In Defense of Ska Aaron Carnes,2024-07-12 In a mix of interviews, essays, personal stories, historical snapshots, obscure anecdotes, and think pieces, this second expanded edition dissects, analyzes and celebrates ska in exactly the way fans have been craving for decades. With the addition of 4 new sections, Aaron adds to the already extensive compendium that was the first edition: The Importance of Christian Ska; After ska died in the '90s, the music went underground and returned to its roots; The ska roots of Fall Out Boy lead singer Patrick Stump; How Katrina created a vibrant ska scene in New Orleans. Aaron expands on the original edition with exciting interviews with Patrick Stump from Fall Out Boy who he interviewed on his podcast of the same name. In Defense of Ska: Ska Now More Than Ever is the much-needed response to years of ska-mockery. Now the time to take to the streets and fight music snobbery, or at least crank up the ska without being teased ruthlessly, has come. This book will enlist ska-lovers as soldiers in the ska army and challenge ska-haters' prejudices to the core.

Procession of the Dead Darren Shan,2010-06-04 New York Times bestselling YA author Darren Shan makes his adult fiction debut with this first book in a new series set in a darkly imagined world called the City. What had I done before coming to the city? I couldn't remember. It sounded crazy but my past was a blank. I could recall every step since alighting from the train, but not a single one before. Young, quick-witted and cocksure, Capac Raimi arrives in the City determined to make his mark in a world of sweet, sinister sin. He finds the City is a place of exotic dangers: a legendary assassin with snakes tattooed on his face who moves like smoke, blind Incan priests that no one seems to see, a kingpin who plays with puppets, and friends who mysteriously disappear as though they never existed. Then Capac crosses paths with The Cardinal, and his life changes forever. The Cardinal is the City, and The City is The Cardinal. They are joined at the soul. Nothing moves on the streets, or below them, without the Cardinal's knowledge. His rule is absolute. When Capac discovers the extent of The Cardinal's influence on his own life, he is faced with hard choices and his own soaring ambition. To find his way, Capac must know himself and what he is capable of. But how can you trust yourself when you can't remember your past?

Birds of Paradise Lost Andrew Lam,2012-03-01 From the award-winning author of Perfume Dreams, a collection of thirteen short stories following Vietnamese immigrants new to the United States. The thirteen stories in Birds of Paradise Lost shimmer with humor and pathos as they chronicle the anguish and joy and bravery of America's newest Americans, the troubled lives of those who fled Vietnam and remade themselves in the San Francisco Bay Area. The past—memories of war and its aftermath, of murder, arrest, re-education camps and new economic zones, of escape and shipwreck and atrocity—is ever present in these wise and compassionate stories. It plays itself out in surprising ways in the lives of people who thought they had moved beyond the nightmares of war and exodus. It comes back on TV in the form of a confession from a cannibal; it enters the Vietnamese restaurant as a Vietnam Vet with a shameful secret; it articulates itself in the peculiar tics of a man with Tourette's Syndrome who struggles to deal with a profound tragedy. Birds of Paradise Lost is an emotional tour de force, intricately rendering the false starts and revelations in the struggle for integration, and in so doing, the human heart. *Finalist for the California Book Award* “His stories are elegant and humane and funny and sad. Lam has instantly established himself as one of our finest fiction writers.” —Robert Olen Butler, Pulitzer Prize-winning author of Perfume Mountain “Read Andrew Lam, and bask in his love of language, and his compassion for people, both those here and those far away.” —Maxine Hong Kingston, award-winning author of The Woman Warrior

Inside - Part Two Kyra Anderson,2014-03-31 America is peaceful and back at the top of the world seventy years after the Second Revolutionary War tore through the country and gave birth to Central--the new government. For Lily Sandover the Second Revolution is just another war to learn about in school, until her political father gets promoted into Central and she is taught that everything is not as it appears. Lily's family soon gets invited into a branch of Central that acts more like an exclusive club called the Commission of the People, and once you're in the Commission, you're in the Commission for life. The Commission of the People is responsible for keeping the peace of America, and Lily soon learns that the peace comes at an extremely high price. Using her position inside the Commission, and the obsession that the leader of the Commission has for her, she tries to find a way to change the face of America and bring down the Commission of the People. (This is part two of the novel)

Cook the Mountain Norbert Niederkofler,2020-12-15 Explore the hyperlocal approach of acclaimed chef Norbert Niederkofler, from his home in South Tyrol in the Italian Alps to the world and back. Norbert Niederkofler has dedicated his life and work to South Tyrol's culture and cuisine. He translates the beauty and vivid character of the mountains into his dishes at St. Hubertus, the only Michelin 3-starred restaurant with completely regional cuisine. Niederkofler's philosophy, summarized as Cook the Mountain, is to choose local and seasonal ingredients only after talking to the producers and growers in person and to honor the ingredients by keeping food waste to a minimum. In the first volume of this 2-book set, brilliant photographs reveal both unspoiled landscapes and the agricultural and architectural changes humans have made in the past millennia. Striking portraits of locals capture the people and producers Niederkofler works with. Breathtaking food photography conveys the stunning ingredients and creations that Niederkofler develops. The second volume includes 80 of Niederkofler's recipes, divided into the four seasons

to reflect his ethos of sustainability. Taken together, Cook the Mountain showcases the unique terroir and cuisine of South Tyrol through the eyes of Niederkofler, who has embraced his home and given it a new culinary identity.

Down the Rabbit Hole Holly Madison,2015-06-23 The real, untold, and unvarnished story of life inside the legendary Playboy Mansion—and the man who holds the key—from the woman who was Hef’s #1 girlfriend and star of The Girls Next Door. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner’s #1 girlfriend. But like Alice in Wonderland after she plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex and the infamous parties, as well as what her relationships with her Girls Next Door co-stars, Bridget and Kendra were really like. Holly talks candidly about a subsequent abusive relationship, her own successful television series, and the hard work of healing, including her turn on Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, Down the Rabbit Hole reminds us of the importance of fighting for our dreams—and finding the life we deserve.

Travel as a Political Act Rick Steves,2018-02-06 Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of Travel as a Political Act is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of Travel as a Political Act are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.
