**White Stag** Kara Barbieri, 2019-01-08 *White Stag*, the first book in a brutally stunning series by Kara Barbieri, involves a young girl who finds herself becoming more monster than human and must uncover dangerous truths about who she is and the place that has become her home. A Wattpad break out star with over a million reads! Now expanded, revised and available in print and eBook. As the last child in a family of daughters, seventeen-year-old Janneke was raised to be the male heir. While her sisters were becoming wives and mothers, she was taught to hunt, track, and fight. On the day her village was burned to the ground, Janneke—as the only survivor—was taken captive by the malicious Lydian and eventually sent to work for his nephew Soren. Janneke’s survival in the court of merciless monsters has come at the cost of her connection to the human world. And when the Goblin King’s death ignites an ancient hunt for the next king, Soren senses an opportunity for her to finally fully accept the ways of the brutal Permafrost. But every action he takes to bring her deeper into his world only shows him that a little humanity isn’t bad—especially when it comes to those you care about. Through every battle they survive, Janneke’s loyalty to Soren deepens. After dangerous truths are revealed, Janneke must choose between holding on or letting go of her last connections to a world she no longer belongs to. She must make the right choice to save the only thing keeping both worlds from crumbling.

A Lick of Frost Laurell K. Hamilton, 2007-10-23 I am Meredith Gentry, princess and heir apparent to the throne in the realm of faerie, onetime private investigator in the mortal world. To be crowned queen, I must first continue the royal bloodline and give birth to an heir of my own. If I fail, my aunt, Queen Andais, will be free to do what she most desires: install her twisted son, Cel, as monarch . . . and kill me. My royal guards surround me, and my best loved—my Darkness and my Killing Frost—are always beside me, sworn to protect and make love to me. But still the threat grows greater. For despite all my carnal efforts, I remain childless, while the machinations of my sinister, sadistic Queen and her confederates remain tireless. So my bodyguards and I have slipped back into Los Angeles, hoping to outrun the gathering shadows of court intrigue. But even exile isn't enough to escape the grasp of those with dark designs. Now King Taranis, powerful and vainglorious ruler of faerie's Seelie Court, has leveled accusations against my noble guards of a heinous crime—and has gone so far as to ask the mortal authorities to prosecute. If he succeeds, my men face extradition to faerie and the hideous penalties that await them there. But I know that Taranis's charges are baseless, and I sense that his true target is me. He tried to kill me when I was a child. Now I fear his intentions are far more terrifying.
