Manga Origami Márcio Hideshi Noguchi, Seth Friedman, 2016-06-28 Welcome to the Wonderful World of Manga Origami Origami masters Márcio Hideshi Noguchi and Seth Friedman show everything you need to know to create adorable paper characters from your favorite manga/anime stories with basic origami folding instructions and clear step-by-step diagrams. In the first section you'll learn about the paper and other necessary materials, the origami symbols and terminology, and the general folding techniques needed to create and assemble all the basic figures. In the second section you will find specific instructions for customizing each of the characters with their outfits/costumes, accessories, and unique hairstyles. Some of the twenty projects are very recognizable as Japanese manga/anime characters, such as the Ronin Samurai, Kimono-Chan, Tea Picker, and Shrine Maiden, while others, like the French Maid, Nurse, Baseball Player, and Bunny Girl are more western. Also included are some fantasy characters, like the Fairy, Ori Fighter, Santa's Helper, and Dragon Girl. Of course, characters depicting school life and summer vacation fun are here too, such as Schoolgirl, Sailor Fuku, Gym Girl, Beach Bunny, Sensei, Uki-wa Chan, Harem Otoko, and Neko Form. All projects are

clearly marked with their difficulty level: beginner (*), advanced beginner (**), intermediate (***), advanced (****), and expert (*****). Get ready, get set, start folding. You'll want to make all 20 characters.

Women Bishops in the Church of England? Church of England. House of Bishops, 2004 In July 2000, the General Synod of the Church of England passed a motion asking the House of Bishops to initiate further theological study on the episcopate, focusing on the issues that need to be addressed in preparation for the debate on women in the episcopate in the Church of England. This report is the result of that reflection. The report sets out as clearly and objectively as possible the options open to the Church of England in this matter and outlines the surrounding theological and practical issues. The report discusses: the background to the debate; the historical development of episcopacy; the parameters for a theologically responsible debate on women and the episcopate; the development of women's ministry; the timing - whether now is the right time to ordain women bishops; the theological and practical consequences of possible future options.
