Robert Webb

Two of Us Geoffrey Giuliano, 1999 Obscured behind the popular music of the legendary songwriting team of John Lennon and Paul McCartney was a fierce tumultuous rivalry that spanned an entire generation. This riveting, provocative biography uncovers the meaning behind their music. 60 illustrations.

John Lennon & Paul McCartney Bruce Glassman, 1995 This book tells of the songwriting team, Lennon and McCartney.

Paul McCartney Barry Miles, 1998-10-15 A definitive, authorized portrait of Paul McCartney draws on hundreds of hours of exclusive interviews and access to personal archives to chronicle the private life and successful career of one of the world's most famous musicians, the world of the Beatles, his partnership with John Lennon, and more.

Still the Greatest Andrew Grant Jackson, 2012 As recommended by USA Today and excerpted on RollingStone.com! *Still the Greatest* is a love song to the songwriting and recording achievements of Paul, John, George, and Ringo after each struck out on his own. In this creative history, Jackson selects the best songs by each in his solo career and organizes them into fantasy albums they might have formed had they stuck it out. This romp through the post-Beatle history of each artist delves into the circumstances behind the composition, recording, and reception of each work, offering a refreshing take on how spectacular much of the Beatles' second act truly is. Jackson assesses the over seventy albums and

nine hundred songs they collectively released, selecting the crème de la crème of their output.

Nowhere Man Robert Rosen, 2002 An intimate journey through John Lennon's final years. Including photos of Lennon and family.

John Lennon: The Life Philip Norman, 2009-10-06 National Bestseller Drawing on previously unknown sources, unpublished letters, and unprecedented access to all the key figures, author and journalist Philip Norman gives us the most complete and revealing portrait of John Lennon that is ever likely to be published. For this masterpiece of biography, Philip Norman set himself the challenge of looking afresh at every aspect of Lennon's much-chronicled life. He has not just dug deep into the archives, including his own vast collection of tapes and notebooks dating back to the 60s, but spoken to hundreds of witnesses, from every walk of life and every stage of Lennon's. The interviewees include Sean Lennon, whose moving reminiscences reveal his father as never before, and Yoko Ono, who speaks with sometimes shocking candour about her marriage to John. In his brilliant *Shout!*, we were shown a band; in *John Lennon*, Philip Norman gives us a portrait of a man. It reconciles as never before the contradictions of this endlessly fascinating character—the volatile and violent hippie, the phenomenally wealthy advocate of no possessions, the family man and junkie—and his journey from Liverpool suburbia to becoming one of the presiding geniuses of pop culture.

The Beatles Solo Mat Snow, 2013-10-13 Examines the lives of the individual members of the Beatles

after the breakup of the band, delving into their personal lives and further careers since the group's 1970 dissolution.

You Never Give Me Your Money Peter

Doggett,2011-10-04 The world stopped in 1970 when Paul McCartney announced that he was through with the Beatles. Though the Beatles' breakup was widely viewed as a cultural tragedy, one of the most fascinating phases of their story was just beginning. In *You Never Give Me Your Money*, journalist Peter Doggett tells the behind-the-scenes story of the personal rivalries and legal feuds that have dominated the Beatles' lives since 1969. It is both a compelling human drama and an equally rich and absorbing story of the creative and financial empire the band members set up to safeguard their interests but that ultimately controlled their lives. *You Never Give Me Your Money* charts the Shakespearean battles between Lennon and McCartney, George Harrison's raging inner conflict between spirituality and fame, and the struggle with alcoholism that nearly cost Richard Starkey his life. From tragedy to triumphant reconciliation, from individual chart success to bitter courtroom battles, this meticulously researched work tells the previously untold story of a group and a legacy that will never be forgotten.

The Beatles ,

Paul McCartney Peter Ames Carlin,2009-11-03 From the acclaimed biographer who brought you the rock biography of Bruce Springsteen comes the life of musician Paul McCartney—from his groundbreaking years with the Beatles to Wings to his work as a

solo artist and activist. More than a rock star, more than a celebrity, Paul McCartney is a cultural touchstone who helped transform popular music as one half of the legendary Lennon-McCartney songwriting duo. In this definitive biography, Peter Ames Carlin examines McCartney's entire life, casting new light not just on the Beatles era but also on his years with Wings and his thirty-year relationship with his first wife, Linda McCartney. He takes us on a journey through a tumultuous couple of decades in which Paul struck out on his own as a solo artist, reached the top of the charts with a new band, and once again drew hundreds of thousands of screaming fans to his concerts. Carlin presents McCartney as a musical visionary but also as a layered and conflicted figure as haunted by his own legacy—and particularly his relationship with John Lennon—as he was inspired by it. Built on years of research and fresh, revealing interviews with friends, bandmates, and collaborators spanning McCartney's entire life, Carlin's lively biography captures the many faces of the living legend.

John Lennon Robert Webb, 2016-07-07 John Lennon is a giant of popular music and culture. As one-quarter of the Beatles, he was in the vanguard of music, art, fashion and popular culture during the sixties. He stands as an iconic figure even for those who grew up long after his untimely death in 1980. Above all, Lennon was one of the 20th century's greatest and most important songwriters. Songs he wrote with Paul McCartney define an era. Others he wrote alone, such as God, Help! and Revolution, betray a contradictory and troubled

character. Lennon was never one to hide his love away, nor his anger, nor his convictions.

Lennon Revealed Larry Kane, 2007-08-17 A quarter of a century after his death, the questions remain: what was John Lennon really like, what drove him to the heights of creativity and the depths of despair, and why do his music and message still resonate for millions around the world? Now acclaimed broadcast journalist and author Larry Kane uncovers the mysteries of Lennon's life and implodes the myths surrounding it. Kane definitely has the right credentials for the job. He was the only American reporter to travel in the Beatles' official entourage to every stop on their history-making first American tours, and he stayed in touch with Lennon until an assassin ended the former Beatles' life in 1980. Lennon Revealed is filled with revelations about John Lennon's path from public glory to personal crisis, and ultimately to his inspiring rebirth and the triumph of his spirit. Drawing on extensive personal accounts and extraordinary new interviews with more than 100 confidants-most notably, Yoko Ono-Kane presents stunning revelations and brings the reader closer than ever to the man who, in life and in death, has had an incalculable impact on humanity. Includes an exclusive DVD featuring the final interview with Lennon and Paul McCartney, conducted by Larry Kane.

The Love You Make Peter Brown, Steven Gaines, 2002-11-05 The national bestseller that Newsday called "the most authoritative and candid look yet at the personal lives...of the oft-

scrutinized group," from the author of *All You Need Is Love: The Beatles in Their Own Words*. In *The Love You Make*, Peter Brown, a close friend of and business manager for the band—and the best man at John and Yoko's wedding—presents a complete look at the dramatic offstage odyssey of the four lads from Liverpool who established the greatest music phenomenon of the twentieth century. Written with the full cooperation of each of the group's members and their intimates, this book tells the inside story of the music and the madness, the feuds and the drugs, the marriages and the affairs—from the greatest heights to the self-destructive depths of the Fab Four. In-depth and definitive, *The Love You Make* is an astonishing account of four men who transformed the way a whole generation of young people thought and lived. It reigns as the most comprehensive, revealing biography available of John, Paul, George, and Ringo. Includes 32 pages of rare and revealing photos A Literary Guild® Alternate Selection

The McCartney Legacy Allan Kozinn, Adrian Sinclair, 2022-12-13 In this first of a groundbreaking multivolume set, THE MCCARTNEY LEGACY, VOL 1: 1969-73 captures the life of Paul McCartney in the years immediately following the dissolution of the Beatles, a period in which McCartney recreated himself as both a man and a musician. Informed by hundreds of interviews, extensive ground up research, and thousands of never-before-seen documents THE MCCARTNEY LEGACY, VOL 1 is an in depth, revealing exploration of McCartney's creative and personal lives beyond the Beatles. When Paul McCartney issued a press release in April 1970 announcing that the world's most beloved band, the Beatles, had broken up no one could have predicted that McCartney himself would go on to have one of the most successful solo careers in music history. Yet in the years after the Fab Four disbanded, Paul McCartney became a legend in his own right. Now journalist and world-renowned Beatles' historian Allan Kozinn and award-winning documentarian Adrian Sinclair chronicle in technicolor McCartney's pivotal years from 1969 to 1973, as he recreated himself in the immediate aftermath of the Beatles breakup – a period when, newly married and with a growing family, he conquered depression and self-doubt, formed a new band, Wings, and recorded five epochal albums culminating in the triumphant smash, Band on the Run. Part 1 of a multivolume set, THE MCCARTNEY LEGACY, VOL. 1 documents a pivotal moment in the life of a man whose legacy grows increasingly more relevant as his influence on music and pop culture remains as relevant as

ever. It is the first truly comprehensive biography, and the most finely detailed exploration of McCartney's creative life beyond the Beatles, ever undertaken.
