**The Dark Deception (Daphne and Velma #2)** Morgan Baden, 2020-07-07 It's the classic girl detectives like you've never seen them before! Daphne Blake and Velma Dinkley have a terrifying new mystery to solve and this time, the culprit is far more frightening than any man in a mask... Daphne Blake and Velma Dinkley have a reputation to uphold. Despite their differences, the two teens worked together to solve the case of the Vanishing Girl. But there are still a lot of mysteries buried in the town of Crystal Cove. Including one the Vanishing Girl herself (aka Daphne's friend Marcy) asked them to look into-what deep dark secret is their old friend Shaggy Rogers trying to protect? The two teen detectives have barely started investigating that case when another mystery strikes. Hundreds of valuable gems begin washing ashore, and soon everyone is convinced it's a sign from the Lady Vampire of the Bay, a ghostly creature who's said to have haunted the town a hundred years earlier. Daphne and Velma are convinced there's a logical reason the jewels have appeared, and they're determined to find out what it is. But asking questions about Crystal Cove's legends can be dangerous. It seems like everyone in town has something to hide . . . especially the families who've profited off the town's mysterious past. Can the girls discover what's lurking behind all this dark deception?

**The Vanishing Girl (Daphne and Velma #1)** Josephine Ruby, 2020-03-03 It's the classic girl detectives like you've never seen them before! Daphne Blake and Velma Dinkley have a terrifying new mystery to solve - and this time, the culprit is far more frightening than any man in a mask... Popular Daphne Blake and über-nerd Velma Dinkley are not friends. They aren't enemies either, but they don't have any reason to speak to each other, and that's how they prefer it. The two girls grew up together - they'd been best friends since pre-K - but when they hit middle school, Daphne dropped Velma and never looked back. These days, Daphne's deep in the popular crowd, daughter of the richest family in town, while Velma's an outsider, hiding from the world behind her thick glasses. When they run into each other in the halls of Crystal Cove High, they look the other way. But then Daphne's best friend, Marcy - who happens to be Velma's cousin - goes missing. A century ago, there was a wave of disappearances in Crystal Cove, and many local people believe that supernatural forces were behind it. Now the whole town believes those same forces are back . . . and up to no good. Daphne and Velma may be the only ones who can solve the mystery and save Marcy-if they can trust each other enough to try. Especially since the truth might be stranger-and scarier-than either girl can imagine . . .

*The Vegas Diaries* Holly Madison, 2016-05-17 The #1 New York Times bestselling author returns with this candid, humorous, and captivating memoir chronicling her journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison . . . there's no place like Las Vegas! After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion (which meant exiting a hit television show) and was determined to start her life over . . . from scratch. Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas, Holly quickly realized that while she may have left her past in the rearview mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on *Dancing with the Stars*, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner-world of Sin City, navigating it's social and dating scene with humor and heart. When it comes to romance, she is met with an eclectic cast of characters, from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap. In this reflective, heartwarming memoir, Holly learns that each dating disaster holds an important, and in some cases difficult to face, lesson about herself. *The Vegas Diaries* is a comedy of errors, set against the glitz and glamour of the dazzling Vegas strip. Through the wild and crazy experiences on one young woman's quest to have it all, Holly faces her fears, anxieties, and insecurities to discover that her journey to self-sufficiency is also her path to healing. Letting go of trying to prove herself to others, Holly finally gains the courage to confront her past-and in the process finds the life and love she deserves.
