Pull the Thread Marko Sans,2021-03-08 Pull the ThreadA masterful mystery of international intrigue...Josh and Roger have been friends for many years who work and play together, thinking they know each other really well. The friendship ends suddenly one day when Josh finds Roger murdered. Josh, distrusting the local authorities because what they have done to his brother, launches his own investigation that has him pulling on the thread of his relationship with Roger. The ensuing investigation reveals Roger has a murky past that has caught up with him. He has been keeping sensitive information secret and foreign actors are willing to kill for it. Josh unwittingly finds himself in the middle of it and becomes a target of those operating in the shadows. As federal agents pull on the thread to find the killer, the story broadens into a heart pounding mystery of international espionage in which the bag guys are being chased halfway around the world. Before it is all said and done, it leaves Josh, who thought he knew his friend well, to wonder if he knew him at all. Maybe some threads should never be pulled...
