Irmina Barbara Yelin, 2023-01-05 In the mid-1930s, Irmina, an ambitious young German, moves to London. At a cocktail party, she meets Howard Green, one of the first black students at Oxford, who, like Irmina, is working towards an independent existence. However, their relationship comes to an abrupt end when Irmina, constrained by the political situation in Hitler's Germany, is forced to return home. As war approaches and her contact with Howard is broken, it becomes clear to Irmina that prosperity will only be possible through the betrayal of her ideals. In the award-winning *Irmina*, Barbara Yelin presents a troubling drama about the tension between integrity and social advancement. Based on a true story, this moving and perceptive graphic novel perfectly conjures the oppressive atmosphere of wartime Germany, reflecting with compassion and intelligence on the complicity that results from the choice, conscious or otherwise, to look away.

Exit Wounds Rutu Modan,2021-05-04 In modern-day Tel Aviv, a young man, Koby Franco, receives an urgent phone call from a female soldier. Learning that his estranged father may have been a victim of a suicide bombing in Hadera, Koby reluctantly joins the soldier in searching for clues. His death would certainly explain his empty apartment and disconnected phone line. As Koby tries to unravel the mystery of his father's death, he finds himself not only piecing together the last few months of his father's life, but his entire identity. With thin, precise lines and luscious watercolors, Modan creates a portrait of modern Israel, a place where sudden death mingles with the slow dissolution of family ties. Exit Wounds is the North American graphic novel debut from one of Israel's best-known cartoonists, Rutu Modan. She has received several awards in Israel and abroad, including the Best Illustrated Children's Book Award from the Israel Museum in Jerusalem four times, Young Artist of the Year by the Israel Ministry of Culture and is a chosen artist of the Israel Cultural Excellence Foundation. The Property Rutu Modan, 2021-04-22 The Property is a work that will inspire, fascinate, and delight readers and critics alike. Savvy and insightful, elegant and subtle, Rutu Modan's second full-length graphic novel is a triumph of storytelling and fine lines. After the death of her son, Regina Segal takes her granddaughter Mica to Warsaw, hoping to reclaim a family property lost during the Second World War. As they get to know modern Warsaw, Regina is forced to recall difficult things about her past, and Mica begins to wonder if maybe their reasons for coming aren't a little different than what her grandmother led her to believe. Modan offers up a world populated by prickly seniors, smart-alecky public servants, and stubborn women—a world whose realism is expressed alternately in the absurdity of people's behavior and in the complex consequences of their sacrifices. Modan's ever-present wit is articulated perfectly in her clear-line style, while a subtle, almost muted color palette complements the true-to-life nuances of her characterization. Exit Wounds made a huge splash for this signature combination of wit, style, and realism, and The Property will cement Modan's status as one of the foremost cartoonists working today. Translated from the Hebrew by Jessica Cohen.
