Lowrider Coloring Book Oscar Nilsson, 2011-04-14 Paint your own lowrider just the way you like it! Impalas, Cadillacs and Rivas. In the *Lowrider Coloring Book*, you will color the classic and most popular Lowrider models. Lowrider culture reaches back to 1930s Los Angeles, where it became popular for style-conscious Latino-Americans to load their cars with sandbags to bring it closer to the road. Style was everything, and when lowered cars were banned in California in the 1950s, it became necessary to find a way to raise and lower the car simply to avoid fines. The solution was to use hydraulics from old fighter planes left over from World War II. The rapper Kid Frost showcased lowriding in the early 90s hit *Lowrider*, and since then, the cars are closely associated with hip hop culture. Today, lowriding is bigger than ever with thousands of enthusiasts in most parts of the world. All strive to outdo each other with the most elegant varnish, interior, hydraulics, chrome and rims. The custom cars you'll be coloring in the *Lowrider Coloring book* were converted by some of the best and most legendary enthusiasts. What color is your Impala?

When the Elephants Dance Tess Uriza Holthe, 2002-03-26 “Papa explains the war like this: ‘When the elephants dance, the chickens must be careful.’ The great beasts, as they circle one another, shaking the trees and trumpeting loudly, are the Amerikanos and the Japanese as they fight. And our Philippine Islands? We are the small chickens.” Once in a great while comes a storyteller who can illuminate worlds large and small, in ways both magical and true to life. When *When the Elephants Dance* is set in the waning days of World War II, as the Japanese and the Americans engage in a fierce battle for possession of the Philippine Islands. Through the eyes of three narrators, thirteen-year-old Alejandro Karangalan, his spirited older sister Isabelle, and Domingo, a passionate guerilla commander, we see how ordinary people find hope for survival where none seems to exist. While the Karangalan family and their neighbors huddle together for survival in the cellar of a house, they tell magical stories to one another based on Filipino myth that transport the listeners from the chaos of the war around them and give them new resolve to continue fighting. Outside the safety of their refuge the war rages on—fiery bombs torch the countryside, Japanese soldiers round up and interrogate innocent people, and from the hills guerilla fighters wage a desperate campaign against the enemy. Inside the cellar, these men, women, and children put their hopes and dreams on hold as they wait out the war. This stunning debut novel celebrates with richness and depth the spirit of the Filipino people and their fascinating story and marks the introduction of an author who will join the ranks of writers such as Arundhati Roy, Manil Suri, and Amy Tan.

Punk Rock Dad Jim Lindberg, 2009-10-13 Jim Lindberg is a Punk Rock Dad. When he drives his kids to school in the morning, they listen to the Ramones, the Clash, or the Descendents—and that's it. They can listen to Britney and Justin on their own time. Jim goes to soccer games, dance rehearsals, and piano recitals like all the other dads, but when he feels the need, he also goes to punk shows, runs into the slam pit, and comes home bruised and beaten . . . but somehow feeling strangely better. While the other dads dye their hair brown to cover the gray, Jim occasionally dyes his blue or green. He makes his daughters' lunches, kisses their boo-boos, and tucks them in at night—and then goes into the garage and plays Black Flag and Minor Threat songs at a criminal volume. He pays his taxes, votes in all the presidential and gubernatorial elections, serves on jury duty, and reserves the right to believe that there is a vast Right Wing Conspiracy—and that the head of the P.T.A. is possibly in on it. He is a Punk Rock Dad.

Before Ever After Samantha Sotto, 2012-05-29 A smartly written romance, mystery and historical adventure all wrapped up in a page-turner that will have you guessing until the very end. – Adena Halpern, author of The Ten Best Days of My Life Three years after her husband Max's death, Shelley feels no more adjusted to being a widow than she did that first terrible day. That is, until the doorbell rings. Standing on her front step is a young man who looks so much like Max--same smile, same eyes, same age, same adorable bump in his nose--he could be Max's long-lost relation. He introduces himself as Paolo, an Italian editor of American coffee table books, and shows Shelley some childhood photos. Paolo tells her that the man in the photos, the bearded man who Paolo says is his grandfather though he never seems to age, is Max. Her Max. And he is alive and well. As outrageous as Paolo's claims seem--how could her husband be alive? And if he is, why hasn't he looked her up?--Shelley desperately wants to know the truth. She and Paolo jet across the globe to track Max down--if it is really Max. Along the way, Shelley recounts the European package tour where they had met. As she relives Max's stories of bloody Parisian barricades, medieval Austrian kitchens, and buried Roman bathhouses, Shelley begins to piece together the story of who her husband was and what these new revelations mean for her happily ever after. And as she and Paolo get closer to the truth, Shelley discovers that not all stories end where they are supposed to.

The WORN Archive Serah-Marie McMahon, 2014-04-29 WORN is reclaiming fashion as something that can be exciting, challenging, different, quirky, interesting, not just as something you have to consume.—Jane Pratt, from her foreword The WORN Archive: A Fashion Journal about the Arts, Ideas, and History of What We Wear is a manifesto on why fashion and clothing matter. For eight years, the Canadian magazine has investigated the intersections of fashion, pop culture, and art. With prescient, intelligent articles, WORN Fashion Journal strives to address diverse issues such as gender, identity, and culture with openness and honesty. WORN asserts that fashion is art,

history, ideas, and most of all fun—that style is a personal experience that need not align with the fashion industry. The four-hundred-page book features the best content from the journal's first fourteen issues, assembled by WORN'S founder and editor in chief, Serah-Marie McMahon. Articles penned by a host of unique contributors (academics, writers, curators, and artists) touch on topics as wide-ranging as the relationship between feminism and fashion, discourse on hijabs, how to tie a tie, the history of flight attendants, and textile conservation. With eclectic photo shoots featuring real models, striking illustrations, and whimsical layouts, every page is a joyful, creative approach to clothing. The WORN Archive is the ultimate cultural style map for those who don't want to be told how to dress but are seeking a transformative understanding of why we wear what we do.

The Body Papers Grace Talusan, 2019-04-02 Winner of The Restless Books Prize for New Immigrant Writing “Grace Talusan writes eloquently about the most unsayable things: the deep gravitational pull of family, the complexity of navigating identity as an immigrant, and the ways we move forward even as we carry our traumas with us. Equal parts compassion and confession, *The Body Papers* is a stunning work by a powerful new writer who—like the best memoirists—transcends the personal to speak on a universal level.” —Celeste Ng, author of *Everything I Never Told You* and *Little Fires Everywhere* Born in the Philippines, young Grace Talusan moves with her family to a New England suburb in the 1970s. At school, she confronts racism as one of the few kids with a brown face. At home, the confusion is worse: her grandfather's nightly visits to her room leave her hurt and terrified, and she learns to build a protective wall of silence that maps onto the larger silence practiced by her Catholic Filipino family. Talusan learns as a teenager that her family's legal status in the country has always hung by a thread—for a time, they were “illegal.” Family, she's told, must be put first. The abuse and trauma Talusan suffers as a child affects all her relationships, her mental health, and her relationship with her own body. Later, she learns that her family history is threaded with violence and abuse. And she discovers another devastating family thread: cancer. In her thirties, Talusan must decide whether to undergo preventive surgeries to remove her breasts and ovaries. Despite all this, she finds love, and success as a teacher. On a fellowship, Talusan and her husband return to the Philippines, where she revisits her family's ancestral home and tries to reclaim a lost piece of herself. Not every family legacy is destructive. From her parents, Talusan has learned to tell stories in order to continue. The generosity of spirit and literary acuity of this debut memoir are a testament to her determination and resilience. In excavating such abuse and trauma, and supplementing her story with government documents, medical records, and family photos, Talusan gives voice to unspeakable experience, and shines a light of hope into the darkness.

Overtourism Rachel Dodds, Richard Butler, 2019-05-06 Overtourism has become a major concern for an increasing number of destinations as tourism numbers continue to grow, stimulated by general economic and technological growth and the expansion of the global middle class. This, coupled with relentless promotion of tourism by many organisations and destinations, has increased tourism, despite growing opposition to excessive development. This book is the first academic volume to deal with this topic and contains chapters by experienced researchers in the tourism field, taking a multidisciplinary approach to review and explain the subject. The introductory section begins with an overview of the current situation and the forces enabling the appearance of overtourism. This is

followed by a number of case studies from a range of destinations around the world, both urban and rural, which share the same problems. The concluding section includes a discussion of potential mitigation methods and approaches and a final assessment of future developments. The focus and relevance of this book are not just for academics, as it offers insights into destinations, enablers and solutions for how to address the issue of overtourism on a wide variety of scales. This book offers globally relevant perspectives on destinations as varied as Venice and Barcelona, that have gained global media attention, as well as less publicised rural areas and developing destinations.

Cultural Diversity in Health & Illness Rachel E. Spector, 1996 Written for all health care providers, this text promotes awareness of the dimensions and complexities involved in caring for people from culturally diverse backgrounds. The author through discussions of her own experiences, shows how cultural heritage can affect delivery and acceptance of health care and how professionals, when interacting with their clients, need to be aware of these issues in order to deliver safe and professional care. Traditional and alternative health care beliefs and practices from Asian American, African American, Hispanic, and American Indian perspectives are represented.

The Son of Good Fortune Lysley Tenorio, 2020-07-07 A Recommended Book From: USA Today * The Chicago Tribune * Book Riot * Refinery 29 * InStyle * The Minneapolis Star-Tribune * Publishers Weekly * Baltimore Outloud * Omnivoracious * Lambda Literary * Goodreads * Lit Hub * The Millions FINALIST FOR THE JOYCE CAROL OATES PRIZE WINNER OF THE NEW AMERICAN VOICES AWARD From award-winning author Lysley Tenorio, comes a big hearted debut novel following an undocumented Filipino son as he navigates his relationship with his mother, an uncertain future, and the place he calls home Excel spends his days trying to seem like an unremarkable American teenager. When he's not working at The Pie Who Loved Me (a spy-themed pizza shop) or passing the time with his girlfriend Sab (occasionally in one of their town's seventeen cemeteries), he carefully avoids the spotlight. But Excel knows that his family is far from normal. His mother, Maxima, was once a Filipina B-movie action star who now makes her living scamming men online. The old man they live with is not his grandfather, but Maxima's lifelong martial arts trainer. And years ago, on Excel's tenth birthday, Maxima revealed a secret that he must keep forever. "We are 'TNT'—tago ng tago," she told him, "hiding and hiding." Excel is undocumented—and one accidental slip could uproot his entire life. Casting aside the paranoia and secrecy of his childhood, Excel takes a leap, joining Sab on a journey south to a ramshackle desert town called Hello City. Populated by drifters, old hippies, and washed-up techies—and existing outside the normal constructs of American society—Hello City offers Excel a chance to forge his own path for the first time. But after so many years of trying to be invisible, who does he want to become? And is it possible to put down roots in a country that has always considered you an outsider? Thrumming with energy and at once critical and hopeful, *The Son of Good Fortune* is a luminous story of a mother and son testing the strength of their bond to their country—and to each other.

Monstress Lysley Tenorio, 2012-01-31 "The debut of an electric literary talent. Brilliantly quirky, often moving, always gorgeously told...Bravo for this fabulous American fiction!" —Chang-Rae Lee, New York Times bestselling author of *Native Speaker* "A wonderful story collection that's as wide and rich and complex as the geography it spans." — Ben Fountain, PEN/Hemingway award-winning author of *Brief Encounters with Che Guevara* "Tenorio is a deep and original writer, and *Monstress* is simply a beautiful book." —Jessica Hagedorn, author of *Dogeaters* A luminous collection of heartbreaking, vivid, startling, and gloriously unique stories set amongst the Filipino-American communities of California and the Philippines, *Monstress* heralds the arrival of a breathtaking new talent on the

literary scene: Lysley Tenorio. Already the worthy recipient of a Pushcart Prize, a Whiting Writer's Award, and a Stegner Fellowship, Tenorio brilliantly explores the need to find connections, the melancholy of isolation, and the sometimes suffocating ties of family in tales that range from a California army base to a steamy moviehouse in Manila, to the dangerous false glitter of Hollywood.

Fairest Meredith Talusan, 2021-06-08 Finalist for the 2021 Lambda Literary Award for Transgender Nonfiction Talusan sails past the conventions of trans and immigrant memoirs. --The New York Times Book Review A ball of light hurled into the dark undertow of migration and survival. --Ocean Vuong, author of On Earth We're Briefly Gorgeous A love story with the heart of Austen classics and a reflective journey of becoming that shift our own perceptions of romance, identity, gender, and the fairness of life. Fairest is a memoir about a precocious boy with albinism, a sun child from a rural Philippine village, who would grow up to become a woman in America. Coping with the strain of parental neglect and the elusive promise of U.S. citizenship, Talusan found comfort from her devoted grandmother, a grounding force as she was treated by others with special preference or public curiosity. As an immigrant to the United States, Talusan came to be perceived as white, and further access to elite circles of privilege but required Talusan to navigate through the complex spheres of race, class, sexuality, and queerness. Questioning the boundaries of gender, Talusan realized she did not want to be confined to a prescribed role as a man, and transitioned to become a woman, despite the risk of losing a man she deeply loved. Throughout her journey, Talusan shares poignant and powerful episodes of desirability and love that will remind readers of works such as Call Me By Your Name and Giovanni's Room.
