**Project MK-Ultra and Mind Control Technology** Axel Balthazar,2017-05-04 People around the world claim to be victims of mind control technology. Medical professionals are quick to marginalize these targeted individuals and diagnose them with mental illness. Unfortunately, most people are oblivious to the historical precedent for the practice of mind control and the patented technology that exists in the field. This book includes a compilation of the government's documentation on MK-Ultra, the CIA's mind control experimentation on unwitting human subjects; all documentation on this program was ordered destroyed by CIA

Director Richard Helms in 1973, but a cache of records survived and were made public through a Freedom of Information Act request in 1977. It also contains over 150 patents pertaining to a wide variety of subjects: artificial telepathy (voice-to-skull technology), behavior modification through radio frequencies, directed energy weapons, electronic monitoring, implantable nanotechnology, brain wave manipulation, nervous system manipulation, neuroweapons, psychological warfare, satellite terrorism, subliminal messaging, and more. A must-have reference guide for targeted individuals and anyone interested in the subject of mind control technology. The experiments and technology described herein reveal the government's activities in a variety of fields utilizing an assortment of methodologies. Subjects covered include: Drugs; Hypnosis; Subconscious Isolation; Extrasensory Perception; Victims; Mind Control Technology; Artificial Telepathy; Behavior Modification; Nervous System Manipulation; Mind Manipulation; Mental Monitoring; Directed Energy Weapons; Electronic Surveillance; Implants and Nanotech; Subliminal Messaging; and more.

**Pick Up Your Cross and Follow Me** Dcn. Ralph Poyo,2012-04

This booklet is designed to help those who have given their lives to Christ, to grow into a mature disciple of Jesus. By entering the School of the Holy Spirit, they will be growing in four fundamental spiritual disciplines of a disciple of Jesus Christ. Over three thousand copies have been sold and the demand is increasing. See a testimonial below. I read your book during Adoration, and I could not get over how good it is. I have been searching for something like this for a long time. I have attended many classes on evangelization I have not really understood. I have never heard a better explanation on how to grow with Jesus, than what is in your book. The Holy Spirit was certainly with you when you were writing it. I really can't express to you how much I enjoyed your book and how it answered so many questions in my life. God Bless You Jack NY
