Greg Giraldo Wayne Jones, Matt Balaker, 2019-01-31

Biography of standup comedian Greg Giraldo, 1965-2010.

Attracting Birds to South Florida Gardens James A. Kushlan, Kirsten Hines, 2014 South Florida is a unique and spectacular environment for both birding and gardening, and this is a thorough and enjoyable guide.--Carl Lewis, director, Fairchild Tropical Gardens A step-by-step guide on how to create a garden that not only benefits birds but increases your enjoyment of your yard, patio, or balconies. No space is too small for helping birds, and this book tells you how to do it.--Stephen D. Pearson, director, University of Miami's John G. Gifford Arboretum For all South Floridians concerned about vanishing stopover habitat and hoping to contribute to the re-greening of Florida in their own backyards, *Attracting Birds to South Florida Gardens* is essential reading.--Brian Rapoza, author of *Birding Florida* Lush and warm, South Florida is a gardener's dream and a birder's delight. James Kushlan and Kirsten Hines draw on their years of experience to provide practical, ecologically sound advice for creating landscapes that will appeal to the many birds that can be found in the region. Aimed primarily at backyard gardeners and birders, but applicable for commercial landscapers as well, their precepts can be applied to a broad range of outdoor spaces, from balconies to suburban yards to rural estates. The authors identify plants that provide food or shelter and explain how each can attract specific bird species. They also explain what plants work well together, offer advice on simplifying garden maintenance, and provide tips on how other elements can make an area avian-friendly. Filled with brilliant photographs, *Attracting Birds to South Florida Gardens* addresses a conspicuous void in the literature on two of America's most popular activities.

Romancing Mister Bridgerton: The 2nd Epilogue

Julia Quinn, 2009-03-17 We can't really say more without giving away a big, fat spoiler, but it turns out that Colin is a bit of a meddler, Hyacinth is more of a meddler, and the only time all of the Bridgertons stop talking at once is when Penelope has something really embarrassing to say. Hey, we never said it was easy to marry a Bridgerton, just that it was fun.

Barry Sonnenfeld, Call Your Mother Barry Sonnenfeld, 2020-03-10 **A New York Times Editor's Choice selection!** This outrageous and hilarious memoir follows a film and television director's life, from his idiosyncratic upbringing to his unexpected career as the director behind such huge film franchises as The Addams Family and Men in Black. Barry Sonnenfeld's philosophy is, Regret the Past. Fear the Present. Dread the Future. Told in his unmistakable voice, Barry Sonnenfeld, Call Your Mother is a laugh-out-loud memoir about coming of age. Constantly threatened with suicide by his over-protective mother, disillusioned by the father he worshiped, and abused by a demonic relative, Sonnenfeld somehow went on to become one of Hollywood's most successful producers and

directors. Written with poignant insight and real-life irony, the book follows Sonnenfeld from childhood as a French horn player through graduate film school at NYU, where he developed his talent for cinematography. His first job after graduating was shooting nine feature length pornos in nine days. From that humble entrée, he went on to form a friendship with the Coen Brothers, launching his career shooting their first three films. Though Sonnenfeld had no ambition to direct, Scott Rudin convinced him to be the director of The Addams Family. It was a successful career move. He went on to direct many more films and television shows. Will Smith once joked that he wanted to take Sonnenfeld to Philadelphia public schools and say, If this guy could end up as a successful film director on big budget films, anyone can. This book is a fascinating and hilarious roadmap for anyone who thinks they can't succeed in life because of a rough beginning.

War is Only Half the Story Sara Terry, Teun van der Heijden, 2018-01-18 War is Only Half the Story is a ten-year retrospective of the work of the groundbreaking documentary photography program, The Aftermath Project, which for a decade has supported post-conflict storytelling by some of the world's best photographers. As a grant-making educational non-profit, The Aftermath Project was founded to help change the way the media covers conflict - and to educate the public about the true cost of war and the real price of peace. Using the post-conflict poetry of Nobel Laureate Wislawa Szymborska as themes for each chapter, War is Only Half the Story draws on the work of 53 Aftermath Project grant winners and finalists from around the world to explore post-conflict stories that all too often go untold.

Folklorn Angela Mi Young Hur, 2021-04-27 A New York Times Best Sci-Fi and Fantasy Novel of 2021 An NPR Best Book of 2021 A genre-defying, continents-spanning saga of Korean myth, scientific discovery, and the abiding love that binds even the most broken of families. Elsa Park is a particle physicist at the top of her game, stationed at a neutrino observatory in the Antarctic, confident she's put enough distance between her ambitions and the family ghosts she's run from all her life. But it isn't long before her childhood imaginary friend—an achingly familiar, spectral woman in the snow—comes to claim her at last. Years ago, Elsa's now-catatonic mother had warned her that the women of their line were doomed to repeat the narrative lives of their ancestors from Korean myth and legend. But beyond these ghosts, Elsa also faces a more earthly fate: the mental illness and generational trauma that run in her immigrant family, a sickness no less ravenous than the ancestral curse hunting her. When her mother breaks her decade-long silence and tragedy strikes, Elsa must return to her childhood home in California. There, among family wrestling with their own demons, she unravels the secrets hidden in the handwritten pages of her mother's dark stories: of women's desire and fury; of magic suppressed, stolen, or punished; of the hunger for vengeance. From Sparks Fellow, Tin House alumna, and Harvard graduate Angela Mi Young Hur, *Folklorn* is a wondrous and necessary exploration of the myths we inherit and those we fashion for ourselves.

The State of the Arts Alana Wilcox, Christina

Palassio, Jonny Dovercourt, 2006 City Hall proclaimed 2006 the Year of Creativity. 'Live With Culture' banners flap over the city. And across the city, donors are ponying up millions for the ROM and the AGO. Culture's never had it so good. Right? The State of the Arts explores the Toronto arts scene from every angle, applauding, assailing and arguing about art in our fair burg. The essays consider the big-ticket and the ticket-free, from the Opera House and the CNE to the subconscious art of graffiti eradication and underground hip-hop. In between, you'll find considerations art in the suburbs, how business uses art to sell condos, questions of infrastructure, an examination of Toronto on film and a history of micro press publishing. You'll read about the fine line between party and art, the trials of being a capitalist in a sea of left-wing artists, the power of the internet to create arts communities and a plea for spaces that cater to musicians and their kids. Throughout, you'll find equal doses of optimism and frustration, and a good measure of T.O. love. Taken together, the thoughts of these writers, thinkers, musicians and city-builders aim to create an honest survey of where we're at and where we can go.

Our Wretched Town Hall Eric Kostiuks Williams, 2018-11-20 How would you interpret that hammy, Lynchian dream about your ex? Has your house plant been judging you this entire time? Will you bother grappling with the ethics of your woke, but Machiavellian workplace-related revenge? Does anyone care if you don't make it out to the party? How do you go forward when everything's moving backwards? Town hall's in session, and we've got lots to talk about. Eric Kostiuks Williams returns with a new, full-color short story collection that will replenish your crops, singe your eyebrows, and lightly tickle the back of your knees.

Pirate Robot Ninja Will Hines, Billy Merritt, 2019-05-20 As an improv comedian: are you a pirate, robot or ninja? Know your type so you can appreciate your strengths while also focusing on what you have left to learn. This book is 200 pages of lessons, exercises and metaphors designed by two teachers and performers from the Upright Citizens Brigade Theatres in New York and Los Angeles. Also, it's written as a fable where you are an improv seeker in an mysterious dojo hidden in the mountains. That's pretty fun! Billy and Will love to do the 'make'em ups' and they're quite good at it as well. I would read this book...if I could read. - Rob Riggle (Daily Show, US Marine Corps)

Seasonal Work Laura Lippman, 2022-03-01 From 'The Everyday Housewife' to 'The Cougar', 'Tricks' to 'Snowflake Time', Laura Lippman's sharp and acerbic stories explore the contemporary world and the female experience through the prism of classic crime, where the stakes are always deadly. And in the collection's longest piece, the novella 'Just One More', she follows the trajectory of a married couple who, tired of re-watching 'Columbo' re-runs during lockdown, decide to join the same dating app: 'Why would we do something like that?' 'As an experiment. And a diversion. We would both join, then see if the service matches us. Just for grins...'
