How to Do Nothing Jenny Odell, 2020-12-29 ** A New York Times Bestseller ** NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: Time • The New Yorker • NPR • GQ • Elle • Vulture • Fortune • Boing Boing • The Irish Times • The New York Public Library • The Brooklyn Public Library A complex, smart and ambitious book that at first reads like a self-help manual, then blossoms into a wide-ranging political manifesto.—Jonah Engel Bromwich, *The New York Times Book Review* One of President Barack Obama's Favorite Books of 2019 Porchlight's Personal Development & Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention, and our value is determined by our 24/7 data productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screed, or the back-to-nature meditation we read so often, *How to do Nothing* is an action plan for thinking outside of capitalist narratives of efficiency and techno-determinism. Provocative, timely, and utterly persuasive, this book will change how you see your place in our world.

Sou Fujimoto Sōsuke Fujimoto, Serpentine Gallery, 2013 From the Gallery website: The Serpentine Gallery Pavilion 2013 is designed by multi award-winning Japanese architect Sou Fujimoto. We are thrilled to be working with one of the most fascinating architects in the world today. A visionary, who has conceived an extraordinary response to our invitation to design the Serpentine Gallery Pavilion, Sou Fujimoto has designed a structure that will enthrall everyone that encounters it throughout the summer. --Julia Peyton-Jones, Director, and Hans Ulrich Obrist, Co-Director, Serpentine Gallery

Sterling Karat Gold Isabel Waidner, 2023-02-07 Like Franz Kafka's *The Trial* for the post-truth era, at once "surreal, polemical, and fun" (*The Telegraph*). *Sterling Beckenbauer* is plunged into a terrifying and nonsensical world one morning when they are attacked, then unfairly arrested, in their neighborhood in London. With the help of their friends, Sterling hosts a trial of their own in order to exonerate themselves and to hold the powers that be to account. *Sterling Karat Gold*, in the words of Kamila Shamsie, is "a madly brilliant and deeply sane novel that reveals surrealism as possibly the most effective way of talking about the political moment we find ourselves in." In it, Isabel Waidner concocts a world replete with bullfighters, high fashion, DIY theater, the Beach Boys, and time-traveling spaceships. The acclaimed winner of the 2021 Goldsmiths Prize for fiction that breaks the mold and extends the possibilities of the form, this novel explores the phantasmagoric nature of contemporary life, especially for nonbinary migrants, and daringly revises how solidarity and

justice might be sought and won. Sterling Karat Gold couldn't be a better North American introduction to a writer with an irresistible style and unforgettable vision.

Dear Girls Ali Wong, 2019-10-15 NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—*The New York Times* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Time* • *Variety* • *Chicago Tribune* • *Glamour* • *New York* In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween

costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—Bustle

Time Song Julia Blackburn, 2019-08-06 Julia Blackburn has always collected things that hold stories about the past, especially the very distant past: mammoth bones, little shells that happen to be two million years old, a flint shaped as a weapon long ago. Shortly after her husband's death, Blackburn became fascinated with Doggerland, the stretch of land that once connected Great Britain to Continental Europe but is now subsumed by the North Sea. She was driven to explore the lives of the people who lived there—studying its fossil record, as well as human artifacts that have been unearthed near the area. In *Time Song*, Blackburn brings us along on her

journey to discover what Doggerland left behind, introducing us to the paleontologists, archaeologists, fishermen and fellow Doggerland enthusiasts she meets along the way. She sees the footprints of early humans fossilized in the soft mud of an estuary alongside the scattered pockmarks made by rain falling eight thousand years ago. She visits a cave where the remnants of a Neanderthal meal have turned to stone. In Denmark she sits beside Tollund Man, who seems to be about to wake from a dream, even though he had lain in a peat bog since the start of the Iron Age. As Doggerland begins to come into focus, what emerges is a profound meditation on time, a sense of infinity as going backward and an intimation of the immensity of everything that has already passed through its time on earth and disappeared.

How to Be a Revolutionary C.A. Davids, 2022-02-08 Winner of the 2023 UJ Prize Winner of the 2023 Sunday Times Literary Award An extraordinary, ambitious, globe-spanning novel about what we owe our consciences Fleeing her moribund marriage in Cape Town, Beth accepts a diplomatic posting to Shanghai. In this anonymous city she hopes to lose herself in books, wine, and solitude, and to dodge whatever pangs of conscience she feels for her fealty to a South African regime that, by the 21st century, has betrayed its early promises. At night, she hears the sound of typing, and then late one evening Zhao arrives at her door. They explore hidden Shanghai and discover a shared love of Langston Hughes--who had his own Chinese and African sojourns. But then Zhao vanishes, and a typewritten manuscript--chunk by chunk--appears at her doorstep instead. The truths unearthed in this manuscript cause her to reckon with her own past, and the long-buried story of what happened to Kay, her fearless, revolutionary friend... Connecting contemporary Shanghai, late Apartheid-era South Africa, and China during the Great Leap Forward and the Tiananmen uprising--and refracting this globe-trotting and time-traveling through Hughes' confessional letters to a South African protege about the poet's time in Shanghai--How to Be a Revolutionary is an amazingly ambitious novel. It's also a heartbreaking exploration of what we owe our countries, our consciences, and ourselves.

Cack-Handed Gina Yashere, 2021-06-08 The British comedian of Nigerian heritage and co-executive producer and writer of the CBS hit series *Bob Hearts Abishola* chronicles her odyssey to get to America and break into Hollywood in this lively and humorous memoir. According to family superstition, Gina Yashere was born to fulfill the dreams of her grandmother Patience. The powerful first wife of a wealthy businessman, Patience was poisoned by her jealous sister-wives and marked with a spot on her neck. From birth, Gina carried a similar birthmark—a sign that she was her grandmother's chosen heir, and would fulfill Patience's dreams. Gina would learn to speak perfect English, live unfettered by men or children, work a man's job, and travel the world with a free spirit. Is she the reincarnation of her grandmother? Maybe. Gina isn't ruling anything out. In *Cack-Handed*, she recalls her intergenerational journey to success foretold by her grandmother and fulfilled thousands of miles from home. This hilarious memoir tells the story of how from growing up as a child of Nigerian immigrants in working class London, running from skinheads, and her overprotective Mom, Gina went on to become the first female engineer with the UK branch of Otis, the largest elevator company in the world, where she went through a baptism of fire from her racist and sexist co-workers. Not believing her life was difficult enough, she later left engineering to become a stand up comic, appearing on numerous television shows and becoming one of the top comedians in the UK, before giving it all up to move to the US, a dream she'd had since she was six years old, watching American kids on television, riding cool bicycles, and solving crimes. A collection of eccentric, addictive, and uproarious stories that combine family, race, gender, class, and country, *Cack-Handed* reveals how Gina's unconventional upbringing became the foundation of her successful career as an international comedian.

Thin Places Kerri ní Dochartaigh,2022-04-12 An Indie Next Selection for April 2022 An Indies Introduce Selection for Winter/Spring 2022 A Junior Library Guild Selection Both a celebration of the natural world and a memoir of one family's experience during the Troubles, Thin Places is a gorgeous braid of "two strands, one wondrous and elemental, the other violent and unsettling, sustained by vividly descriptive prose" (The Guardian). Kerri ní Dochartaigh was born in Derry, on the border of the North and South of Ireland, at the very height of the Troubles. She was brought up on a council estate on the wrong side of town—although for her family, and many others, there was no right side. One parent was Catholic, the other was Protestant. In the space of one year, they were forced out of two homes. When she was eleven, a homemade bomb was thrown through her bedroom window. Terror was in the very fabric of the city, and for families like ní Dochartaigh's, the ones who fell between the cracks of identity, it seemed there was no escape. In Thin Places, a luminous blend of memoir, history, and nature writing, ní Dochartaigh explores how nature kept her sane and helped her heal, how violence and poverty are never more than a stone's throw from beauty and hope, and how we are, once again, allowing our borders to become hard and terror to creep back in. Ní Dochartaigh asks us to reclaim our landscape through language and study, and remember that the land we fight over is much more than lines on a map. It will always be ours, but—at the same time—it never really was.

Insatiable Daisy Buchanan,2022-02-08 'Extremely funny, touching and wonderfully refreshing on women and sexual desire' Marian Keyes 'As filthy as it is funny, you won't be able to put it down' Dolly Alderton Stuck in a dead-end job, broken-hearted, broke and estranged from her best friend: Violet's life is nothing like she thought it would be. She wants more - better friends, better sex, a better job - and she wants it now. So, when Lottie - who looks like the woman Violet wants to be when she grows up - offers Violet the chance to join her exciting start-up, she bites. Only it soon becomes clear that Lottie and her husband Simon are not only inviting Violet into their company, they are also inviting her into their lives. Seduced by their townhouse, their expensive candles and their Friday-night sex parties, Violet cannot tear herself away from Lottie, Simon or their friends. But is this really the more Violet yearns for? Will it grant her the satisfaction she is so desperately seeking? Insatiable is about women and desire - lust, longing and the need to be loved. It is a story about being unable to tell whether you are running towards your future or simply running away from your past. The result is at once tender and sad, funny and hopeful.

Borough Market: Edible Histories Mark Riddaway,2022-11-10 One of The Times Books of the Year 2020 _____
'Fascinating and entertaining - a pleasure to read.' Claudia Roden As a nation of food-lovers we have been munching on fruit and veg, drinking tea and coffee and adorning our dishes with oils and spices for generations, but have you ever stopped to wonder how our most beloved foods came to be the way they are now? In this series of enlightening and highly entertaining essays, award-winning food writer Mark Riddaway travels back through the centuries to tell the fascinating, surprising and often downright bizarre stories of some of the everyday ingredients found at London's Borough Market. Discover how the strawberries we eat today had their roots in a clandestine trip to South America by a French spy whose surname happened to be Strawberry, why three-quarters of Britain's late-18th-

century intake of tea was sold on the black market, and what Sigmund Freud found so fascinating about eel genitalia. From the humble apples and onions that we've grown on these shores for centuries, to more exotic ingredients like cinnamon and bananas that travel from across the world to finesse our food, Borough Market: Edible Histories offers a chance to digest the charming stories behind every last morsel.

Jack Frost William Joyce, 2020-09-15 The Guardians' powers are put to the ultimate test in their final battle in this thrilling conclusion to the epic chapter book series from William Joyce. When we last saw the Guardians, they were celebrating their victory during Bright Night, the final great Battle of the Moon, where they defeated Pitch once and for all. Or so they thought. Now, many years later, the Guardians have settled into their final selves, embracing their public images and the Earth Holidays. But the world has not been without evil since Pitch's imprisonment. All the Guardians feel the weight of lurking menace, but Jack Frost—now half human, half of his former self Nightlight—feels it the most. Jack's transition from Nightlight to Guardian was not an easy one. Always inclined to keep to himself, Jack has become especially isolated from the other Guardians since his transformation. Yet it is Jack who Ombric Shalazar (once a great wizard, now known as Father Time) trusts with a tremendous secret. But for Jack to fully understand this secret, he must revisit his past—and finally tell his story. Jack's story, however, isn't the only one to be reopened; an old enemy whose chapter we thought closed will reappear and with him bring a darkness and destruction that will test the Guardians like never before. It's a battle of superlatives—the worse fighting the greatest, but where, oh where, is Jack?
