**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**By Schism Rent Asunder** David Weber, 2008-07-22 The sequel to the New York Times best seller *Off Armageddon Reef* The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the

rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin-a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Schism has come to the world of Safehold. Nothing will ever be the same... in David Weber's By Schism Rent Asunder. Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3. *Designing the T-34* Peter Samsonov,2019-12-27 When the German army launched Operation Barbarossa – the invasion of the Soviet Union – on June 22, 1941, it was expecting to face and easily defeat outdated and obsolete tanks and for the most part it did, but it also received a nasty shock when it came up against the T-34. With its powerful gun and sloped armour, the T-34 was more than a match for the best German tanks at that time and the Germans regarded it with awe. German Field Marshal von Kleist, who commanded the latter stages of Barbarossa, called it “the finest tank in the world”. Using original wartime documents author and historian Peter Samsonov, creator of the Tank Archives blog, explains how the Soviets came to develop what was arguably the war’s most revolutionary tank design.

*Stupid Things I Won't Do When I Get Old* Steven Petrow, 2021-06-29 For fans of David Sedaris and Nora Ephron, a humorous, irreverent, and poignant look at the gifts, stereotypes, and inevitable challenges of aging, based on award-winning journalist Steven Petrow's wildly popular New York Times essay, *Things I'll Do Differently When I Get Old*. Soon after his 50th birthday, Petrow began assembling a list of "things I won't do when I get old"—mostly a catalog of all the things he thought his then 70-something year old parents were doing wrong. That list, which included "You won't have to shout at me that I'm deaf," and "I won't blame the family dog for my incontinence," became the basis of this rousing collection of do's and don'ts, wills and won'ts that is equal parts hilarious, honest, and practical. The fact is, we don't want to age the way previous generations did. "Old people" hoard. They bore relatives—and strangers alike—with tales of their aches and pains. They insist on driving long after they've become a danger to others (and themselves). They eat dinner at 4pm. They swear they don't need a cane or walker (and guess what happens next). They never, ever apologize. But there is another way... In *Stupid Things I Won't Do When I Get Old*, Petrow candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, "I meant the list to serve as a pointed reminder—to me—to make different choices when I eventually cross the threshold to 'old.'" Getting older is a privilege. This essential guide reveals how to do it with

grace, wisdom, humor, and hope. And without hoarding. Praise for *Stupid Things I Won't Do When I Get Old*: “Unbelievably witty and relatable, I alternated bursting into laughter and placing my hand over my face in horror thinking, Oh my God, is that me? I often say, at this age we have something young people can never have...wisdom. My dear friend, Steven Petrow, has wisdom to share in this honest, funny, wry guide to keep us young at heart, without desperately hanging onto our youth. I am buying this book for all of my friends!”

—Suzanne Somers, New York Times bestselling author of *A New Way to Age* “*Stupid Things I Won't Do When I Get Old* is an irreverent, funny, honest look at aging and all the things we take for granted as normal parts of aging. They don't need to be. If you struggle with getting older and want to find a fresh perspective on lessons learned about what NOT to do as we age, and what TO do to stay young in heart, spirit, mind and body, read this book.”

—Mark Hyman, MD, #1 New York Times bestseller author of *The Blood Sugar Solution 10-Day Detox Diet*, and Head of Strategy and Innovation at the Cleveland Clinic Center for Functional Medicine. “Steven Petrow resolved to do things differently than his parents had when he gets old because he wished they'd been able to enjoy life more. His solution? He created a list! In this book, he shares the secrets to living a full life regardless of our age. It's all about the decisions we make every day. My advice in a nutshell: Read this book and keep it handy.” —“Dear Abby” (Jeanne Phillips), nationally syndicated advice columnist “It's never too early to imagine what your life will look like as you age. And as I once wrote, ‘We are not hostages to our fate.’ Petrow's book will help you plan, think, and redefine what it means to get older—and even laugh while doing it.” —Andrew Weil, MD, New York Times bestselling author of *Spontaneous Healing* and *Healthy Aging: A Lifelong Guide to Your*

Well-Being “Steven Petrow not only has a great attitude about life, he is wise about how to live it. Like me, he says we should embrace our one life 100% and not let a number—our age—get in the way of anything! Steven’s book will help you rethink the word “aging” and approach this next chapter with a positive and proactive attitude. Plus, this book is fun!” —Denise Austin, renowned fitness expert, author, and columnist “Steven’s writing feels like sitting with a friend—one who is unusually gracious, warm and frank.” —Carolyn Hax, author of the nationally syndicated advice column, Carolyn Hax Praise for Steven Petrow: Steven Petrow's Complete Gay & Lesbian Manners helps gays and straights navigate the subtleties of the same-sex world. —People Move over, Emily Post! When it comes to etiquette for members of the gay, lesbian, bisexual and transgender community—as well as their straight friends, family members and coworkers--author and journalist Steven Petrow is the authority. —TIME What could've easily become a novelty book has emerged as an exhaustively researched, essential resource thanks to advice columnist and etiquette expert Steven Petrow. —The Advocate From having kids to planning funerals, Steven Petrow's Complete Gay & Lesbian Manners has most facets of gay life covered. Ms. Post would approve. —Entertainment Weekly An indispensable refresher course...on what's proper in modern...life. —Kirkus Reviews
