Dogs in Origami Nick Robinson,2019-05-15 No two dogs are the same, and this winsome collection of canine origami models offers a fun-filled variety of pooches, each with a distinctive personality. Twenty original designs include such familiar breeds as a hound, a bulldog, and an Alsatian as well as plenty of lovable mutts. As with most origami projects, these figures allow for a virtually limitless number of variations — with a little tweaking, you can customize your origami dogs to give them unique characteristics. Along with step-by-step directions, easy-to-follow diagrams, and links to video tutorials, each model features a full-color image of the finished dog. Projects are rated according to difficulty by means of a one-to-five paw rating, and a brief introductory chapter explains folding techniques and suggestions for how to choose the most appropriate origami paper. In addition to your own pack of playful pups, you can create charming handmade gifts for friends and family.

Dogs in Origami John Montroll,2017-11-15 Suitable for folders of intermediate to advanced skills, the book presents step-by-step instructions and full-color photographs for more than two dozen breeds ranging from the familiar to the more exotic.

How to Make Tiny Paper Mache Dogs Jonni Good,2014-05 The author makes it easy for you to create a tiny paper mache dog of your own. You only need a few basic tools and some materials that you may already have lying around the house. The only thing you may need to purchase is a few feet of aluminum wire for the armature -- or use some wire you alredy have on hand. First, choose a pattern from the 27 breeds included in the book. Then build your armature by bending the wires, using the pattern for a guide. This makes sure that your finished sculpture will have the right proportions for your breed. Add a few bits of crumpled aluminum foil to round out the forms, with the pattern guiding you, and then twist and bend your little dog into any position you desire. With these simple steps it's easy to create a lively original sculpture of your own design. When your armature is finished, the author shows you how to make the two layers of paper mache as smooth as you want it to be. You can add wrinkles, fur, happy mouths and other details after the paper mache is dry. If you would like to paint your dog, you can use the author's recipe for an inexpensive home-made gesso to add interesting textures. Then the author gives you suggestions for painting your sculpture, including an easy way to paint brindled spots, how to give an all-white dog an interesting coat, how to emphasize heavily-textured fur with acrylic glazing liquid, and more. The author is a well-known paper mache artist who has written several popular books on the subject. She also writes tutorials and creates videos for her blog, at UltimatePaperMache.com.

The Forever Dog Rodney Habib,Karen Shaw Becker,2021-10-12 #1 New York Times Bestseller In this pathbreaking guide, two of the world's most popular and trusted pet care advocates reveal new science to teach us how to delay aging and provide a long, happy, healthy life for our canine companions. Like their human counterparts, dogs have been getting sicker and dying prematurely over the past few decades. Why? Scientists are beginning to understand that the chronic diseases afflicting humans—cancer, obesity, diabetes, organ degeneration, and autoimmune disorders—also beset canines. As a result, our beloved companions are vexed with preventable health problems throughout much of their lives and suffer shorter life spans. Because our pets can't make health and lifestyle decisions for themselves, it's up to pet parents to make smart, science-backed choices for lasting vitality and health. The Forever Dog gives us the practical, proven tools to protect our loyal four-legged companions. Rodney Habib and Karen Becker, DVM, globetrotted (pre-pandemic) to galvanize the best wisdom from top geneticists, microbiologists, and longevity researchers; they also interviewed people whose dogs have lived into their 20s and even 30s. The result is this unprecedented and comprehensive guide, filled with surprising information, invaluable advice, and inspiring stories about dogs and the people who love them. The Forever Dog prescriptive plan focuses on diet and nutrition, movement, environmental exposures, and stress reduction, and can be tailored to the genetic predisposition of particular breeds or mixes. The authors discuss various types of food—including what the commercial manufacturers don't want us to know—and offer recipes, easy solutions, and tips for making sure our dogs obtain the nutrients they need. Habib and Dr. Becker also explore how external factors we often don't think about can greatly affect a dog's overall health and wellbeing, from everyday insults to the body and its physiology, to the role our own lifestyles and our vets' choices play. Indeed, the health equation works both ways and can travel “up the leash.” Medical breakthroughs have expanded our choices for canine health—if you know what they are. This definitive dog-care guide empowers us with the knowledge we need to make wise choices, and to keep our dogs healthy and happy for years to come.

The Friend (National Book Award Winner) Sigrid Nunez,2019-02-05 WINNER OF THE 2018 NATIONAL BOOK AWARD FOR FICTION SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD NEW YORK TIMES BESTSELLER A beautiful book ... a world of insight into death, grief, art, and love. —Wall Street Journal A penetrating, moving meditation on loss, comfort, memory...Nunez has a wry, withering wit. —NPR Dry, allusive and charming...the comedy here writes itself.” The New York Times A moving story of love, friendship, grief, healing, and the magical bond between a woman and her dog. When a woman unexpectedly loses her lifelong best friend and mentor, she finds herself burdened with the unwanted dog he has left behind. Her own battle against grief is intensified by the mute suffering of the dog, a huge Great Dane traumatized by the inexplicable disappearance of its master, and by the threat of eviction: dogs are prohibited in her apartment building. While others worry that grief has made her a victim of magical thinking, the woman refuses to be separated from the dog except for brief periods of time. Isolated from the rest of the world, increasingly obsessed with the dog's care, determined to read its mind and fathom its heart, she comes dangerously close to unraveling. But while troubles abound, rich and surprising rewards lie in store for both of them. Elegiac and searching, The Friend is both a meditation on loss and a celebration of human-canine devotion.
