The Marijuana-logues Doug Benson, Tony Camin, Arj Barker, 2005-11-22 Sweet ass! A 200ish-page book about pot and pot-related stuff. Can you believe somebody paid these guys to publish a whole book about The Chronic? Man, that is so sick! The Marijuana-Logues started as an Off-Broadway show, consisting of these three guys, Arj Barker, Doug Benson, and Tony Camin sitting on stools and elucidating and illustrating the wisdom of weed. Since you probably never got motivated enough to actually go see the show, now is your chance to enjoy such gems as, “Some people say marijuana is a crutch—yeah, crutches help people walk. We think that’s a good thing.” In this sturdy volume (not made from hemp paper, so don’t try to smoke it), you’ll find many highly creative essays on the virtues of that fine fine plant, as well as some herben poetry, “high-ku,” marijuana fun facts, marijuana fun snacks, and other up-here stuff [point to your head]. Some choice buds from The Marijuana-Logues: ARJ BARKER’S FIRST TIME The first time I smoked pot, I was in the back seat of my older brother’s car. It must have been some pretty good weed, too, because I’m an only child. THINGS YOU WILL NEVER HEAR DOUG BENSON SAY WHEN HE IS OFFERED SOME MARIJUANA No. FEMALE COMPOTABILITY by Tony Camin My girlfriend thinks that I smoke too much pot. I, on the other hand, don’t think I smoke enough pot, because if I did, I’d be finished. And I’m not. Look, we all have our vices: I like to smoke a little weed; she likes to feed the baby. Different strokes for different folks.

Before & Laughter Jimmy Carr, 2021-09-30 *A memoir and self-help manual by one of the country's most treasured comedians - for anyone who feels stuck in a rut but doesn't have the tools or self-belief to shake things up* In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for saying something unforgivable to Lorraine Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested in your own, Before & Laughter is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. Before & Laughter contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love). Because it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful - are all words that appear in the book.

The Happiest Refugee Anh Do, 2011-03 The bestselling, laugh-out-loud, reach for your hanky story of one of Australia's best-loved comedians.

Red Herrings for Breakfast Annabet Ousback, 2020-04-01 Annabet and her younger brother Anders grew up in idyllic surrounds on the lower north shore of Sydney in the 1950s. They lived in the original boatshed on Balmoral Beach and had an Australian mother and an imposing Swedish Naval captain for a father. However, nothing was as it seemed and Annabet and Anders were exposed to harsh, often irrational and frequently violent discipline from both parents, which left them emotionally unbalanced and starved of affection. In a time where domestic violence was never discussed within the family let alone outside it, Annabet and Anders struggled to keep their spirits and souls afloat. But at least they had each other. Anders became an internationally recognised chef and restaurateur, who left his legacy on the Australian food scene. He also was a talented potter holding numerous exhibitions of his works. Annabet became a children’s clothing designer and manufacturer whose clothing line was stocked in various boutiques Australia wide and David Jones department store. Despite their outward success neither could escape the legacy of their violent and disturbing upbringing. Anders never overcame a secret he kept tragically to himself and Annabet was perpetually wracked with self-doubt due to her mother’s continual criticism. This beautifully written story not only traces the history of growing up on the north shore but the gradual evolution of the food and fashion scene in Sydney in the 70s and 80s. It encompasses many areas of day to day struggles within families that were not discussed then and which are, sadly, still occurring today.

The Small Stakes Jason Munn, 2010-03-31 Renowned graphic artist Jason Munn the one-man operation behind the studio The Small Stakes is a leader in modern-day music poster design. Collected here for the first time are over 150 of his iconic posters for various bands, including Beck, Wilco, Built to Spill, the Flaming Lips, the Pixies, and many more. Unique in their conceptual elegance, Munn's silk-screened posters are widely appreciated for perfectly evoking each artist or band's character and distinctive sound. With a foreword by Death Cab for Cutie's bassist Nicolas Harmer, an interview conducted by prolific poster artist Jay Ryan, and 6-color printing that showcases metallic silver and gold, this book is a beautiful celebration of art and music.

The Whole Picture Alice Procter, 2020-03-19 Probing, jargon-free and written with the pace of a detective story... [Procter] dissects western museum culture with such forensic fury that it might be difficult for the reader ever to view those institutions in the same way again. Financial Times 'A smart, accessible and brilliantly structured work that encourages readers to go beyond the grand architecture of cultural institutions and see the problematic colonial histories behind them.' - Sumaya Kassim Should museums be made to give back their marbles? Is it even possible to 'decolonize' our galleries? Must Rhodes fall? How to deal with the colonial history of art in museums and monuments in the public realm is a thorny issue that we are only just beginning to address. Alice Procter, creator of the Uncomfortable Art Tours, provides a manual for deconstructing everything you thought you knew about art history and tells the stories that have been left out of the canon. The book is divided into four chronological sections, named after four different kinds of art space: The Palace, The Classroom, The Memorial and The Playground. Each section tackles the fascinating, enlightening and often shocking stories of a selection of art pieces, including the propaganda painting the East India Company used to justify its rule in India; the tattooed Maori skulls collected as 'art objects' by Europeans; and works by contemporary artists who are taking on colonial history in their work and activism today. The Whole Picture is a much-needed provocation to look more critically at the accepted narratives about art, and rethink and disrupt the way we interact with the museums and galleries that display it.

Both lose everything. Then, a chance encounter with a mysterious woman in an elevator plants a number in Lerena's mind, which she plays in the lottery and wins. Everything in Its Right Place [Large Print 16pt] Tobias McCorkell, 2020-10-14 Coburg, Melbourne. Ford McCullen is growing up with his mother Deidre and his Pop and Noonie in 'The Compound', a pair of units in the shadow of Pentridge prison. His father, Robert, has left them to live in the bush with his new male partner. Nobody is coping. When Ford's paternal grandmother Queenie's good fortune allows him to attend a prestigious Catholic private school on the other side of the river and to learn the violin, Ford finds himself balancing separate identities. At school he sees himself being moulded into an image that is not his own, something at odds with the rough and tumble of his beloved north. Crumbling under the weight of his family's expectations and realising that he just

might be the only adult amongst them, Ford embarks on a quest for meaning while navigating the uncomfortable realities of his father's life, his mother's ongoing crisis, and the pillars of football and religion, delving ever deeper into a fraught search for the source of the 'McCullen curse'. Everything in its Right Place tackles themes of class, love and sexuality with humour, truth and grit. It is a story of the legacies and dilemmas that families bring, of how we all must find our own way, astonishingly told. 'Powerful and urgent. Crackling with energy and wit, Everything in its Right Place is a dark joyride of a read, its danger and beauty announcing a roaring new talent.' - Roger Averill, author of *Relatively Famous* and *Keeping Faith* 'Equal parts harrowing coming of age story, and paean to the joys of a misspent youth, Everything in its Right Place is a heartbreaking, lyrical love letter to overcoming trauma, and finding oneself in the bohemian heart of Melbourne.' - Liam Pieper, author of *The Feel-Good Hit of the Year* and *Sweetness and Light*

Founding Fathers Funnies Peter Bagge,2016-03-08 The American Revolution has never been funnier! America's founding fathers were brilliant, brave, forward-thinking. . . and ridiculous, at least in the eyes of cartoonist and history buff Peter Bagge! I find myself laughing out loud whenever I read of their foibles, especially when their oversized egos clashed, says the author. This collection of short vignettes features some of our country's best-known historical figures (along with several lesser-known players) and includes all Founding Fathers Funnies cartoons from *Apocalypse Nerd* and *Dark Horse Presents*. This hardcover also features several brand new stories and additional biographical information! I can count on one hand the number of comic artists whose work is as strong . . . Maybe on two or three fingers. -Robert Crumb Peter Bagge is one of the best comic storytellers ever. -Vice Peter Bagge remains one of those premiere old-school 80s/90s alt-cartoonists who built their careers one corrosively funny page at a time. -The A.V. Club

Moron to Moron Tom Doig,2013 In July 2010, Tom Doig and his best mate Tama Pugsley cycled 1487 kilometres across northern Mongolia from a small town called Moron to a smaller town also called Moron. Why? Because it was there. Armed with spandex unitards, Chinese steel-frame mountain bikes, unidentifiable meat product and a woefully inadequate phrasebook, these two morons blunder into some of the world's most remote and beautiful wilderness--and triumph. Sort of. For 23 brutalising days--two days longer than the Tour de France--Tom and Tama slog their way over muddy mountains and across desolate steppes, all the time struggling to avoid Mongolia's legendary hospitality. This hilarious, thoroughly shonky odyssey overflows with sweat, miscommunication and torrents of Chinggis Khaan vodka--named after Genghis Khan, the greatest warrior who ever lived. Moron to Moron is a travel book like none other. It has it all: pleasure, pain, heartache, heartburn and the dried fermented milk of a horse.

People and Culture in Construction Andrew Dainty,Stuart Green,Barbara Bagilhole,2007-05-07 Construction is one of the largest and most people-intensive industrial sectors. In many countries, however, construction is also one of the most highly criticized in terms of its employment practices and industrial relations. People and culture are too often seen as variables that must be manipulated in the cause of improved productivity. This important new work provides an essential corrective to the current literature by focusing on people and culture rather than sector efficiency. It presents the latest thinking from a diversity of perspectives derived from a major ESRC seminar series and invited contributions from leading researchers. Its interdisciplinary approach draws together industry and research and is international in its relevance. Through several multidisciplinary themes, *People and Culture in Construction*: explores the industry's labour market and the major influences on employment patterns examines how to improve the image and reality of the construction sector as an employer looks at the forces shaping the industry and implications for its stability considers the current composition of the workforce and the potential impacts of workforce diversification analyzes the impact of government targets and policies on construction working practices and culture investigates how to address the skills shortfall currently affecting the industry's performance.

How Trump Stole 2020 Greg Palast,2020-07-14 Vote suppression is the key issue to the 2020 Election and Palast is the expert to explain why.... Has Trump already stolen the 2020 election? Vote theft was once considered to be a marginal issue that no one wanted to talk about, but as the stakes have risen and the facts have become known--in large part thanks to this author--it is now recognized as one of the central issues deciding our presidential elections. The scope is staggering. In the Georgia 2018 midterm election alone--the testing ground--Republican voting officials quietly removed half a million voters from the voter rolls--including Martin Luther King's ninety-two-year-old cousin Christine Jordan. *How Trump Stole 2020* is the story of the racially poisonous schemes to steal the 2020 election, the political operatives behind the trickery--and the hard right billionaires funding it all, written by the investigative reporter who has been covering this story from the outset.

The Garden of Unearthly Delights Robert Rankin,1996 YOU ARE NOW LEAVING THE AGE OF AQUARIUS PLEASE LOWER YOUR SEAT WHEN RISING FROM YOUR HEAD. It was something to do with the cycles of history. The way great civilizations rise and fall. Golden ages and dark ages. Things of that nature. Few people noticed at first. The changes. They were subtle to begin with. Like when the Leader of the Opposition challenged the PM to step

outside and settle things man to man. And the PM agreed. Or the way the baked ham rose up against Dave while he was standing in the check-out queue at Budgens. Small things. But they just kept getting bigger. And by the time everyone realized that something very strange was going on, it was all too late. The Earth had left behind the age of science and reason and moved once more into a time of myth. A time of legend and heroes. Of romance and wizardry and wonder. It was a time to take the mother of all giant leaps and enter - THE GARDEN OF UNEARTHLY DELIGHTS
