Red Dog Saloon R. D. Sherrill,2013-11 “For some acts there is no redemption, for some sins no forgiveness, no matter the sum of a man's works” - Those were the last words of Gina Porter penned in the institution where she spent her last years living in madness. The scribble found on a hastily drawn note would prove prophetic as the two secrets she kept buried deep inside her soul most of her life would collide. Meanwhile, the secret the six conspirators thought they had buried more than twenty years ago was not buried deep enough as someone has returned to seek vengeance from the ashes of the long-forgotten tavern. One by one the keepers of the secret sin are being killed in brutal fashion, the words Red Dog written in their own blood at the scenes of the macabre crimes. For the conspirators, the words are like writing on the wall, forewarning them of their fate, reminding them of the atrocities they committed long ago. The time for restitution is gone, payment now demanded for the tab they ran up at the long gone honkytonk, a tab for which each of them is equally responsible. For Sheriff Sam Delaney the words are the only clue to solving who or what has turned the normally peaceful Castle County into a killing field, the body count rising nightly. The veteran lawman seems to stay one step behind the force which the press dubs the Red Dog Killer, the community losing faith in the sheriff in light of the homicidal rampage which seems to have no end. To stop the killing spree the sheriff must first solve a crime that is two decades old, a cold case which is getting colder by the day. Even as he races against time to solve the puzzle, forces will stop at nothing to make sure the secret of the Red Dog stays hidden. Making his challenge even tougher is the fact the witnesses to the crime are the ones dying, each falling victim to the mysterious reaper as the sheriff gets tantalizingly close to exposing the long-kept secret. Faced with their own mortality, the conspirators become their own worst enemy as they struggle to not only keep the secret but to avoid becoming the killer's next victim, each ready to do anything to avoid their fate even if it means sacrificing an old friend. The question begs, when everything is exposed to the world in the end, which is worse, their secret sin or the one who has come to exact vengeance for their horrific evil?

Retribution Don Scot,2013-05 In 1879, Taw Black, away at college in Georgia, receives word that his family's ranch in the New Mexico Territory has been raided by outlaws-and that his father has been

killed. When Taw learns that his adopted brother may have been involved, he starts for home to clear his brother's name and avenge the death of his father. With no money to fund his journey, Taw must plod through the dangerous post-Civil War landscape, using any means to survive. Taw's grief transforms into hate, even as he is befriended by a riverboat gambler, a Mexican outlaw, and a band of renegade Indians. When he finally arrives home, he uncovers a master plot instigated by a gang of killers intent on not getting caught. As he takes retribution on the men responsible for his father's death, he fears that his actions are causing him to lose part of his own soul-something that becomes more daunting when he meets a special woman who could change his life forever.
