Christmas Market Montreux Cristina Berna, Eric Thomsen, 2023-11-17 The main Montreux Christmas Market - Marché de Noël in French - is called the Lakeside Christmas Market. In this enchanting setting, extending for more than one kilometer along Lake Geneva's shoreline, you will find 170 stalls with crafts, tastings of local specialties, mulled wine and thousands of gift ideas. The size is as in a big German or Austrian city! Compared to other Christmas markets Montreux has more personal luxury items than traditional warm winter clothes. There does not appear to be an official Nativity as we have seen in the Catholic lands like Luxembourg, Austria and Bavaria. But also, the Nativity is not banned as in Strasbourg.

Latkes for Santa Claus Janie Emaus, 2020-10-13 To: Santa From: Anna My new dad and stepbrother celebrate Christmas, so you're coming to my house for the very first time. And I think you must be REALLY tired of cookies. I'm going to leave you the best Santa treat ever. Anna is excited that Santa will be visiting her house for the first time, and she wants to leave Santa a treat that blends the holidays her new family celebrates: Christmas and Hanukkah. She expresses this idea to her stepbrother, Michael, who insists that Santa doesn't need anything but his sugar cookies. Anna imagines Santa has to be bored with cookies by now and is determined to find a Jewish recipe that he'll enjoy. The catch? It has to be something easy for Santa to grab and go. It can't be matzo ball soup—soup in a sleigh with galloping reindeer will never do. It can't be noodle kugel—imagine that by the handful. What a mess! And as certain as Anna is that Santa would devour tzimmes, she knows he just doesn't have the time to sit and enjoy a hearty stew on Christmas Eve. Anna retreats to her thinking corner to figure out the perfect finger food for Santa, not wanting to disappoint him on his very first visit to her house. In this humorous and endearing picture book, blending both Christmas and Hannukah, a little girl and her stepbrother compete to leave Santa the best treats ever. Latkes for Santa Claus concludes with Anna and Michael's winning recipes, ready for children to replicate for Santa in their own kitchens.

The Life and Adventures of Santa Claus Лаймен Фрэнк Баум, 2021-12-02

Critique of Pure Nature Simona Stano, 2023-12-29 This book challenges the Western contemporary “praise for Nature”. From food to body practices, from ecological discourses to the Covid-19 pandemic, contemporary imaginaries abound with representations of an ideal “pure Nature”, essentially defined according to a logic of denial of any artificial, modified, manipulated – in short, cultural – aspect. How should we contextualise and understand such an opposition, especially in light of the rich semantic scope of the term “nature” and its variability over time? And how can we – if we actually can – envisage alternative models and approaches capable of better accounting for such richness and variability? The author addresses these fundamental issues, combining an initial theoretical problematisation of the concept of nature and its evolution – from classical philosophy to the crucial changes occurred through the Middle Ages, the Renaissance, Romanticism and the modern era, finally considering recent insights in philosophy, sociology, cultural anthropology and semiotics – with the analysis of its discursivisation – from the iconography of Mother Nature between the past and the present to the

representation of catastrophic events in fictional and non-fictional texts, from clean eating and other popular food trends to the ambivalence of the naked body between its supposed natural ascription and its multiple cultural characterisations. Thus she introduces a critique of pure Nature, providing a systematic study of the way nature is attributed meaning and value in some of today’s most relevant discourses and practices, and finally tracing a possible path towards an “internatural turn”.

Klaus: The New Adventures of Santa Claus Grant Morrison,2018-10-10 Luminary author Grant Morrison (All-Star Superman, Happy!) and Eisner Award-winning illustrator Dan Mora (Go Go Power Rangers) bring their lauded reinvention of Santa Claus fully into the 21st century with two modern tales of Klaus saving Christmas from sinister threats that span dimensions. A Kidnapped Santa Claus (Illustrated) L. Frank Baum,2014-08-11 A Kidnapped Santa Claus was published two years after Baum's *The Life and Adventures of Santa Claus* (1902), and shares its mythological cosmos: in the story as in the novel, Santa lives in the Laughing Valley on the border of the Forest of Burzee, and is assisted by knooks, ryls, fairies, and pixies. In modern editions the two works, novel and story, are sometimes published together. Though the short story has strong similarities with the novel, it has been interpreted as presenting a less rosy view of the world, in that it shows elements of evil as fundamental to existence and ineradicable.
