, QF32 shows exactly what goes into the making of a top-level airline pilot, and the extraordinary skills and training needed to keep us safe in the air. Fascinating in its detail and vividly compelling in its narrative, QF32 is the riveting, blow-by-blow story of just what happens when things go badly wrong in the air, told by the captain himself. Winner of ABIA Awards for Best General Non-fiction Book of the Year 2013 and Indie Awards' Best Non-fiction 2012 Shortlisted ABIA Awards' Book of the Year 2013

Drinking Jokes Mel C Thompson,2021-06-14 Break the ice at any party with this fun book of one-liners and short jokes. The first section is all drinking jokes that everyone can relate to, and the second section is a collection of my comedy gags from back in my social media days. The third section is a small selection of jokes I did back when I was a part-time on-air personality at a rap station in San Francisco. These jokes maintain an edge, and so no one is safe from being teased. The work is totally non-partisan, so everyone comes in for a solid teasing. And while the first section can apply to drinkers of all types, it was written largely under the influence of wine, mostly Chardonnay and Cabernet Sauvignon to be more specific. The second section is largely excerpts from my Facebook feed which served as daily entertainment to folks who had previously known me in the live-poetry years and the Tribe.net years . The third section contains short works from the time I labored daily to come up with 30-second to 60-second gags for the introduction to the morning show at KMEL back around the year 2,001. And the last section is drawn from my meme-making era.

**Spice Girls: The Story of the World's Greatest Girl Band** Sean Smith,2020-08-06 'Get the inside scoop on all things Spice!' OK! Magazine 'A compelling new book' Daily Express Intimate and revealing, Spice Girls is the definitive story of the world's most iconic girl group. Through compelling new research and interviews, Sunday Times best-selling biographer Sean Smith reveals what life was really like for five fiercely independent and ambitious young women who were propelled to international fame in the 90s with unstoppable momentum. Quickly establishing themselves as the biggest success in British pop music since The Beatles, they were adored and admired in equal measure: the Spice Girls made a connection with millions of young women across the globe who were inspired by their enthusiasm for life and their famous Girl Power philosophy. The fab five became one of the most successful music acts in history, with more than 85 million record sales world-wide and nine UK number one singles. Throughout the years, their lives have garnered unprecedented levels of media interest and fans have keenly followed their ups and downs - the personal conflicts, celebrity break-ups, controversies and parenthood. One thing's for sure: they are never boring. In 2019, the prospect of their reunion tour has led to an outpouring of adoration and excitement, proving that the Spice Girls truly are an enduring cultural phenomenon.

If Only Geri Halliwell,2002 The former Spice Girl known as Ginger Spice takes readers inside the life that led to Girl Power, revealing the real woman beneath the glamorous facade. Part coming-of-age story, part celebrity memoir, Halliwell relates how she has gone from an international pop star who walked away from it all to her role as Goodwill Ambassador for the United Nations.
