**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**The Day Tiger Rose Said Goodbye** Jane Yolen, 2011-05-24 Not since *The 10th Good Thing About Barney* or *I'll Always Love You* has there been such a peaceful and inspiring book to help children and adults cope with the loss of a pet. The talented multiple-medalist Jane Yolen takes on this difficult subject with her usual grace and poetic sensitivity, focusing not on the death as much as the life in the last day of an older cat named Tiger Rose. Tiger Rose's kitten days are long gone and she's grown too tired to stay, so she says her goodbyes to all the creatures and the joys of her natural world—from the scolding blue jay, to the dog and children she shares her home with, to a chipmunk, startled by her gentleness, to her favorite shady patch under a piney bush. In a final vision, Tiger Rose takes one last leap into the blue sky and becomes one with all—the earth, the air, the sun. . . . This is perhaps the most reassuring book on death available for children.
