

Rapper Psy Gangnam Style.jpg

Sarah Tieck

Fame: PSY , Korean Rapper PSY-. Thanks to YouTube, he became a global star over night in his mid-thirties with only one hit song Gangnam Style the lyric of which is out of the ordinary and wacky Horse Riding Dance. PSY is a man of stubby build, not handsome and his stage costumes are unusual to say the least. So it can be confusing whether he is a singer or a comedian. But then what's the appeal of him? It is his success story which is going to tell the readers the right answer. Plus, the readers can learn How to do Horse Riding Dance from PSY in the comic exactly.

PSY:Gangnam Style Rapper Sarah Tieck,2013-09-01
Colorful graphics, oversized photographs, and short, engaging sentences draw readers in to the fascinating life of rapper Park Jae-sang, better known as PSY, the creator of Gangnam Style! Readers will follow PSY's journey, from his youth in the Gangnam District of Seoul, South Korea, to his time at Boston University and Berklee College of Music, to his thriving career in the K-pop industry. They'll learn about PSY's albums, from his debut PSY from the PSYcho World! up through PSY's Best 6th Part 1, his 2012 album containing Gangnam Style. Thanks to YouTube, Gangnam Style quickly became a pop culture phenomenon, enticing millions worldwide to do the famous horse dance! Also covered is PSY's family life, his work with well-known manager Scooter Braun, and his 2012 MTV award. Features include table of contents, map, fact boxes, facts page with PSY's vital information, glossary, and index. Aligned to Common Core Standards and correlated to state standards. Big Buddy Books is an imprint of Abdo Publishing, a division of ABDO.

Colorful graphics, oversized photographs, and short, engaging sentences and paragraphs will encourage reluctant readers to dive into these fascinating lives! Buddy Books is an imprint of ABDO Publishing Company.

New Korean Wave Dal Jin, 2016-03-15 The 2012 smash Gangnam Style by the Seoul-based rapper Psy capped the triumph of Hallyu, the Korean Wave of music, film, and other cultural forms that have become a worldwide sensation. Dal Yong Jin analyzes the social and technological trends that transformed South Korean entertainment from a mostly regional interest aimed at families into a global powerhouse geared toward tech-crazy youth. Blending analysis with insights from fans and industry insiders, Jin shows how Hallyu exploited a media landscape and dramatically changed with the 2008 emergence of smartphones and social media, designating this new Korean Wave as Hallyu 2.0. Hands-on government support, meanwhile, focused on creative industries as a significant part of the economy and turned intellectual property rights into a significant revenue source. Jin also delves into less-studied forms like animation and online games, the significance of social meaning in the development of local Korean popular culture, and the political economy of Korean popular culture and digital technologies in a global context.

Fame M. Choi, 2017-11-25 Korean Rapper PSY-. Thanks to YouTube, he became a global star overnight in his mid-thirties with only one hit song Gangnam Style the lyric of which is out of the ordinary and wacky Horse Riding Dance. PSY is a man of stubby build, not handsome and his stage costumes are unusual to say the least. So it can

be confusing whether he is a singer or a comedian. But then what's the appeal of him? It is his success story which is going to tell the readers the right answer. Plus, the readers can learn How to do Horse Riding Dance from PSY in the comic exactly. As featured on CNN, Time Magazine, People Magazine, LA Times, OK Magazine, and MSNBC! FAME is a comic book biography series that focuses on the biggest and brightest stars in the world! Read about the world of PSY!

How to Live Korean Soo Kim, 2020-11-17 How to Live Korean takes a deep-dive into Korean culture, unpacking what it means to be Korean in all its forms and uncovering the way the locals think, what they enjoy getting up to and who they do it with. Whether it's Korean movie Parasite sweeping the Oscars, the explosion of interest in K-pop, Blackpink becoming the world's biggest girl band, the dominance of the global smartphone market, foodies going crazy for bibimbap and kimchi or the incredible hype around K-beauty products - Korea is having a moment. But how much do you know about the real Korea; the locals' take on their amazing country? That's where this illuminating culture guide comes in, shining a light on Korea's compelling history and stunning geography, its unique customs and the quirks of daily life. The mainstays of Korea's vibrant cultural life and style are covered in detail, giving you the lowdown on the country's burgeoning film industry, Korean's unique take on fandom, the quirky fashion scene and the innovative hubs for art and design. If you ever have wanted to learn how to date like a Korean, know where the locals hang out in Seoul, honeymoon like Korean newlyweds, discover the correct way to eat Korean food or use the art of nunchi to improve your emotional intelligence, this insider's guide to the heart and soul of Korea is not to be missed. From the How To Live... series of insightful guides to some of the most

intriguing cultures and locations on the planet, other books available include How To Live Japanese, How To Live Icelandic and How to Live North.

Birds of Paradise Lost Andrew Lam, 2012-03-01
From the award-winning author of *Perfume Dreams*, a collection of thirteen short stories following Vietnamese immigrants new to the United States. The thirteen stories in *Birds of Paradise Lost* shimmer with humor and pathos as they chronicle the anguish and joy and bravery of America's newest Americans, the troubled lives of those who fled Vietnam and remade themselves in the San Francisco Bay Area. The past—memories of war and its aftermath, of murder, arrest, re-education camps and new economic zones, of escape and shipwreck and atrocity—is ever present in these wise and compassionate stories. It plays itself out in surprising ways in the lives of people who thought they had moved beyond the nightmares of war and exodus. It comes back on TV in the form of a confession from a cannibal; it enters the Vietnamese restaurant as a Vietnam Vet with a shameful secret; it articulates itself in the peculiar tics of a man with Tourette's Syndrome who struggles to deal with a profound tragedy. *Birds of Paradise Lost* is an emotional tour de force, intricately rendering the false starts and revelations in the struggle for integration, and in so doing, the human heart. *Finalist for the California Book Award* "His stories are elegant and humane and funny and sad. Lam has instantly established himself as one of our finest fiction writers." —Robert Olen Butler, Pulitzer Prize-winning author of *Perfume Mountain* "Read Andrew Lam, and bask in his love of language, and his compassion for people, both those here and those far away." —Maxine Hong Kingston, award-winning author of *The Woman Warrior*

K-Pop Stuart A. Kallen, 2014-02-01 Featuring

quirky horse-riding dance moves and an infectious electronic beat, an unlikely music video and its leading man made history in 2012. In December of that year, Gangnam Style reached one billion hits on YouTube--the most views ever. Seemingly overnight, the South Korean pop star behind the hit--Psy (Park Jae-sang)--became a household name. But Psy is just part of the story. Other South Korean pop sensations such as Girls' Generation, 2NE1, and BigBang are part of a global sensation called Hallyu, or the Korean Wave. South Korean bands are performing to sold out arenas all over the world, and fans can't get enough of South Korean music, films, television, food, and manhwa (cartoons). K-Pop: Korea's Musical Explosion traces the journey of South Korean pop music, from the early influences of American rock 'n' roll in the 1950s to the success of a tiger-eyed sensation called Rain, who wowed American audiences in the early 2000s. Discover how this Korean Justin Timberlake, and those who came after him, rose through South Korea's star-making system through grueling hard work to seduce international audiences with their tight choreographies, irresistible beats, outrageous outfits, and exciting stage shows. You'll become part of the K-Pop fandom world too!

The Birth of Korean Cool Eunyoung Hong, 2014-08-14
How did a really unhip country suddenly become cool? How could a nation that once banned miniskirts, long hair on men and rock 'n' roll come to mass produce pop music and a K-pop star that would break the world record for the most YouTube hits? Who would have predicted that a South Korean company that used to sell fish and fruit (Samsung) would one day give Apple a run for its money? And just how does South Korea plan to use pop culture to beat America at its own game. Welcome to South Korea: The Brand. In The Birth of Korean Cool journalist Eunyoung Hong uncovers the roots

of the 'Korean Wave': a fanaticism for South Korean pop culture that has enabled them to make the rest of the world a captive market for their products by first becoming the world's number one pop culture manufacturer. South Korea's economic development has been nothing short of staggering - leapfrogging from third-world to first-world in just a few years and continuing to grow at a rapid and unprecedented rate - and for the first time The Birth of Korean Cool will give readers exclusive insight into the inner workings of this extraordinary country; it's past, present and future.

Why White Kids Love Hip Hop Bakari

Kitwana, 2006-05-30 Our national conversation about race is ludicrously out of date. Hip hop is the key to understanding how things are changing. In a provocative book that will appeal to hip-hoppers both black and white and their parents, Bakari Kitwana deftly teases apart the culture of hip-hop to illuminate how race is being lived by young Americans. Why White Kids Love Hip Hop addresses uncomfortable truths about America's level of comfort with black people, challenging preconceived notions of race. With this brave tour de force, Bakari Kitwana takes his place alongside the greatest African-American intellectuals of the past decades.

The New Koreans Michael Breen, 2017-04-04 Just a few decades ago, the Koreans were an impoverished, agricultural people. In one generation they moved from the fields to Silicon Valley. The nature and values of the Korean people provide the background for a more detailed examination of the complex history of the country, in particular its division and its emergence as an economic superpower. Who are these people? And where does their future lie?--

Peter Duggan's Artoons Peter Duggan, 2015-10-29 Ever wondered why The Scream brings a smile to the

faces of people worldwide? Felt inadequate because you don't find the Sistine Chapel ceiling as funny as it should be? After reading this book you'll never be daunted by art again. From Pop Art to Pollock, Renoir to Rodin, Hockney to Hirst and Matisse to Monet, Peter Duggan's *Artoons* is a clever and satirical series of cartoons on artists, artworks and all things art related from the popular Guardian Online series by Peter Duggan. With over 100 unique takes on the history of art, Peter Duggan's *Artoons* will have you laughing along with the rest of the gallery crowd. The perfect gift for people who love both art and smiling and will make you look at your favourite paintings in a new and surprising way.

Studying Popular Music Culture Tim Wall, 2013-02-28 That rare thing, an academic study of music that seeks to tie together the strands of the musical text, the industry that produces it, and the audience that gives it meaning... A vital read for anyone interested in the changing nature of popular music production and consumption - Dr Nathan Wiseman-Trowse, The University of Northampton Popular music entertains, inspires and even empowers, but where did it come from, how is it made, what does it mean, and how does it eventually reach our ears? Tim Wall guides students through the many ways we can analyse music and the music industries, highlighting crucial skills and useful research tips. Taking into account recent changes and developments in the industry, this book outlines the key concepts, offers fresh perspectives and encourages readers to reflect on their own work. Written with clarity, flair and enthusiasm, it covers: Histories of popular music, their traditions and cultural, social, economic and technical factors Industries and institutions, production, new technology, and the entertainment media Musical form, meaning and representation Audiences and

consumption. Students' learning is consolidated through a set of insightful case studies, engaging activities and helpful suggestions for further reading.

East Eats West Andrew Lam, 2019-05-03 "Includes some of Lam's most memorable writings, about cuisine, self-esteem, sex and kung fu, all seen from a two-hemisphere perspective." -SFGate East Eats West shines new light on the bridges and crossroads where two global regions meld into one worldwide "immigrant nation." In this new nation, with its amalgamation of divergent ideas, tastes, and styles, today's bold fusion becomes tomorrow's classic. But while the space between East and West continues to shrink in this age of globalization, some cultural gaps remain. In this collection of twenty-one personal essays, Andrew Lam, the award-winning author of *Perfume Dreams*, continues to explore the Vietnamese diaspora, this time concentrating not only on how the East and West have changed but how they are changing each other. Lively and engaging, *East Eats West* searches for meaning in nebulous territory charted by very few. Part memoir, part meditation, and part cultural anthropology, *East Eats West* is about thriving in the West with one foot still in the East. "In these lovely, wise, probing essays, Andrew Lam not only illuminates the crucial twenty-first-century issues of immigration and cultural identity but the greater, enduring issues of what it means to be human . . . a compelling book." -Robert Olen Butler, Pulitzer Prize-winning author "Andrew Lam is an expert time-traveler, collapsing childhood and adulthood; years of war and peace; and the evolution of language in his own life, time, and mind. To read Andrew's work is a joy and a profound journey." -Farai Chideya, author of *The Episodic Career* "One of the best American essayists of his generation." -Wayne Karlin, author of *A Wolf by the Ears*

Soul in Seoul Crystal S. Anderson, 2020-08-25 K-pop (Korean popular music) reigns as one of the most popular music genres in the world today, a phenomenon that appeals to listeners of all ages and nationalities. In *Soul in Seoul: African American Popular Music and K-pop*, Crystal S. Anderson examines the most important and often overlooked aspect of K-pop: the music itself. She demonstrates how contemporary K-pop references and incorporates musical and performative elements of African American popular music culture as well as the ways that fans outside of Korea understand these references. K-pop emerged in the 1990s with immediate global aspirations, combining musical elements from Korean and foreign cultures, particularly rhythm and blues genres of black American popular music. Korean solo artists and groups borrow from and cite instrumentation and vocals of R&B genres, especially hip-hop. They also enhance the R&B tradition by utilizing Korean musical strategies. These musical citational practices are deemed authentic by global fans who function as part of K-pop's music press and promotional apparatus. K-pop artists also cite elements of African American performance in Korean music videos. These disrupt stereotyped representations of Asian and African American performers. Through this process K-pop has arguably become a branch of a global R&B tradition. Anderson argues that Korean pop groups participate in that tradition through cultural work that enacts a global form of crossover and by maintaining forms of authenticity that cannot be faked, and furthermore propel the R&B tradition beyond the black-white binary.

Billion Jokes, A (Volume 1) Peter Serafinowicz, 2012-12-01 An endlessly inventive book of one-liners from the cult comedian, actor and Twitter legend. I used to find buying books from Amazon slow and inconvenient, until one day

the receptionist suggested I use their website. If you're new to Twitter, you'll probably at some point ask what PSQA means, and why it trends worldwide on a weekly basis. Peter Serafinowicz's Questions and Answers is a showcase for the razor wit and joyful nonsense of one of Britain's cleverest comedians, firing back genuinely funny instant replies to a stream of questions from the general public. This book collects together over a thousand jokes from both PSQA and Peter's own store of one-liners in a stylish, faux-Victorian, gifty hardback, just in time for Christmas. I prefer to call Swiss cheese 'sparkling cheese' Some very sweaty geniuses are actually 100% perspiration The final version of James Brown's Sex Machine contained over 6,000 moving parts Who would be your dream dinner party guests, living or dead? I'd choose 'living' Spiderman's pyjamas are just a looser-fitting version of his daytime suit I think pigs have that curious smile because they know how delicious they are

Hallyu 2.0 Sangjoon Lee, Abé Markus

Nornes, 2015-06 The first scholarly volume to investigate the impact of social media and other communication technologies on the global dissemination of the Korean Wave

Perfume Dreams Andrew Lam, 2019-05-03 "Much will be made—and rightly so—of the eloquent commentary [Lam's] essays provide on Vietnam and the Vietnamese . . . a fascinating and important book." —Robert Olen Butler, Pulitzer Prize-winning author A PEN American Beyond Margins Award winner In his long-overdue first collection of essays, noted journalist and NPR commentator Andrew Lam explores his lifelong struggle for identity as a Viet Kieu, or a Vietnamese national living abroad. At age eleven, Lam, the son of a South Vietnamese general, came to California on the eve of the fall of Saigon to communist forces. He traded his Vietnamese name for a more American one and

immersed himself in the allure of the American dream: something not clearly defined for him or his family. Reflecting on the meanings of the Vietnam War to the Vietnamese people themselves—particularly to those in exile—Lam picks with searing honesty at the roots of his doubleness and his parents' longing for a homeland that no longer exists. "Lam shatters the assumptions of readers who have encountered the Vietnam experience only through American pop culture . . . He writes with the delicacy and intensity of a poet." —Los Angeles Times Book Review "Andrew Lam writes with the honesty of a true journalist and the feeling of a born storyteller. On his many journeys between Vietnam and the U.S., he sees first-hand the global consequences of war. *Perfume Dreams* is a meaningful book for our times." —Maxine Hong Kingston, national bestselling author of *The Woman Warrior* "Lam's insights into Asian American life are reflected in candid, witty anecdotes that reveal much about the difficulties of living in two cultures." —Audrey Magazine

Videocracy Kevin Allocca, 2018-01-23 From YouTube's Head of Culture and Trends, a rousing and illuminating behind-the-scenes exploration of internet video's massive impact on our world. Whether your favorite YouTube video is a cat on a Roomba, "Gangnam Style," the "Bed Intruder" song, an ASAPscience explainer, Rebecca Black's "Friday," or the "Evolution of Dance," Kevin Allocca's *Videocracy* reveals how these beloved videos and famous trends--and many more--came to be and why they mean more than you might think. YouTube is the biggest pool of cultural data since the beginning of recorded communication, with four hundred hours of video uploaded every minute. (It would take you more than sixty-five years just to watch the vlogs, music videos, tutorials, and other content posted in a single day!) This

activity reflects who we are, in all our glory and ignominy. As Allocca says, if aliens wanted to understand our planet, he'd give them Google. If they wanted to understand us, he'd give them YouTube. In Videocracy, Allocca lays bare what YouTube videos say about our society and how our actions online--watching, sharing, commenting on, and remixing the people and clips that captivate us--are changing the face of entertainment, advertising, politics, and more. Via YouTube, we are fueling social movements, enforcing human rights, and redefining art--a lot more than you'd expect from a bunch of viral clips.

Media Messages Linda Holtzman, Leon Sharpe, 2014-12-18 The new edition of this widely adopted book reveals how the popular media contribute to widespread myths and misunderstanding about cultural diversity. While focused on the impact of television, feature film, and popular music, the authors reach far beyond media to explore how our understanding, values, and beliefs about race, class, gender and sexual orientation are constructed. They analyze how personal histories, combined with the collective history of oppression and liberation, contribute to stereotypes and misinformation, as well as how personal engagement with media can impact prospects for individual and social freedom. Along with updated media examples, expanded theories and analysis, this edition explores even more deeply the coverage of race in two chapters, discusses more broadly how men and boys are depicted in the media and socialized, and how class issues have become even more visible since the Great Recession of the 21st century and the Occupy movements. Special activities and exercises are provided in the book and an online Instructor's Manual is available to adopters.
