Ashling Isobelle Carmody,2008-12-09 As head of Obernewtyn's Farseeker guild, Elspeth Gordie must travel to the lowlands to seal an alliance between Obernewtyn and the rebel forces that oppose the totalitarian Council. Yet her dreams call to her with an altogether different purpose: Elspeth must destroy what remains of the weapons that brought unimaginable chaos, death, and mutation to her world. Leaving the relative safety of the mountains, Elspeth embarks on a journey that takes her across the sea and into the heart of the mysterious desert region of Sador.

Engineer's Field Book Charles S. Cross,1893

Grids & Guides Princeton Architectural Press,2015-09 I've tasted the fine wine and I can't go back. It is the Princeton Architectural Press Grids & Guides Notebook, and it is not like other notebooks.--The Strategist, NY Magazine The perfect notebook for creative thinkers: Much more than a standard graph paper notebook, Grids & Guides notebooks combine a variety of eight different grid paper patterns so you can find the perfect starting place for creative thinking. Forget your grid dot notebook and see what ideas emerge with a coordinate map grid, an isometric grid, a point grid, and more, made for sketches, lists, data, and dreams. Interspersed with infographics: Find inspiration in the cool infographics interspersed throughout the notebook. Unexpected and informative, the notebook includes 16 pages of charts, infographics, table, and other scientific resources, covering a wide range of topics, from knot tying to logic expressions. A sleek cloth-covered hardcover that's highly portable: The Grids and Guides Red notebook is the perfect size to throw in your backpack for a day hike, or to use as a lab notebook. The textured cloth-covered hardcover design is luxurious and sturdy. Creatives will love the versatility of the different grids, combined with the professional look of the cover. This notebook graph paper is a great gift for designers, engineers, architects, and anyone in a creative industry.

Collectible Lighters Juan Manuel Clarke,2002 The lighter was invented less than a century ago and has since become an extremely popular collector's item, available in every imaginable shape and style. The contents of this richly illustrated volume range from the humble Bic (albeit with stylish James Bond designs), to the most luxurious of lighters. There are, of course, many examples of the archetypal Zippo, as well as brands like Dupont, Dunhill, and Polaire. *Collectible Lighters* is a perfect source on the topic for all those interested in lighters, whether vintage or novelty, elegant or fun.

The Bone Weaver's Orchard Sarah Read,2019-02-01 He's run away home. That's what they say every time one of Charley Winslow's friends vanishes from The Old Cross School for Boys. It's just a tall tale. That's what they tell Charley when he sees the ragged grey figure stalking the abbey halls at night. When Charley follows his pet insects to a pool of blood behind a false wall, he could run and let those stones bury their secrets. He could assimilate, focus on his studies, and wait for his father to send for him. Or he could walk the dark tunnels of the school's heart, scour its abandoned passages, and pick at the scab of a family's legacy of madness and murder. With the help of Sam Forster, the school's gardener, and Matron Grace, the staff nurse, Charley unravels Old Cross' history and exposes a scandal stretching back to when the school was a home with a noble family and a dark secret--a secret that still haunts its halls with scraping steps, twisting its bones into a new generation of nightmares.

Full Focus Planner - Grey 4.0 Michael Hyatt & Co,2019-05

The Bullet Journal Method Ryder Carroll,2021-12 THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you

can imagine' Hal Elrod, author of *The Miracle Morning* In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls intentional living: making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. ***

Watercolor Feathers Journal (Diary, Notebook) Inc. Peter Pauper Press,2017-06 May the fabulous feathers on the covers of this gorgeous journal lift your writing to new heights! 160 lightly-lined pages provide plenty of space for notes, sketches, favorite quotations, and personal reflections. Acid-free archival paper takes pen or pencil beautifully. Gold foil tracery outlines the details of each cover feather. Raised embossing lends dimension. A Prussian blue elastic band attached to the back cover keeps your place or keeps journal closed. Bronze interior endsheets complement the design. Inside back cover pocket holds notes, mementos, and more. Journal measures 6-1/4 inches wide by 8-1/4 inches high.

Apple Design Friedrich von Borries,2011 This volume compares various approaches to design and casts light on numerous aspects of design history, deepening one's understanding of contemporary industrial design.

Japanese Screen Peter Pauper Press,2004-04 Embossed with gold foil accents.

Inked Joe Dator,2021-10-19 Joe Dator makes me laugh. Everybody loves to look behind the scenes and his new book shows the secrets, inspirations, heartaches, and triumphs of a life in cartoons. Christopher Guest and I have a collection of original cartoons, and we love our Joe Dator! —Jamie Lee Curtis From inspiration to conception and all the trials in-between. Inked is a collection of cartoons from one of the New Yorker's most beloved cartoonists. Filled with more than 150 of Dator's single-panel cartoons, this lively, quick-witted book betrays a deadpan sense of humor. But Inked is more than a book of cartoons. Dator also dives into the creative process, offering bonus commentary on how ideas have come to fruition, how one idea has led to another, and the various attempts to get an idea right. Along the way, he shows how a spark of imagination has turned into a laugh-out-loud moment with only a single image and caption, and how other attempts have found themselves on the cutting-room floor.

The Little Wooden Robot and the Log Princess Tom Gauld,2021-08-24 A New York Times/New York Public Library Best Illustrated Book of the Year In this fresh new fairy tale, a wooden robot embarks on a quest to find his missing sister-- making for a memorable contemporary bedtime story in

acclaimed graphic novelist Tom Gault's first picture book for children. For years, the king and queen have tried desperately to have a baby. Their wish was granted twice, when an engineer and a witch gave them a little wooden robot and an enchanted log princess. But there's just one catch: every night when the log princess sleeps, she transforms back into an ordinary log, and can only be woken up with magic words. The princess and her robot brother are inseparable, until the sleeping princess, mistaken for lumber, is accidentally carted off to parts unknown. Now it's up to her devoted brother to find her, and get them safely back home. They need to take turns to get each other home, and on the way, they face a host of adventures involving the Queen of Mushrooms, a magic pudding, a baby in a rosebush, and an old lady in a bottle. This is acclaimed graphic novelist Tom Gault's first picture book for children, inspired by a bedtime story he made up for his daughters. In his words, I was trying to make a book inspired by three different sets of books: The books that I remember enjoying as a child, the books that I watched my daughters enjoying, and the books I enjoy now as an adult. I wanted the book to have its own quirky feeling but also to function like a classic bedtime story. AKIRA: Art of Wall Katsuhiko Otomo, 2022-10-04 AD 2019: The year the world caught up to AKIRA. Two years before this milestone, author Katsuhiko Otomo worked with artist Kosuke Kawamura to enrobe a Tokyo city block in a collage of gripping moments from the manga that revolutionized an art form. Then, over the next two years, he did it twice more. The result: three electrifying compilations of Otomo's art, meandering across the city. And now you can take them home. From 2017-2019, the throngs passing through Tokyo's emblematic Shibuya neighborhood were lucky enough to witness a massive art project. The PARCO department store was closed for renovation, and Katsuhiko Otomo and collage artist Kosuke Kawamura seized on the opportunity to stretch Otomo's landmark manga AKIRA across the barriers separating the construction site from the bustling nightlife of Shibuya, Tokyo. When the project was completed, it was 2019: the very year the story of AKIRA began. To commemorate this milestone, a silver foil-coated collector's box presents an exquisite reproduction of Otomo and Kawamura's work, with the specifications overseen and approved by Otomo-sensei personally. Nearly 75 feet (22.7 meters) of illustrations, speech balloons, and text selected from AKIRA's six volumes stretch across three accordion-bound volumes. A fourth volume includes an exclusive interview with Otomo and Kawamura, as well as photographs of the original exhibition by award-winning photographer TAKAMURADAISUKE. Rounding out the box is a dramatic, 16.5x23.4-inch poster. In this form, Kawamura's recontextualization of Otomo's manga is reminiscent of traditional Japanese emaki (picture scrolls), the narrative scrolls that some scholars see as manga's most ancient ancestors. Don't miss this change to own a singular artifact in the history of anime and manga. Contains Scroll 1: Oct. 25, 2017-May 15, 2018. 29.3 feet (8.94 meters). Scroll 2: May 16, 2018-Feb. 27, 2019. 22.6 feet (6.88 meters). Scroll 3: Feb. 28, 2019-Aug. 8, 2019. 22.6 feet (6.88 meters). 430 x 607 mm poster 52-page hardcover catalog book including new interviews with Katsuhiko Otomo and Kosuke Kawamura and photographs by TAKAMURADAISUKE Rigid, silver cold foil-wrapped box

The perfect gift for adult and student artists alike. Blank / Unlined Sketchbooks are perfect for: Art Classes Summer Travel Figure Sketching Doodling Teacher Gifts

The Reverse Coloring BookTM: Mindful Journeys Kendra Norton,2022-11-08 It's like meditation with a pen—with the colors set down you begin to make lines, lines that calm you, lines that inspire you, lines that absorb you, until the world, and your thoughts, fall away and all that's left is a perfect flow of attention and concentration. It hardly matters what you make. It's the act of making that liberates you from distraction and busyness. Each of the first two Reverse Coloring books—with over 205,000 copies in print in just a year—frees the imagination and encourages the user to be calm and creative. But Mindful Journeys takes it one step further with 50 new and original watercolors created specifically to promote mindfulness. Abstract compositions in calming blues and greens. A shower of circles that suggests the infinity of the sky. Swirls of flowery patterns that evoke mandalas. Spiritual symbols, like a yin-yang, a hamsa hand, a flaming heart. Watery waves, and a curling peacock feather. The possibilities are endless. Trace, sketch, doodle, shade, cover with dots or make a world of images. And lose yourself in time and space. Images in the book are printed on sturdy paper that's single-sided and perforated. All you need is your favorite pen.

Sketchbook from the Battlefield Franz Marc,2016 New reproduction of the artist's Skizzenbuch aus dem Felde, with afterword translated into English. The sketches were created from March to June 1915, while Marc was serving on the Western Front of World War I. The originals are owned by the Graphische Sammlung der Staatsgalerie Stuttgart. Released in celebration of the artist's 100th birthday.
