Tuttle Concise Japanese Dictionary Samuel E. Martin, 2013-02-05 Every serious student of Japanese needs a reliable and user-friendly dictionary in their collection. Tuttle Concise Japanese Dictionary, now with 30% more content, is a completely updated dictionary designed for students and business people who are living in Japan and using the Japanese language on a daily basis. Its greatest advantage is that it contains recent idiomatic expressions which have become popular in the past several years and which are not found in other competing dictionaries. The dictionary has been fully updated with the addition of recent vocabulary relating to computers, mobile phones, social media and the Internet. Other special features that set this dictionary apart include: Over 25,000 words and expressions including idioms and slang. User-friendly layout with main entries in color. Complete Japanese-English and English-Japanese sections. Romanized forms and the Japanese script are given for all Japanese words. A guide to pronunciation helps the user to pronounce Japanese words correctly. Different senses of each word are distinguished by multiple definitions.

Multiethnic Japan John Lie, 2009-07 Multiethnic Japan challenges the received view of Japanese society as ethnically homogeneous. Employing a wide array of arguments and evidence--historical and comparative, interviews and observations, high literature and popular culture--John Lie recasts modern Japan as a thoroughly multiethnic society. Lie casts light on a wide range of minority groups in modern Japanese society, including the Ainu, Burakumin (descendants of premodern outcasts), Chinese, Koreans, and Okinawans. In so doing, he depicts the trajectory of modern Japanese identity. Surprisingly, Lie argues that the belief in a monoethnic Japan is a post-World War II phenomenon, and he explores the formation of the monoethnic ideology. He also makes a general argument about the nature of national identity, delving into the mechanisms of social classification, signification, and identification.

Religious Violence in Contemporary Japan Ian Reader, 2013-10-11 The Tokyo subway attack in March 1995 was just one of a series of criminal activities including murder, kidnapping, extortion, and the illegal manufacture of arms and drugs carried out by the Japanese new religious movement Aum Shinrikyo, under the guidance of its leader Asahara Shoko. Reader looks at Aum's claims about itself and asks, why did a religious movement ostensibly focussed on yoga, meditation, asceticism and the pursuit of enlightenment become involved in violent activities? Reader discusses Aum's spiritual roots, placing it in the context of contemporary Japanese religious patterns. Asahara's teaching are examined from his earliest public pronouncements through to his sermons at the time of the attack, and statements he has made in court. In analysing how Aum not only manufactured nerve gases but constructed its own internal doctrinal justifications for using them Reader focuses on the formation of what made all this possible: Aum's internal thought-world, and on how this was developed. Reader argues that despite the horrors of this particular case, Aum should not be seen as unique, nor as solely a political or criminal terror group. Rather it can best be analysed within the context of religious violence, as an extreme example of a religious movement that has created friction with the wider world that escalated into violence.

Essential Japanese Grammar Masahiro Tanimori, Eriko Sato, 2013-02-08 Essential Japanese Grammar is an indispensable study guide for students of the Japanese language at all levels. Long the standard in Japanese language education, it provides clear, jargon-free explanations of how Japanese grammar works and offers hundreds of example sentences. It is an essential handbook for self-study or for the classroom and should be a valued resource for years to come. A strong foundation in grammar is vital to those wishing to learn Japanese as a whole. Essential Japanese Grammar presents a number of unique features. First, grammatical terminology has been kept to a minimum so that

extensive prior knowledge of grammar is not required. Second, abundant example sentences written in Japanese characters (kana and kanji) followed by romanji and English translations. Third, the authors have tried to reveal aspects of grammar that may not be found in comparable grammar books such as rare Japanese verbs, adjectival nouns, clauses adverbs, etc. This Japanese grammar book contains: parts of speech. sentence constructions. conjugations forms. speech styles and tones. accentuation rules. essential words and functional elements. an appendix for referencing and cross-referencing Japanese words.

日本語の文法 10000例, Masaaki Shibata, 1991

Pikachu's Global Adventure Joseph Tobin, 2004-02-05 Initially developed in Japan by Nintendo as a computer game, Pokémon swept the globe in the late 1990s. Based on a narrative in which a group of children capture, train, and do battle with over a hundred imaginary creatures, Pokémon quickly diversified into an array of popular products including comic books, a TV show, movies, trading cards, stickers, toys, and clothing. Pokémon eventually became the top grossing children's product of all time. Yet the phenomenon fizzled as quickly as it had ignited. By 2002, the Pokémon craze was mostly over. *Pikachu's Global Adventure* describes the spectacular, complex, and unpredictable rise and fall of Pokémon in countries around the world. In analyzing the popularity of Pokémon, this innovative volume addresses core debates about the globalization of popular culture and about children's consumption of mass-produced culture. Topics explored include the origins of Pokémon in Japan's valorization of cuteness and traditions of insect collecting and anime; the efforts of Japanese producers and American marketers to localize it for foreign markets by muting its sex, violence, moral ambiguity, and general feeling of Japaneseness; debates about children's vulnerability versus agency as consumers; and the contentious question of Pokémon's educational value and place in school. The contributors include teachers as well as scholars from the fields of anthropology, media studies, sociology, and education. Tracking the reception of Pokémon in Japan, the United States, Great Britain, France, and Israel, they emphasize its significance as the first Japanese cultural product to enjoy substantial worldwide success and challenge western dominance in the global production and circulation of cultural goods. Contributors. Anne Allison, Linda-Renée Bloch, Helen Bromley, Gilles Brougere, David Buckingham, Koichi Iwabuchi, Hirofumi Katsuno, Dafna Lemish, Jeffrey Maret, Julian Sefton-Green, Joseph Tobin, Samuel Tobin, Rebekah Willet, Christine Yano

Japanese - English Bilingual Visual Dictionary DK, 2024-11-26 With more than 6,750 fully illustrated words and phrases in Japanese and English, along with a free bilingual audio app, DK's Japanese-English Bilingual Visual Dictionary is your essential companion to life in any Japanese-speaking country. You will learn all the words and phrases you need to buy food and clothes, talk about work and education, visit the doctor, go to the bank, use public transportation, and much more. Perfect for tourists, business travelers, and students, the dictionary is incredibly easy to follow, with thematically organized vocabulary so you can find closely related words on a particular topic. Words and phrases are illustrated with full-color photographs and artwork, helping to fix new vocabulary in your mind. A comprehensive, two-way index provides an instant reference point for new Japanese vocabulary. The supporting audio app enables you to hear all the words and phrases spoken out loud in Japanese. The app is easy to use and helps you learn, remember, and pronounce important vocabulary. The dictionary gives a pronunciation guide for every Japanese word, and you can use this alongside the app to perfect your pronunciation.

Native and Newcomer Jennifer Robertson, 1991 This expertly crafted ethnography examines the ways in which native and new citizens of Kodaira, a Tokyo suburb, have both remade the past and imagined the future of their city in a quest for an authentic Japanese

community.

80/20 Japanese (Romaji Edition) Richard Webb, 2016-10-17

250 Essential Japanese Kanji Characters Volume 1 Kanji Text Research Group Univ of Tokyo, 2013-04-23 This is the best kanji book available today. Designed for beginners with a basic knowledge of Japanese to use in the classroom or for self-study.--Modern Language Journal Everyday tasks like finding a street address or buying a train ticket can be an ordeal in Japan if you don't read kanji--the system of Japanese writing based on Chinese characters. A group of teachers from the prestigious University of Tokyo have pooled their talents to create 250 Essential Japanese Kanji Characters in two volumes: a practical way to learn the kanji most frequently used in daily life in Japan. Each lesson helps you master a new group of kanji, using an extremely effective approach that focuses on you, the learner, taking an active part. Introductory Quizzes introduce everyday situations where you encounter kanji. Vocabulary sections help you understand the readings and meanings of the kanji. New Character Charts teach you new kanji systematically—for each character you'll learn its meanings, its basic on-kun readings, its stroke order, common compounds, and derivations. Practice sections help you improve your skills in recognizing and using the kanji. Advanced Placement Exam Practice Questions for each lesson follow the format of the College Boards Japanese Language and Culture examination.

Japanese Kanji & Kana Wolfgang Hadamitzky, Mark Spahn, 2013-02-19 This comprehensive book helps you learn the 92 basic Kana characters and 2,136 standard Kanji characters. Complete, compact and authoritative—this Japanese language book provides all the information needed to learn kanji and kana, including the 92 basic hiragana and katakana phonetic symbols (known collectively as Japanese Kana) and the 2,136 standard Joyo Kanji characters that every Japanese person learns in school. This new and completely revised edition reflects recent changes made to the official Joyo kanji list by the Japanese government. The kana and kanji are presented in an easy and systematic way that helps you learn them quickly and retain what you have learned and improve your mastery of the Japanese language. The ability to read Japanese and write Japanese is an essential skill for any student and will build on their previous knowledge and improve on their overall capacity to learn Japanese. A concise index allows you to look up the Kanji in three different ways (so the book also serves as a Japanese Kanji dictionary) and extra spaces are provided to allow you to practice writing Japanese. Japanese Kanji and Kana contains: All 2,136 official Joyo kanji with readings and definitions. Characters are graded by their JLPT examination levels. Up to 5 useful vocabulary compounds for each kanji. Brush and pen cursive forms as well as printed forms. 19 tables summarizing key information about the characters. Kanji look-up indexes by radicals, stroke counts and readings.

Lifelong Kindergarten Mitchel Resnick, 2018-08-28 How lessons from kindergarten can help everyone develop the creative thinking skills needed to thrive in today's society. In kindergartens these days, children spend more time with math worksheets and phonics flashcards than building blocks and finger paint. Kindergarten is becoming more like the rest of school. In Lifelong Kindergarten, learning expert Mitchel Resnick argues for exactly the opposite: the rest of school (even the rest of life) should be more like kindergarten. To thrive in today's fast-changing world, people of all ages must learn to think and act creatively—and the best way to do that is by focusing more on imagining, creating, playing, sharing, and reflecting, just as children do in traditional kindergartens. Drawing on experiences from more than thirty years at MIT's Media Lab, Resnick discusses new technologies and strategies for engaging young people in creative learning experiences. He tells stories of how children are programming their own games, stories, and inventions (for example, a diary security system, created by a twelve-year-old girl),

and collaborating through remixing, crowdsourcing, and large-scale group projects (such as a Halloween-themed game called Night at Dreary Castle, produced by more than twenty kids scattered around the world). By providing young people with opportunities to work on projects, based on their passions, in collaboration with peers, in a playful spirit, we can help them prepare for a world where creative thinking is more important than ever before.

Big Sister to the Rescue Gloria Chance, 2020-08-31 This book is dedicated to all the Beautiful, Intelligent and Graceful (BIG) sisters, especially my Inspiration for this book. As a growing woman of faith, I've come to recognize that sibling rivalry actually starts in the womb; when the first born child gets knowledge that a baby is on the way. The birth and presentation of a new child should never be a threatening experience for its sibling(s). My prayer is that this book will help to assure our BIG Sisters advance as young leaders. It is also my prayer that it will help parents and guardians understand their role in dismissing unnecessary fears and jealousy within their households. This book reinforces that there is enough love for each of our children to know and deeply experience Godly love in the home and among their siblings. God bless you and your family and thank you for your support. Gloria Chance Williams

Idols and Celebrity in Japanese Media Culture P. W. Galbraith, J. G. Karlin, 2012-08-30 This is the most complete and compelling account of idols and celebrity in Japanese media culture to date. Engaging with the study of media, gender and celebrity, and sensitive to history and the contemporary scene, these interdisciplinary essays cover male and female idols, production and consumption, industrial structures and fan movements.

The Future of Humanity 田口, 2019-01-15 The Future of Humanity seeks to answer the question: What kind of global civilization should human beings pursue and what do we have to do collectively?, one a question that has preoccupied scholars, philosophers, and politicians for centuries. In doing so, the book tackles concepts as monumental as the keys to happiness, alien nonconventional intelligence, immortality, morality, and China's possible role in bringing about a better world joining this global discussion. To navigate these many and complex topics, Jin combines the spiritual insights of ancient Chinese thinkers with a deep respect for the accomplishments and discoveries of modern Western science, exploring and explaining her distinct vision for a what a better, global future civilization could be.

Paratexts Gerard Genette, 1997-03-13 Paratexts are those liminal devices and conventions, both within and outside the book, that form part of the complex mediation between book, author, publisher and reader: titles, forewords, epigraphs and publishers' jacket copy are part of a book's private and public history. In this first English translation of Paratexts, Gérard Genette shows how the special pragmatic status of paratextual declaration requires a carefully calibrated analysis of their illocutionary force. With clarity, precision and an extraordinary range of reference, Paratexts constitutes an encyclopedic survey of the customs and institutions as revealed in the borderlands of the text. Genette presents a global view of these liminal mediations and the logic of their relation to the reading public by studying each element as a literary function. Richard Macksey's foreword describes how the poetics of paratexts interact with more general questions of literature as a cultural institution, and situates Genette's work in contemporary literary theory.

French-English Bilingual Visual Dictionary DK, 2017-04-18 This is the perfect pocket reference for those learning French, and you'll want to make sure it's packed when you next go on your travels. With over 6,000 fully illustrated terms arranged by theme, getting to grips with the French language has never been easier. Whether you're traveling for business or leisure, buying food or train tickets, discussing work or tourism, you'll gain

confidence in your new language skills with a bilingual visual dictionary by your side. Photographs and comprehensive indexes combine to make finding the word you need a quick and easy task. The French-English Bilingual Visual Dictionary also features an easy-to-use free audio app (available on the App Store and Google Play) enabling you to hear terms spoken out loud. Learn and retain all the key phrases and words you need to know and perfect your pronunciation. DK's bilingual visual dictionaries are truly bilingual; every section is written side by side in both languages – right from the contents to the index – meaning that this dictionary is easy to use for native speakers and learners alike. Whether you're studying a new language in the classroom or practicing on your travels, choose a DK bilingual visual dictionary to be part of your essential kit.

Requiem for Battleship Yamato Yoshida Mitsuru,2013-07-31 A young ensign on the bridge of the fabled battleship Yamato during her final battle, recounts his experience.

A Narrative of a Visit to the Australian Colonies James Backhouse,1843

Adopting the Melody of Appearance: An Mental Symphony within **Bangumi Tan Paper Toy.jpg**

In some sort of consumed by displays and the ceaseless chatter of instant transmission, the melodic elegance and mental symphony developed by the prepared word often fade into the back ground, eclipsed by the persistent sound and interruptions that permeate our lives. Nevertheless, located within the pages of **Bangumi Tan Paper Toy.jpg** a wonderful fictional value full of natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, that captivating masterpiece conducts readers on a mental trip, skillfully unraveling the hidden tunes and profound affect resonating within each carefully constructed phrase. Within the depths with this touching evaluation, we will investigate the book is main harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
